F. "Any offense listed in subsection B," "criminal homicide" as defined in this section, "murder" as defined in this section, and "sexually violent offense" as defined in this section includes (i) any similar offense under the laws of any foreign country or any political subdivision thereof, the United States or any political subdivision thereof or (ii) any offense for which registration in a sex offender and crimes against minors registry is required under the laws of the jurisdiction where the offender was convicted.

G. In making its determination, the court shall consider all of the following factors that are relevant to the case: (i) the degree to which the delinquent act was committed with the use of force, threat or intimidation, (ii) the age and maturity of the complaining witness, (iii) the age and maturity of the offender, (iv) the difference in the ages of the complaining witness and the offender, (v) the nature of the relationship between the complaining witness and the offender, (vi) the offender's prior criminal history, and (vii) any other aggravating or mitigating factors relevant to the case. H. Prior to entering judgment of conviction of an offense for which registration is required if the victim of the offense was a minor, physically helpless, or mentally incapacitated, when the indictment, warrant, or information does not allege that the victim of the offense was a minor, physically helpless, or mentally incapacitated, the court shall determine by a preponderance of the evidence whether the victim of the offense was a minor, physically helpless, or mentally incapacitated, as defined in § 18.2-67.10, and shall also determine the age of the victim at the time of the offense if it determines the victim to be a minor. When such a determination is required, the court shall advise the defendant of its determination and of the defendant's right to make a motion to withdraw a plea of guilty or nolo contendere pursuant to § 19.2-296. If the court grants the defendant's motion to withdraw his plea of guilty or of nolo contendere, his case shall be heard by another judge, unless the parties agree otherwise. Failure to make such determination or so advise the defendant does not otherwise invalidate the underlying conviction.

3. The midpoint of the initial recommended sentencing range for manufacturing, selling, giving or distributing, or possessing with the intent to manufacture, sell, give or distribute a Schedule I or II controlled substance shall be increased by (i) 200 percent in cases in which the defendant has previously been convicted of a violent felony offense punishable by a maximum punishment of less than 40 years or (ii) 400 percent in cases in which the defendant has previously been convicted of a violent felony offense punishable by a maximum term of imprisonment of 40 years or more; and
