entities, a hotel, campground, and summer camp plan and specification review fee, not to exceed \$40.00, a restaurant plan and specification review fee, not to exceed \$40.00, an annual hotel, campground, and summer camp permit renewal fee, not to exceed \$40.00, and an annual restaurant permit renewal fee, not to exceed \$40.00 to be collected from all establishments, except K-12 public schools, that are subject to inspection by the Department of Health pursuant to §§ 35.1-13, 35.1-14, 35.1-16, and 35.1-17, Code of Virginia. However, any such establishment that is subject to any health permit fee, application fee, inspection fee, risk assessment fee or similar fee imposed by any locality as of January 1, 2002, shall be subject to this annual permit renewal fee only to the extent that the Department of Health fee and the locally imposed fee, when combined, do not exceed the fee amount listed in this paragraph. This fee structure shall be subject to the approval of the Secretary of Health and Human Resources.

C. Pursuant to the Department of Health's Policy Implementation Manual (#07-01), individuals who participate in a local festival, fair, or other community event where food is sold, shall be exempt from the annual temporary food establishment permit fee of \$40.00 provided the event is held only one time each calendar year and the event takes place within the locality where the individual resides.

D. The State Health Commissioner shall work with public and private dental providers to develop options for delivering dental services in underserved areas, including the use of public-private partnerships in the development and staffing of facilities, the use of dental hygiene and dental students to expand services and enhance learning experiences, and the availability of reimbursement mechanisms and other public and private resources to expand services.

E. The Department of Health shall continue to implement a sustainable preventive model to begin July 1, 2014, except in the Mount Rogers, Western Tidewater, and Norfolk Health districts, and full transition by January 1, 2016. The model shall ensure that (i) trained personnel are in place; (ii) the focus on those areas of the Commonwealth in the most need of these dental services, including those areas with higher risk factors including a concentration of diabetic and free lunch populations and a higher than average Medicaid-eligible population; and (iii) the development of evaluation metrics to assist in ensuring efficient and effective use of funding and services.

F. Out of this appropriation, \$176,929 the first year and \$387,744 the second year from the general fund and \$103,503 the first year and \$267,602 the second year from nongeneral funds is provided to address the cost of leasing or expanding local health department facilities.
