HOUSE BILL NO. 885

FLOOR AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by Senator Stuart
on February 25, 2014)

(Patron Prior to Substitute—Delegate Peace)

A BILL to amend and reenact §§ 19.2-368.5, 19.2-368.9, and 19.2-368.11:1 of the Code of Virginia, relating to the Criminal Injuries Compensation Fund.

Be it enacted by the General Assembly of Virginia:

1. That §§ 19.2-368.5, 19.2-368.9, and 19.2-368.11:1 of the Code of Virginia are amended and reenacted as follows:

§ 19.2-368.5. Filing of claims; deferral of proceedings; restitution.

A. A claim may be filed by a person eligible to receive an award, as provided in § 19.2-368.4, or if such person is a minor, by his parent or guardian. In any case in which the person entitled to make a claim is incapacitated, the claim may be filed on his behalf by his guardian, conservator or such other individual authorized to administer his estate.

B. A claim shall be filed by the claimant not later than one year after the occurrence of the crime upon which such claim is based, or not later than one year after the death of the victim. However, (i) in cases involving claims made on behalf of a minor or a person who is incapacitated, the provisions of subsection A of § 8.01-229 shall apply to toll the one-year period; (ii) in cases involving claims made by a victim against profits of crime held in escrow pursuant to Chapter 21.2 (§ 19.2-368.19 et seq.) of this title, the claim shall be filed within five years of the date of the special order of escrow; and (iii) in cases involving claims of sexual abuse of a minor, the claim shall be filed within 10 years after the minor's eighteenth birthday. For good cause shown, the Commission may extend the time for filing for a crime committed on or after July 1, 2001.

In the case of a crime committed on or after July 1, 1977, and before July 1, 2001, for which a claim was not filed in a timely manner, the Commission may, for good cause shown, extend the time for filing if the attorney for the Commonwealth sends written notification to the Commission that the crime is being investigated as a result of newly discovered evidence. For any claim filed pursuant to this paragraph, the Commission shall only consider expenses that the claimant accrues after the date of written notification by the attorney for the Commonwealth.

C. Claims shall be filed in the office of the Commission in person, by mail, or by electronic means in accordance with standards approved by the Commission. The Commission shall accept for filing all claims submitted by persons eligible under subsection A of this section and alleging the jurisdictional requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the Commission.

D. Upon filing of a claim pursuant to this chapter, the Commission shall promptly notify the attorney for the Commonwealth of the jurisdiction wherein the crime is alleged to have occurred. If, within 10 days after such notification, the attorney for the Commonwealth so notified advises the Commission that a criminal prosecution is pending upon the same alleged crime, the Commission shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded in the circuit court unless notification is received from the attorney for the Commonwealth that no objection is made to a continuation of the investigation and determination of the claim. When such criminal prosecution has been concluded in the circuit court the attorney for the Commonwealth shall promptly so notify the Commission. Nothing in this section shall be construed to mean that the Commission is to defer proceedings upon the filing of an appeal, nor shall this section be construed to limit the authority of the Commission to grant emergency awards as hereinafter provided. Upon awarding a claim pursuant to this chapter, the Commission shall promptly notify the attorney for the Commonwealth of the jurisdiction wherein the crime is alleged to have occurred. If a criminal prosecution occurs regarding the same alleged crime, the attorney for the Commonwealth shall request the court to order restitution. However, neither the lack of a restitution order, nor the failure of the attorney for the Commonwealth to request such an order, shall preclude the Fund from exercising its subrogation rights pursuant to § 19.2-368.15. Any such restitution shall be paid over to the Comptroller for deposit into the Criminal Injuries Compensation Fund to the extent of the amount of the award paid from the Fund.

§ 19.2-368.9. Emergency awards.

Notwithstanding any other provisions of this chapter, if it appears to the Commission, that (1) such claim is one with respect to which an award probably will be made, and (2) undue hardship will result to the claimant if immediate payment is not made, the Commission may make an emergency award to the claimant, pending a final decision in the case, provided that (i) the amount of such emergency award shall not exceed ~~\$2,000~~ \$3,000, (ii) the amount of such emergency award shall be deducted from any

60 final award made to the claimant, and (iii) the excess of the amount of such emergency award over the
61 final award, or the full amount of the emergency award if no final award is made, shall be repaid by the
62 claimant to the Commission.

63 **§ 19.2-368.11:1. Amount of award.**

64 A. Compensation for Total Loss of Earnings: An award made pursuant to this chapter for total loss
65 of earnings which results directly from incapacity incurred by a crime victim shall be payable during
66 total incapacity to the victim or to such other eligible person, at a weekly compensation rate equal to 66
67 2/3 percent of the victim's average weekly wages. The total amount of weekly compensation shall not
68 exceed \$600. The victim's average weekly wages shall be determined as provided in § 65.2-101.

69 B. Compensation for Partial Loss of Earnings: An award made pursuant to this chapter for partial
70 loss of earnings which results directly from incapacity incurred by a crime victim shall be payable
71 during incapacity at a weekly rate equal to 66 2/3 percent of the difference between the victim's average
72 weekly wages before the injury and the weekly wages which the victim is able to earn thereafter. The
73 combined total of actual weekly earnings and compensation for partial loss of earnings shall not exceed
74 \$600 per week.

