59 shall be (i) fined an additional minimum of \$500 and not more than \$1,000 and (ii) sentenced to a
60 mandatory minimum period of confinement of five days.

61 E. For the purpose of determining the number of offenses committed by, and the punishment
62 appropriate for, a person under this section, an adult conviction of any person, or finding of guilty in the
63 case of a juvenile, under the following shall be considered a conviction of § 18.2-266: (i) the provisions
64 of § 18.2-36.1 or the substantially similar laws of any other state or of the United States, (ii) the
65 provisions of §§ 18.2-51.4, 18.2-266, former § 18.1-54 (formerly § 18-75), the ordinance of any county,
66 city or town in this Commonwealth or the laws of any other state or of the United States substantially
67 similar to the provisions of § 18.2-51.4, or § 18.2-266, or (iii) the provisions of subsection A of

73 or fine upon conviction of a third or subsequent offense.

74 **§ 18.2-270.1. Ignition interlock systems; penalty.**

75 A. For purposes of this section and § 18.2-270.2:

76 "Commission" means the Commission on VASAP.

77 "Department" means the Department of Motor Vehicles.

78 "Ignition interlock system" means a device that (i) connects a motor vehicle ignition system to an
79 analyzer that measures a driver's blood alcohol content; (ii) prevents a motor vehicle ignition from
80 starting if a driver's blood alcohol content exceeds 0.02 percent; and (iii) is equipped with the ability to
81 perform a rolling retest and to electronically log the blood alcohol content during ignition, attempted
82 ignition and rolling retest.

83 "Rolling retest" means a test of the vehicle operator's blood alcohol content required at random
84 intervals during operation of the vehicle, which triggers the sounding of the horn and flashing of lights
85 if (i) the test indicates that the operator has a blood alcohol content which exceeds 0.02 percent or (ii)
86 the operator fails to take the test.

87 B. In addition to any penalty provided by law for a conviction under § 18.2-51.4 or 18.2-266 or a
88 substantially similar ordinance of any county, city or town, any court of proper jurisdiction shall, as a
89 condition of a restricted license, prohibit an offender from operating a motor vehicle that is not equipped
90 with a functioning, certified ignition interlock system for any period of time not to exceed the period of
91 license suspension and restriction, not less than six consecutive months without alcohol-related violations
92 of the interlock requirements. The court shall, for a conviction under § 18.2-51.4, a second or
93 subsequent offense of § 18.2-266 or a substantially similar ordinance of any county, city or town, or as
94 a condition of license restoration pursuant to subsection C of § 18.2-271.1 or § 46.2-391, require that
95 such a system be installed on each motor vehicle, as defined in § 46.2-100, owned by or registered to
96 the offender, in whole or in part, for such period of time. Such condition shall be in addition to any
97 purposes for which a restricted license may be issued pursuant to § 18.2-271.1. The court may order the
98 installation of an ignition interlock system to commence immediately upon conviction. A fee of \$20 to
99 cover court and administrative costs related to the ignition interlock system shall be paid by any such
100 offender to the clerk of the court. The court shall require the offender to install an electronic log device
101 with the ignition interlock system on a vehicle designated by the court to measure the blood alcohol
102 content at each attempted ignition and random rolling retest during operation of the vehicle. The
103 offender shall be enrolled in and supervised by an alcohol safety action program pursuant to
104 § 18.2-271.1 and to conditions established by regulation under § 18.2-270.2 by the Commission during
105 the period for which the court has ordered installation of the ignition interlock system. The offender
106 shall be further required to provide to such program, at least quarterly during the period of court ordered
107 ignition interlock installation, a printout from such electronic log indicating the offender's blood alcohol
108 content during such ignitions, attempted ignitions, and rolling retests, and showing attempts to
109 circumvent or tamper with the equipment.

