The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote;

60 however, this requirement shall not be applicable to any person who is qualified to vote absentee under
61 subdivision 2 of § 24.2-700.

62 Any application received before the ballots are printed shall be held and processed as soon as the

64 For the purposes of this chapter, the general registrar's office shall be open a minimum of eight
65 hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately

68 Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant
69 who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to
70 the best of his knowledge and belief the facts contained in the application are true and correct and that
71 he has not and will not vote in the election at any other place in Virginia or in any other state. If the
72 applicant is unable to sign the application, a person assisting the applicant will note this fact on the
73 applicant signature line and provide his signature, name, and address.

74 B. Applications for absentee ballots shall be completed in the following manner:

75 1. An application completed in person shall be made not less than three days prior to the election in
76 which the applicant offers to vote and completed only in the office of the general registrar. The
77 applicant shall sign the application in the presence of a registrar or a member of the electoral board. The
78 applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643. Any

81 shall provide instructions to the electoral boards for the handling and counting of such provisional
82 ballots pursuant to subsection B of § 24.2-653 and this section.

83 For federal elections held after January 1, 2004, this paragraph shall apply in the case of any voter

87 identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck or
88 other government document that shows the name and address of the voter. Such individual who desires
89 to vote in person but who does not show one of the forms of identification specified in this subdivision
90 shall be offered a provisional ballot under the provisions of § 24.2-653. Neither the identification
91 requirements of subsection B of § 24.2-643, nor the identification requirements of subsection A of
92 § 24.2-653, shall apply to such voter at that election. The State Board of Elections shall provide
93 instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to
94 subsection B of § 24.2-653 and this section.
