3. Committee: Passed both houses

4. Title: Immigration status of prisoners

5. Summary:

Current law requires the directors, sheriffs, other persons in charge of correctional facilities to inquire into the U.S. citizenship and immigration status of any persons committed to their facilities. Furthermore, the law directs sheriffs or other persons in charge of jails to communicate to the Local Inmate Data System of the State Compensation Board the results of any immigration alien query. The proposed legislation would narrow this latter requirement to notification of only those queries that confirm that the committed person is illegally present in the United States.

7. Fiscal Impact Estimates: Final. No fiscal impact is expected.