110 C. In any case in which the court requires the installation of an ignition interlock system, the court
111 shall order the offender not to operate any motor vehicle that is not equipped with such a system for the
112 period of time that the interlock restriction is in effect. The clerk of the court shall file with the
113 Department of Motor Vehicles a copy of the order, which shall become a part of the offender's
114 operator's license record maintained by the Department. The Department shall issue to the offender for
115 the period during which the interlock restriction is imposed a restricted license which shall appropriately
116 set forth the restrictions required by the court under this subsection and any other restrictions imposed
117 upon the offender's driving privilege, and shall also set forth any exception granted by the court under
118 subsection F.

119 D. The offender shall be ordered to provide the appropriate ASAP program, within 30 days of the
120 effective date of the order of court, proof of the installation of the ignition interlock system. The

Program shall require the offender to have the system monitored and calibrated for proper operation at least every 30 days by an entity approved by the Commission under the provisions of § 18.2-270.2 and to demonstrate proof thereof. The offender shall pay the cost of leasing or buying and monitoring and maintaining the ignition interlock system. Absent good cause shown, the court may revoke the offender's driving privilege for failing to (i) timely install such system or (ii) have the system properly monitored and calibrated.

E. No person shall start or attempt to start a motor vehicle equipped with an ignition interlock system for the purpose of providing an operable motor vehicle to a person who is prohibited under this section from operating a motor vehicle that is not equipped with an ignition interlock system. No person shall tamper with, or in any way attempt to circumvent the operation of, an ignition interlock system that has been installed in the motor vehicle of a person under this section. Except as authorized in subsection G, no person shall knowingly furnish a motor vehicle not equipped with a functioning ignition interlock system to any person prohibited under subsection B from operating any motor vehicle which is not equipped with such system. A violation of this subsection is punishable as a Class 1 misdemeanor.

F. Any person prohibited from operating a motor vehicle under subsection B may, solely in the course of his employment, operate a motor vehicle which is owned or provided by his employer without installation of an ignition interlock system, if the court expressly permits such operation as a condition of a restricted license at the request of the employer, but such person may not operate a school bus, school vehicle, or a commercial motor vehicle as defined in § 46.2-341.4. This subsection shall not apply if such employer is an entity wholly or partially owned or controlled by the person otherwise prohibited from operating a vehicle without an ignition interlock system.

G. The Commission shall promulgate such regulations and forms as are necessary to implement the procedures outlined in this section.

§ 18.2-271.1. Probation, education and rehabilitation of person charged or convicted; person convicted under law of another state.

A. Any person convicted of a first or second offense of § 18.2-266 (i), (ii), (iii), ~~or~~ (iv), or (v) or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, shall be required by court order, as a condition of probation or otherwise, to enter into and successfully complete an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district upon such terms and conditions as the court may set forth. However, upon motion of a person convicted of any such offense following an assessment of the person conducted by an alcohol safety action program, the court, for good cause, may decline to order participation in such a program if the assessment by the alcohol safety action program indicates that intervention is not appropriate for such person. In no event shall such persons be permitted to enter any such program which is not certified as meeting minimum standards and criteria established by the Commission on the Virginia Alcohol Safety Action Program (VASAP) pursuant to ~~subsection H of this section and to § 18.2-271.2.~~ However, any person charged with a violation of a first or second offense of ~~§ 18.2-266 clause~~ (i), (ii), (iii), ~~or~~ (iv), or (v) of § 18.2-266 or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, may, at any time prior to trial, enter into an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district. Any person who enters into such program prior to trial may pre-qualify with the program to have an ignition interlock system installed on any motor vehicle owned or operated by him. However, no ignition interlock company shall install an ignition interlock system on any such vehicle until a court issues to the person a restricted license with the ignition interlock restriction.

B. The court shall require the person entering such program under the provisions of this section to pay a fee of no less than \$250 but no more than \$300. A reasonable portion of such fee, as may be determined by the Commission on VASAP, but not to exceed 10 percent, shall be forwarded monthly to be deposited with the State Treasurer for expenditure by the Commission on VASAP, and the balance shall be held in a separate fund for local administration of driver alcohol rehabilitation programs. Upon a positive finding that the defendant is indigent, the court may reduce or waive the fee. In addition to the costs of the proceeding, fees as may reasonably be required of defendants referred for intervention under any such program may be charged.