75 C. Compensation for Loss of Earnings of Parent of Minor Victim: The parent or guardian of a minor
76 crime victim may receive compensation for loss of earnings, calculated as specified in subsections A and
77 B, for time spent obtaining medical treatment for the child and for accompanying the child to, attending
78 or participating in investigative, prosecutorial, judicial, adjudicatory and post-conviction proceedings.

79 D. Compensation for Dependents of a Victim Who Is Killed: If death results to a victim of crime
80 entitled to benefits, dependents of the victim shall be entitled to compensation in accordance with the
81 provisions of §§ 65.2-512 and 65.2-515 in an amount not to exceed the maximum aggregate payment or
82 the maximum weekly compensation which would have been payable to the deceased victim under this
83 section.

84 E. Compensation for Unreimbursed Medical Costs, Funeral Expenses, Services, etc.: Awards may
85 also be made on claims or portions of claims based upon the claimant's actual expenses incurred as are
86 determined by the Commission to be appropriate, for (i) unreimbursed medical expenses or indebtedness
87 reasonably incurred for medical expenses; (ii) expenses reasonably incurred in obtaining ordinary and
88 necessary services in lieu of those the victim would have performed, for the benefit of himself and his
89 family, if he had not been a victim of crime; (iii) expenses directly related to funeral or burial, not to
90 exceed \$5,000; (iv) expenses attributable to pregnancy resulting from forcible rape; (v) mental health
91 counseling for survivors as defined under subdivisions A 2 and A 4 of § 19.2-368.4, not to exceed
92 \$2,500 per claim; (vi) reasonable and necessary moving expenses, not to exceed \$1,000, incurred by a
93 victim or survivors as defined under subdivisions A 2 and A 4 of § 19.2-368.4; and (vii) any other
94 reasonable and necessary expenses and indebtedness incurred as a direct result of the injury or death
95 upon which such claim is based, not otherwise specifically provided for. Notwithstanding any other
96 provision of law, a person who is not eligible for an award under subsection A of § 19.2-368.4 who
97 pays expenses directly related to funeral or burial is eligible for reimbursement subject to the limitations
98 of this section.

99 F. Notwithstanding the provisions of subdivision 3 of § 19.2-368.10, §§ 19.2-368.5, 19.2-368.5:1,
100 19.2-368.6, 19.2-368.7, 19.2-368.8, subsection G of this section, and § 19.2-368.16, the Criminal Injuries
101 Compensation Fund shall pay for physical evidence recovery kit examinations conducted on victims of
102 sexual assault. Any individual that submits to and completes a physical evidence recovery kit
103 examination shall be considered to have met the reporting and cooperation requirements of this chapter.
104 Funds paid for physical evidence recovery kit collection shall not be offset against the Fund's maximum
105 allowable award as provided in subsection H. Payments may be subject to negotiated agreements with
106 the provider. Healthcare providers that complete physical evidence recovery kit examinations may bill
107 the Fund directly subject to the provisions of § 19.2-368.5:2. The Commission shall develop policies for
108 a distinct payment process for physical evidence recovery kit examination expenses as required under
109 subdivision 1 of § 19.2-368.3.

110 In order for the Fund to consider additional crime-related expenses, victims shall file with the Fund
111 following the provisions of this chapter and Criminal Injuries Compensation Fund policy.

112 G. Any claim made pursuant to this chapter shall be reduced by the amount of any payments
113 received or to be received as a result of the injury from or on behalf of the person who committed the
114 crime or from any other public or private source, including an emergency award by the Commission
115 pursuant to § 19.2-368.9.

116 H. To qualify for an award under this chapter, a claim must have a minimum value of \$100, and
117 payments for injury or death to a victim of crime, to the victim's dependents or to others entitled to
118 payment for covered expenses, after being reduced as provided in subsection G, shall not exceed
119 \$25,000 \$30,000 in the aggregate.

120 **2. That the Chairmen of House Appropriations and Senate Finance Committees shall appoint a**
121 **joint subcommittee of the membership of such committees to consider the administration,**

provision, and funding of sexual and domestic violence services in the Commonwealth.

3. That representatives from the Criminal Injuries Compensation Fund, the Department of Social Services, the Department of Criminal Justice Services, and the Department of Health and state and local representatives from the sexual and domestic violence coalition shall report to the joint subcommittee on the prevalence of sexual and domestic violence in the Commonwealth, the number of sexual and domestic violence programs operating in the Commonwealth, the location of such programs across the Commonwealth, the number of persons served by such programs, the services provided by such programs, emerging needs and gaps in sexual and domestic violence services, and the outcome measurements and best practices used in the provision of such services.

4. That the joint subcommittee shall examine current grant funding structures at state agencies for federal and state funds, including general fund, nongeneral fund, and special fund moneys, used to support sexual and domestic violence service agencies. The joint subcommittee shall review the grant applications, administration, and reporting processes required of local sexual and domestic violence agencies. The joint subcommittee may recommend a comprehensive and streamlined grant funding process for a more efficient funding structure to best serve the victims of sexual and domestic violence in the Commonwealth while ensuring compliance with federal rules, regulations, and reporting requirements, including the possible administration of such structure at the Criminal Injuries Compensation Fund.

5. That the joint subcommittee shall complete its work no later than December 1, 2014.
