A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a form to be provided by the Department of State Police, to have the dealer obtain criminal history record information. Such form shall include only the written consent; the name, birth date, gender, race, citizenship, and social security number and/or any other identification number; the number of firearms by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the following questions: (i) has the applicant been convicted of a felony offense or found guilty or adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner, or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3 or any substantially similar law of any other jurisdiction.

B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other person who is a resident of Virginia until he has (i) obtained written consent and the other information on the consent form specified in subsection A, and provided the Department of State Police with the name, birth date, gender, race, citizenship, and social security and/or any other identification number and the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested criminal history record information by a telephone call to or other communication authorized by the State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish personal identification and residence in Virginia for purposes of this section, a dealer must require any prospective purchaser to present one photo-identification form issued by a governmental agency of the Commonwealth or by the United States Department of Defense, and other documentation of residence. Except where the photo-identification was issued by the United States Department of Defense, the other documentation of residence shall show an address identical to that shown on the photo-identification form, such as evidence of currently paid personal property tax or real estate tax, or a current (a) lease, (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile registration, or (g) hunting or fishing license; other current identification allowed as evidence of residency by Part 178.124 of Title 27 of the Code of Federal Regulations and ATF Ruling 2001-5; or other documentation of residence determined to be acceptable by the Department of Criminal Justice Services, that corroborates that the prospective purchaser currently resides in Virginia. 62 license was more than 30 days prior to the attempted purchase.

63 In addition, no dealer shall sell, rent, trade or transfer from his inventory any assault firearm to any  
64 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent

73 Upon receipt of the request for a criminal history record information check, the State Police shall (1)  
74 review its criminal history record information to determine if the buyer or transferee is prohibited from  
75 possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates  
76 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number  
77 for that inquiry.

78 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or  
79 by return call without delay. If the criminal history record information check indicates the prospective  
80 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity  
81 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,  
82 *or is otherwise prohibited from possessing or transporting a firearm pursuant to state or federal law,*  
83 the State Police shall have until the end of the dealer's next business day to advise the dealer if its  
84 records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state  
85 or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled  
86 the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be  
87 deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or  
88 other circumstances beyond the control of the State Police, the dealer shall be advised immediately of  
89 the reason for such delay and be given an estimate of the length of such delay. After such notification,  
90 the State Police shall, as soon as possible but in no event later than the end of the dealer's next business  
91 day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from  
92 possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of  
93 subdivision 1 and is told by the State Police that a response will not be available by the end of the  
94 dealer's next business day may immediately complete the sale or transfer and shall not be deemed in  
95 violation of this section with respect to such sale or transfer.

96 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer

98 months, from any dealer's request for a criminal history record information check pertaining to a buyer  
99 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or  
100 federal law. However, the log on requests made may be maintained for a period of 12 months, and such  
101 log shall consist of the name of the purchaser, the dealer identification number, the unique approval  
102 number and the transaction date.

103 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or  
104 deliver the written consent form required by subsection A to the Department of State Police. The State  
105 Police shall immediately initiate a search of all available criminal history record information to  
106 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal  
107 law. If the search discloses information indicating that the buyer or transferee is so prohibited from  
108 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in  
109 the jurisdiction where the sale or transfer occurred and the dealer without delay.

110 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by

114 photo-identification form issued by a governmental agency of the person's state of residence and one  
115 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

119 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of  
120 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the

Department of State Police a report indicating that a search of all available criminal history record information has not disclosed that the person is prohibited from possessing or transporting a firearm under state or federal law. The dealer shall obtain the required report by mailing or delivering the written consent form required under subsection A to the State Police within 24 hours of its execution. If the dealer has complied with the provisions of this subsection and has not received the required report from the State Police within 10 days from the date the written consent form was mailed to the Department of State Police, he shall not be deemed in violation of this section for thereafter completing the sale or transfer.

D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check through the dealer as provided in subsection C.