C. Upon conviction of a violation of § 18.2-266 or any ordinance of a county, city or town similar to the provisions thereof, or subsection A of § 46.2-341.24, the court shall impose the sentence authorized by § 18.2-270 or 46.2-341.28 and the license revocation as authorized by § 18.2-271. In addition, if the conviction was for a second offense committed within less than 10 years after a first such offense, the court shall order that restoration of the person's license to drive be conditioned upon the installation of an ignition interlock system on each motor vehicle, as defined in § 46.2-100, owned by or registered to the person, in whole or in part, for a period of six months beginning at the end of the three year license

182 revocation, unless such a system has already been installed for six months prior to that time pursuant to
183 a restricted license order under subsection E of this section. Upon a finding that a person so convicted is
184 required to participate in the program described herein, the court shall enter the conviction on the
185 warrant, and shall note that the person so convicted has been referred to such program. The court may
186 then proceed to issue an order in accordance with subsection E of this section, if the court finds that the
187 person so convicted is eligible for a restricted license. If the court finds good cause for a person not to
188 participate in such program or subsequently that such person has violated, without good cause, any of
189 the conditions set forth by the court in entering the program, the court shall dispose of the case as if no
190 program had been entered, in which event the revocation provisions of § 46.2-389 and subsection A of
191 § 46.2-391 shall be applicable to the conviction. The court shall, upon final disposition of the case, send
192 a copy of its order to the Commissioner of the Department of Motor Vehicles. If such order provides for
193 the issuance of a restricted license, the Commissioner of the Department of Motor Vehicles, upon receipt
194 thereof, shall issue a restricted license. Appeals from any such disposition shall be allowed as provided
195 by law. The time within which an appeal may be taken shall be calculated from the date of the final
196 disposition of the case or any motion for rehearing, whichever is later.

197 D. Any person who has been convicted in another state of the violation of a law of such state
198 substantially similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24, and whose
199 privilege to operate a motor vehicle in this Commonwealth is subject to revocation under the provisions
200 of § 46.2-389 and subsection A of § 46.2-391, may petition the general district court of the county or
201 city in which he resides that he be given probation and assigned to a program as provided in subsection
202 A of this section and that, upon entry into such program, he be issued an order in accordance with
203 subsection E of this section. If the court finds that such person would have qualified therefor if he had
204 been convicted in this Commonwealth of a violation of § 18.2-266 or subsection A of § 46.2-341.24, the
205 court may grant the petition and may issue an order in accordance with subsection E of this section as
206 to the period of license suspension or revocation imposed pursuant to § 46.2-389 or subsection A of
207 § 46.2-391. Such order shall be conditioned upon the successful completion of a program by the
208 petitioner. If the court subsequently finds that such person has violated any of the conditions set forth by
209 the court, the court shall dispose of the case as if no program had been entered and shall notify the
210 Commissioner, who shall revoke the person's license in accordance with the provisions of § 46.2-389 or
211 subsection A of § 46.2-391. A copy of the order granting the petition or subsequently revoking or
212 suspending such person's license to operate a motor vehicle shall be forthwith sent to the Commissioner
213 of the Department of Motor Vehicles.

214 No period of license suspension or revocation shall be imposed pursuant to this subsection which,
215 when considered together with any period of license suspension or revocation previously imposed for the
216 same offense in any state, results in such person's license being suspended for a period in excess of the
217 maximum periods specified in this subsection.

