C. 1. If the judicial officer finds, based on the affidavit submitted, that there is probable cause to believe that a crime has been committed, is being committed, or will be committed and that there is probable cause to believe the information likely to be obtained from the use of the tracking device will be evidence of the commission of such offense, the judicial officer shall issue a search warrant authorizing the use of the tracking device. The search warrant shall authorize the use of the tracking device from within the Commonwealth to track a person or property for a reasonable period of time, not to exceed 30 days from the issuance of the search warrant.
