6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 63.2-1804 of the Code of Virginia is amended and reenacted as follows:**

8 **§ 63.2-1804. Uniform assessment instrument.**

9 A uniform assessment instrument setting forth a resident's care needs shall be completed for all
10 residents upon admission and at subsequent intervals as determined by ~~Board regulation~~ *regulations*
11 *promulgated by the Commissioner of the Department for Aging and Rehabilitative Services*. No uniform
12 assessment instrument shall be required to be completed upon admission if a uniform assessment
13 instrument was completed by a case manager or other qualified assessor within ninety days prior to such
14 admission to the assisted living facility unless there has been a change in the resident's condition within
15 that time which would affect the admission. Uniform assessment instruments shall not be required to be
16 completed more often than once every twelve months on individuals residing in assisted living facilities
17 except that uniform assessment instruments shall be completed whenever there is a change in the
18 resident's condition that appears to warrant a change in the resident's approved level of care. At the
19 request of the assisted living facility, the resident's representative, the resident's physician, the
20 Department or the local department, an independent assessment, using the uniform assessment instrument
21 shall be completed to determine whether the resident's care needs are being met in the current
22 placement. The resident's case manager or other qualified assessor shall complete the uniform assessment
23 instrument for public pay residents or, upon request by the private pay resident, for private pay
24 residents. Unless a private pay resident requests the uniform assessment instrument be completed by a
25 case manager or other qualified assessor, qualified staff of the assisted living facility or an independent
26 private physician may complete the uniform assessment instrument for private pay residents; however,
27 for private pay residents, social and financial information which is not relevant because of the resident's
28 payment status shall not be required. The cost of administering the uniform assessment instrument
29 pursuant to this section shall be borne by the entity designated pursuant to ~~Board~~ *regulations*
30 *promulgated by the Commissioner of the Department for Aging and Rehabilitative Services*. Upon
31 receiving the uniform assessment instrument prior to admission of a resident, the assisted living facility
32 administrator shall provide written assurance that the facility has the appropriate license to meet the care
33 needs of the resident at the time of admission.