218 E. Except as otherwise provided herein, whenever a person enters a certified program pursuant to this
219 section, and such person's license to operate a motor vehicle, engine or train in the Commonwealth has
220 been suspended or revoked, the court may, in its discretion and for good cause shown, provide that such
221 person be issued a restricted permit to operate a motor vehicle for any of the following purposes: (i)
222 travel to and from his place of employment; (ii) travel to and from an alcohol rehabilitation or safety
223 action program; (iii) travel during the hours of such person's employment if the operation of a motor
224 vehicle is a necessary incident of such employment; (iv) travel to and from school if such person is a
225 student, upon proper written verification to the court that such person is enrolled in a continuing
226 program of education; (v) travel for health care services, including medically necessary transportation of
227 an elderly parent or, as designated by the court, any person residing in the person's household with a
228 serious medical problem upon written verification of need by a licensed health professional; (vi) travel
229 necessary to transport a minor child under the care of such person to and from school, day care, and
230 facilities housing medical service providers; (vii) travel to and from court-ordered visitation with a child
231 of such person; (viii) travel to a screening, evaluation and education program entered pursuant to
232 § 18.2-251 or subsection H of § 18.2-258.1; (ix) travel to and from court appearances in which he is a
233 subpoenaed witness or a party and appointments with his probation officer and to and from any
234 programs required by the court or as a condition of probation; (x) travel to and from a place of religious
235 worship one day per week at a specified time and place; (xi) travel to and from appointments approved
236 by the Division of Child Support Enforcement of the Department of Social Services as a requirement of
237 participation in a court-ordered intensive case monitoring program for child support for which the
238 participant maintains written proof of the appointment, including written proof of the date and time of
239 the appointment, on his person; (xii) travel to and from jail to serve a sentence when such person has
240 been convicted and sentenced to confinement in jail and pursuant to § 53.1-131.1 the time to be served
241 is on weekends or nonconsecutive days; or (xiii) travel to and from the facility that installed or monitors
242 the ignition interlock in the person's vehicle. No restricted license issued pursuant to this subsection shall
243 permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's

License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license to operate a motor vehicle to be disposed of in accordance with the provisions of § 46.2-398 and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection, which shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to the person so convicted who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, if the order provides for a restricted license for that time period. A copy of such order and, after receipt thereof, the restricted license shall be carried at all times while operating a motor vehicle. Any person who operates a motor vehicle in violation of any restrictions imposed pursuant to this section shall be guilty of a violation of § 18.2-272. Such restricted license shall be conditioned upon enrollment within 15 days in, and successful completion of, a program as described in subsection A of this section. No restricted license shall be issued during the first four months of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within 10 years of a first such offense. No restricted license shall be issued during the first year of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within five years of a first such offense. No restricted license shall be issued during any revocation period imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391. Notwithstanding the provisions of § 46.2-411, the fee charged pursuant to § 46.2-411 for reinstatement of the driver's license of any person whose privilege or license has been suspended or revoked as a result of a violation of § 18.2-266, subsection A of § 46.2-341.24 or of any ordinance of a county, city or town, or of any federal law or the laws of any other state similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24 shall be \$105. Forty dollars of such reinstatement fee shall be retained by the Department of Motor Vehicles as provided in § 46.2-411, \$40 shall be transferred to the Commission on VASAP, and \$25 shall be transferred to the Commonwealth Neurotrauma Initiative Trust Fund.

F. The court shall have jurisdiction over any person entering such program under any provision of this section until such time as the case has been disposed of by either successful completion of the program, or revocation due to ineligibility or violation of a condition or conditions imposed by the court, whichever shall first occur. Revocation proceedings shall be commenced by notice to show cause why the court should not revoke the privilege afforded by this section. Such notice shall be made by first-class mail to the last known address of such person, and shall direct such person to appear before the court in response thereto on a date contained in such notice, which shall not be less than 10 days from the date of mailing of the notice. Failure to appear in response to such notice shall of itself be grounds for revocation of such privilege. Notice of revocation under this subsection shall be sent forthwith to the Commissioner of the Department of Motor Vehicles.

