RESOLVED by the House of Delegates, the Senate concurring, That the Joint Legislative Audit and Review Commission be directed to study Medicaid-funded transportation services in the Commonwealth.

In conducting its study, the Joint Legislative Audit and Review Commission (JLARC) shall (i) identify remedies and alternatives available to the Commonwealth to resolve the issues surrounding Logisticare's ability to provide these critical transportation services; (ii) examine the terms of the Commonwealth's contract with Logisticare for transportation services, including the penalties for poor service, to determine whether these provisions should be modified in future contracts; and (iii) review the Department of Medical Assistance Services' oversight of the Commonwealth's contract with Logisticare. All agencies of the Commonwealth shall provide assistance to JLARC for this study, upon request.
