**4. Title:** Dumping of menhaden.

**5. Summary:** Requires commercial fishermen to report any release, disposal, or dumping of more than 2,000 harvested menhaden to the Commissioner of the Marine Resources Commission. The commercial fisherman is also responsible for cleaning up any menhaden that wash onto the abutting shorelines. Any commercial fisherman who violates any of these provisions will be subject to a civil penalty of \$1,000 for each offense. The proceeds from the civil penalties shall be deposited into the Marine Habitat and Waterways Improvement Fund.

**6. Budget Amendment Necessary:** No.

**7. Fiscal Impact Estimates:** Preliminary. See Item 8, below.

**8. Fiscal Implications:** According to the Marine Resources Commission, this bill may impact agency revenues; however, the magnitude of the impact is indeterminate at this time.