G. For the purposes of this section, any court which has convicted a person of a violation of § 18.2-266, subsection A of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 shall have continuing jurisdiction over such person during any period of license revocation related to that conviction, for the limited purposes of (i) referring such person to a certified alcohol safety action program, (ii) providing for a restricted permit for such person in accordance with the provisions of subsection E, and (iii) imposing terms, conditions and limitations for actions taken pursuant to clauses (i) and (ii), whether or not it took either such action at the time of the conviction. This continuing jurisdiction is subject to the limitations of subsection E that provide that no restricted license shall be issued during a revocation imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391 or during the first four months or first year, whichever is applicable, of the revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391. The provisions of this subsection shall apply to a person convicted of a violation of § 18.2-266, subsection A of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 on, after and at any time prior to July 1, 2003.

H. The State Treasurer, the Commission on VASAP or any city or county is authorized to accept any gifts or bequests of money or property, and any grant, loan, service, payment or property from any source, including the federal government, for the purpose of driver alcohol education. Any such gifts, bequests, grants, loans or payments shall be deposited in the separate fund provided in subsection B.

I. The Commission on VASAP, or any county, city, town, or any combination thereof may establish and, if established, shall operate, in accordance with the standards and criteria required by this subsection, alcohol safety action programs in connection with highway safety. Each such program shall operate under the direction of a local independent policy board chosen in accordance with procedures approved and promulgated by the Commission on VASAP. Local sitting or retired district court judges who regularly hear or heard cases involving driving under the influence and are familiar with their local alcohol safety action programs may serve on such boards. The Commission on VASAP shall establish

minimum standards and criteria for the implementation and operation of such programs and shall establish procedures to certify all such programs to ensure that they meet the minimum standards and criteria stipulated by the Commission. The Commission shall also establish criteria for the administration of such programs for public information activities, for accounting procedures, for the auditing requirements of such programs and for the allocation of funds. Funds paid to the Commonwealth hereunder shall be utilized in the discretion of the Commission on VASAP to offset the costs of state programs and local programs run in conjunction with any county, city or town and costs incurred by the Commission. The Commission shall submit an annual report as to actions taken at the close of each calendar year to the Governor and the General Assembly.

J. Notwithstanding any other provisions of this section or of § 18.2-271, nothing in this section shall permit the court to suspend, reduce, limit, or otherwise modify any disqualification from operating a commercial motor vehicle imposed under the provisions of the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

§ 46.2-391.01. Administrative enforcement of ignition interlock requirements.

If the court, as a condition of license restoration or as a condition of a restricted license under subsection C of § 18.2-271.1 or § 46.2-391, *or when required by § 18.2-270.1*, fails to prohibit an offender from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system ~~upon the offender's conviction of a second or subsequent offense under § 18.2-51.4 or § 18.2-266 or a substantially similar ordinance of any county, city or town,~~ the Commissioner shall enforce the requirements relating to installation of such systems in accordance with the provisions of § 18.2-270.1.

§ 46.2-391.2. Administrative suspension of license or privilege to operate a motor vehicle.

A. If a breath *or blood* test is taken pursuant to § 18.2-268.2 or any similar ordinance and (i) the results show a blood alcohol content of 0.08 percent or more by weight by volume or 0.08 grams or more per 210 liters of breath, or (ii) the results, for persons under 21 years of age, show a blood alcohol concentration of 0.02 percent or more by weight by volume or 0.02 grams or more per 210 liters of breath or (iii) the person refuses to submit to the breath *or blood* test in violation of § 18.2-268.3 or any similar ordinance, and upon issuance of a petition or summons, or upon issuance of a warrant by the magistrate, for a violation of § 18.2-51.4, 18.2-266, or 18.2-266.1, or any similar ordinance, or upon the issuance of a warrant or summons by the magistrate or by the arresting officer at a medical facility for a violation of § 18.2-268.3, or any similar ordinance, the person's license shall be suspended immediately or in the case of (i) an unlicensed person, (ii) a person whose license is otherwise suspended or revoked, or (iii) a person whose driver's license is from a jurisdiction other than the Commonwealth, such person's privilege to operate a motor vehicle in the Commonwealth shall be suspended immediately. The period of suspension of the person's license or privilege to drive shall be seven days, unless the petition, summons or warrant issued charges the person with a second or subsequent offense. If the person is charged with a second offense the suspension shall be for 60 days. If not already expired, the period of suspension shall expire on the day and time of trial of the offense charged on the petition, summons or warrant, except that it shall not so expire during the first seven days of the suspension. If the person is charged with a third or subsequent offense, the suspension shall be until the day and time of trial of the offense charged on the petition, summons or warrant.

