SENATE BILL NO. 663

Offered January 17, 2014

A BILL to create a community college mental health services pilot program.

Patron—Ebbin

Referred to Committee on Education and Health

Be it enacted by the General Assembly of Virginia:

1. § 1. With such funds as may be appropriated for this purpose beyond the Virginia Community College System's (System) existing budget, the System shall create a pilot program whereby it (i) establishes a plan or (ii) contracts with community groups or (iii) both to provide mental health services to uninsured students and such other students as the System may identify at eight community college campuses in the Commonwealth, as determined by the System. A central program manager shall supervise the program.

2. That the provision of mental health services pursuant to the pilot program created by this act shall continue (i) through June 30, 2016, or (ii) until funds are no longer available to carry out the provisions of this act, whichever occurs sooner.
