4. Title: Commissioner may condition approval of a certificate of public need

5. Summary: This bill allows the Commissioner of Health to condition the approval of a certificate of public need upon an agreement of the applicant to support charitable organizations that specifically target providing health care aid to disabled veterans and that have a memorandum of understanding with the department to meet specific unmet or partially unmet community health needs identified by the department.

7. Fiscal Impact Estimates: No.

8. Fiscal Implications: This bill would have no fiscal impact on the Commonwealth. The bill amends language in the Code of Virginia to include the ability to condition a certificate of public need if the applicant supports charitable organizations that specifically target providing health care aid to disabled veterans. Therefore, no budget amendment is necessary.

9. Specific Agency or Political Subdivisions Affected: Department of Health.

10. Technical Amendment Necessary: No.

11. Other Comments: No.