A law-enforcement officer, acting on behalf of the Commonwealth, shall serve a notice of suspension personally on the arrested person. When notice is served, the arresting officer shall promptly take possession of any driver's license held by the person and issued by the Commonwealth and shall promptly deliver it to the magistrate. Any driver's license taken into possession under this section shall be forwarded promptly by the magistrate to the clerk of the general district court or, as appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made together with any petition, summons or warrant, the results of the breath *or blood* test, if any, and the report required by subsection B. A copy of the notice of suspension shall be forwarded forthwith to both (a) the general district court or, as appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made and (b) the Commissioner. Transmission of this information may be made by electronic means.

The clerk shall promptly return the suspended license to the person at the expiration of the suspension. Whenever a suspended license is to be returned under this section or § 46.2-391.4, the person may elect to have the license returned in person at the clerk's office or by mail to the address on the person's license or to such other address as he may request.

B. Promptly after arrest and service of the notice of suspension, the arresting officer shall forward to the magistrate a sworn report of the arrest that shall include (i) information which adequately identifies the person arrested and (ii) a statement setting forth the arresting officer's grounds for belief that the person violated § 18.2-51.4, 18.2-266, or 18.2-266.1, or a similar ordinance or refused to submit to a breath *or blood* test in violation of § 18.2-268.3 or a similar ordinance. The report required by this subsection shall be submitted on forms supplied by the Supreme Court.

367 C. Any person whose license or privilege to operate a motor vehicle has been suspended under
368 subsection A may, during the period of the suspension, request the general district court or, as
369 appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made to
370 review that suspension. The court shall review the suspension within the same time period as the court
371 hears an appeal from an order denying bail or fixing terms of bail or terms of recognizance, giving this
372 matter precedence over all other matters on its docket. If the person proves to the court by a
373 preponderance of the evidence that the arresting officer did not have probable cause for the arrest, that
374 the magistrate did not have probable cause to issue the warrant, or that there was not probable cause for
375 issuance of the petition, the court shall rescind the suspension, or that portion of it that exceeds seven
376 days if there was not probable cause to charge a second offense or 60 days if there was not probable
377 cause to charge a third or subsequent offense, and the clerk of the court shall forthwith, or at the
378 expiration of the reduced suspension time, (i) return the suspended license, if any, to the person unless
379 the license has been otherwise suspended or revoked, (ii) deliver to the person a notice that the
380 suspension under § 46.2-391.2 has been rescinded or reduced, and (iii) forward to the Commissioner a
381 copy of the notice that the suspension under § 46.2-391.2 has been rescinded or reduced. Otherwise, the
382 court shall affirm the suspension. If the person requesting the review fails to appear without just cause,
383 his right to review shall be waived.

384 The court's findings are without prejudice to the person contesting the suspension or to any other
385 potential party as to any proceedings, civil or criminal, and shall not be evidence in any proceedings,
386 civil or criminal.

387 D. If a person whose license or privilege to operate a motor vehicle is suspended under subsection A
388 is convicted under § 18.2-36.1, 18.2-51.4, 18.2-266, or 18.2-266.1, or any similar ordinance during the
389 suspension imposed by subsection A, and if the court decides to issue the person a restricted permit
390 under subsection E of § 18.2-271.1, such restricted permit shall not be issued to the person before the
391 expiration of the first seven days of the suspension imposed under subsection A.
