The Fund shall be established on the books of the Comptroller and any funds remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. After transferring moneys from the Fund to the Department of Taxation to pay for the direct costs of administering this chapter, the moneys in the Fund shall be allocated to the Commonwealth's counties, cities, and towns, and distributed in accordance with subsection C, after the payment (i) for the telephone relay service center is made to the Department ~~of~~ *for the Deaf and Hard-of-Hearing* in accordance with the provisions of § 51.5-115 and, (ii) of any franchise fee amount due to localities in accordance with any cable franchise in effect as of January 1, 2007, and (iii) *after an amount equal to the health benefits portion for local employees is deposited annually into the Line of Duty Death and Health Benefits Fund established pursuant to § 9.1-400.1.*

B. The localities' share of the net revenue distributable under this section among the counties, cities, and towns shall be apportioned by the Tax Commissioner and distributed as soon as practicable after the

An amount equal to the total franchise fee paid to each locality with a cable franchise existing on the effective date of this section at the rate in existence on January 1, 2007, shall be subtracted from the amount owed to such locality prior to the distribution of moneys from the Fund.

Counties, cities, and towns are authorized to request such ruling. The Tax Commissioner shall issue no such ruling changing the current distribution in favor of a county, city, or town unless the county, city, or town provides evidence to the Tax Commissioner that it had collected telecommunications and television cable funds (local consumer utility tax on landlines and wireless, E-911, business license tax in excess of 0.5 percent, cable franchise fee, video programming excise tax, local consumer utility tax on cable television) in fiscal year 2006 from local tax rates adopted on or before January 1, 2006.

D. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Communications Sales and Use Tax Trust Fund.
