Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 23 a chapter numbered 4.03, consisting of sections numbered 23-38.10:14 through 23-38.10:17, as follows:

CHAPTER 4.03.**NEW ECONOMY INDUSTRY CREDENTIAL ASSISTANCE TRAINING GRANTS.****§ 23-38.10:14. Grants for obtaining workforce training credentials.**

A. As used in this chapter, unless the context requires a different meaning:

"Board" means the Virginia Board of Workforce Development.

"Credential" means a certification earned that has been approved by the Board, the passing of a licensure examination, or the passing of an occupational competency assessment.

"Eligible institution" means (i) a Virginia community college, (ii) a private institution certified to operate in Virginia by SCHEV that has made a written election to participate in the grant program under this chapter, or (iii) the Institute for Advanced Learning and Research, New College Institute, Roanoke Higher Education Center, Southern Virginia Higher Education Center, Southwest Virginia Higher Education Center, or Eastern Virginia Medical School.

"Grant" means a New Economy Industry Credential Assistance Training Grant.

"High-demand field" means an area, discipline, or field in which there is a shortage of skilled workers to fill current job vacancies or anticipated additional job openings as determined by the Board in consultation with business and industry representatives and local, regional, and state economic development agencies.

"SCHEV" means the State Council of Higher Education for Virginia.

"Student" means a resident of the Commonwealth who is (i) enrolled in a public or private high school and is participating in a dual enrollment program or (ii) not enrolled in a public or private middle or high school.

B. 1. Any student who (i) has successfully completed a noncredit workforce training program provided or sponsored by an eligible institution as a prerequisite of or in preparation for earning a credential and (ii) subsequently earns the related credential in a high-demand field shall be paid a grant not to exceed an aggregate amount of \$1,000 for the tuition charged for the program, any required textbooks for the program, and the cost of any examination required to earn the credential.

2. Noncredit workforce training programs for which grants may be paid shall include, but are not limited to, programs directly relating to a credential identified in the Virginia Education Wizard and the Virginia Manufacturers Association's "Dream It. Do It. Virginia" career information system.

3. No grant shall be paid to the extent that the student received a scholarship or the student's employer paid or will pay for the noncredit workforce training program, any required textbooks for the program, or the cost of any examination required to earn the credential.

4. A student shall not receive more than one grant for the same or substantially related noncredit workforce training program, including the cost of any examination required to earn a credential.

§ 23-38.10:15. Applications for New Economy Industry Credential Assistance Training Grants.

A. A student who has met the requirements under subdivision B 1 of § 23-38.10:14 for a noncredit workforce training program provided or sponsored by (i) a Virginia community college or (ii) the Institute for Advanced Learning and Research, New College Institute, Roanoke Higher Education Center, Southern Virginia Higher Education Center, Southwest Virginia Higher Education Center, or Eastern Virginia Medical School may apply for a grant from the community college or the institution that provided or sponsored the program. The student shall submit invoices or receipts for the tuition, cost of required textbooks, and examination fees relating to the credential and such other information as reasonably may be required by the community college or the institution. Upon receipt of evidence
