The Board may grant the following licenses relating to beer:

Brewery licenses, which shall authorize the licensee to manufacture beer and to sell and deliver or ship the beer so manufactured, in accordance with Board regulations, in closed containers to (i) persons licensed to sell the beer at wholesale; (ii) persons licensed to sell beer at retail for the purpose of resale within a theme or amusement park owned and operated by the brewery or a parent, subsidiary or a company under common control of such brewery, or upon property of such brewery or a parent, subsidiary or a company under common control of such brewery contiguous to such premises, or in a development contiguous to such premises owned and operated by such brewery or a parent, subsidiary or a company under common control of such brewery; and (iii) persons outside the Commonwealth for resale outside the Commonwealth. Such license shall also authorize the licensee to sell at retail the brands of beer that the brewery owns at premises described in the brewery license for on-premises consumption and in closed containers for off-premises consumption.

Such license may also authorize individuals holding a brewery license to (a) operate a facility designed for and utilized exclusively for the education of persons in the manufacture of beer, including sampling by such individuals of beer products, within a theme or amusement park located upon the premises occupied by such brewery, or upon property of such person contiguous to such premises, or in a development contiguous to such premises owned and operated by such person or a wholly owned subsidiary or (b) offer samples of the brewery's products to individuals visiting the licensed premises, provided that such samples shall be provided only to individuals for consumption on the premises of such facility or licensed premises and only to individuals to whom such products may be lawfully sold.

The licensed premises shall be limited to the portion of the farm on which agricultural products, including barley, other grains, hops, or fruit, used by such brewery in the manufacture of its beer are grown and that is contiguous to the premises of such brewery where the beer is manufactured, exclusive of any residence and the curtilage thereof. However, the Board may, with notice to the local governing body in accordance with the provisions of § 4.1-230, also approve other portions of the farm to be included as part of the licensed premises.*

*Limited brewery licensees shall be treated as breweries for all purposes of this title except as otherwise provided in this subdivision.*

A. *It is the policy of the Commonwealth to preserve the economic vitality of the Virginia beer industry while maintaining appropriate land use authority to protect the health, safety, and welfare of the citizens of the Commonwealth and to permit the reasonable expectation of uses in specific zoning categories. Local restriction upon such activities and public events of breweries licensed pursuant to subdivision 2 of § 4.1-208 to market and sell their products shall be reasonable and shall take into account the economic impact on such licensed brewery of such restriction, the agricultural nature of such activities and events, and whether such activities and events are usual and customary for such licensed breweries. Usual and customary activities and events at such licensed breweries shall be*

permitted unless there is a substantial impact on the health, safety, or welfare of the public. No local ordinance regulating noise, other than outdoor amplified music, arising from activities and events at such licensed breweries shall be more restrictive than that in the general noise ordinance. In authorizing outdoor amplified music at such licensed brewery, the locality shall consider the effect on adjacent property owners and nearby residents.

B. No locality shall regulate any of the following activities of a brewery licensed under subdivision 2 of § 4.1-208:

1. The production and harvesting of barley, other grains, hops, fruit, or other agricultural products and the manufacturing of beer;

2. The on-premises sale, tasting, or consumption of beer during regular business hours within the normal course of business of such licensed brewery;

3. The direct sale and shipment of beer in accordance with Title 4.1 and regulations of the Alcoholic Beverage Control Board;

4. The sale and shipment of beer to licensed wholesalers and out-of-state purchasers in accordance with Title 4.1, regulations of the Alcoholic Beverage Control Board, and federal law;

5. The storage and warehousing of beer in accordance with Title 4.1, regulations of the Alcoholic Beverage Control Board, and federal law; or

6. The sale of beer-related items that are incidental to the sale of beer.

C. Any locality may exempt any brewery licensed in accordance with subdivision 2 of § 4.1-208 on land zoned agricultural from any local regulation of minimum parking, road access, or road upgrade requirements.
