HOUSE BILL NO. 1871

House Amendments in [] — February 6, 2015

A BILL to amend and reenact § 62.1-258 of the Code of Virginia, relating to registration of private wells located in ground water management areas.

Patron Prior to Engrossment—Delegate Bulova

Referred to Committee on Agriculture, Chesapeake and Natural Resources

Be it enacted by the General Assembly of Virginia:

1. That § 62.1-258 of the Code of Virginia is amended and reenacted as follows:

§ 62.1-258. Use of ground water in ground water management area; registration of well construction required.

It shall be is unlawful in a ground water management area for any person to withdraw, attempt to withdraw, or allow the withdrawal of any ground water, other than in accordance with a ground water withdrawal permit or as provided in § 62.1-259, subsections C, D and F of § 62.1-260, and subsection C of § 62.1-261. Each private well, as defined in § 32.1-176.3, constructed in a ground water management area shall be registered by the certified water well systems provider with the Board within 30 days of the completion of the construction. Such registration shall be in a format prescribed by the Board; however, the Board and the Board of Health shall develop joint private well forms and processes. The Department of Health shall provide the Board annually with a list of private wells that have received permits during the previous year. The list shall include each well's characteristics and location. The Board shall provide the Department of Health annually with a list of wells registered during the previous year.

[2. That the Department of Health shall provide the State Water Control Board with all historical records on private well construction permitted by the Department of Health in ground water management areas established pursuant to Chapter 25 (§ 62.1-254 et seq.) of Title 62.1 of the Code of Virginia.]
