§ 2.01. General grant of powers.

The City of Bristol shall have and may exercise all powers which are now or hereafter may be conferred upon or delegated to municipal corporations under the Constitution and laws of the Commonwealth of Virginia as fully and completely as though such powers were specifically enumerated herein. The city shall have as well any powers expressly set forth herein, including the power to provide and operate telecommunication and related services, including without limitation, cable television, Internet, and all other services that might be rendered by use of the city's fiber-optic system; provided further that also the city shall have the power, within and without the city and within or without the Commonwealth of Virginia to provide consulting and management services for the operation of telecommunication services, including without limitation, cable television, Internet, and all other services that might be rendered by use of a fiber-optic system. Nothing in the foregoing provision shall be deemed to have expanded the powers of the city to provide and operate telecommunication and related services, including without limitation, cable television, Internet and all other services that might be rendered by use of the city's fiber-optic system, beyond those limitations and restrictions set forth in §§ 15.2-2108.2, 15.2-2108.3, 15.2-2108.9 through 15.2-2108.17, 15.2-2160, and 56-265.4:4 of the Code of Virginia, which, as amended from time to time, shall continue to be applicable to the city to the extent provided therein. The enumeration of powers in this charter shall not be exclusive or otherwise be construed to limit the powers of the city.

The City hereby expressly relinquishes its powers set forth in this Charter that were transferred to the BVU Authority by the General Assembly's adoption of the BVU Authority Act in Chapter 72 (§ 15.2-7200 et seq.) of Title 15.2 of the Code of Virginia. Any references in this Charter to Bristol Virginia Utility Board or Bristol Virginia Utilities shall mean the BVU Authority.

§ 2.02. Financial powers.

The City of Bristol shall have the following powers relative to its financial affairs:

 58 boards, commissions or other agencies of this city's government as may be provided for elsewhere in
 59 this charter or to be set forth by ordinance or resolution;

60 10. To establish, impose and enforce rates and charges for public utilities, or other services, products
 61 or conveniences which are operated, rendered or furnished by the city including without limitation, water
 62 and sewer rates, and to the extent permitted by law, to regulate the rates for all such services provided
 63 by public service corporations within the city.

64 The city also may assess or cause to be assessed such rates and charges for public utilities, services,
 65 products or conveniences directly against the owner or owners of the buildings or against the proper
 66 tenant or tenants. Where charged against the tenants, the city may, by ordinance, make the owner or
 67 owners directly liable in the event such tenant or tenants fail to pay when the rents or charges are
 68 assessed.

69 Such fees, rents and charges being in the nature of a use or service charge shall, as nearly as the
 70 council shall deem practical and equitable, be uniform for the same type, class and amount of use. In
 71 the case of consumption of water, the rate may be based on actual consumption on or in connection
 72 with the real estate, making due allowances for the commercial use of water, or on the number and kind
 73 of water outlets on or in connection with the real estate or on the number and kind of plumbing or
 74 sewage fixtures or facilities on or in connection with the real estate, or on the average number of
 75 persons residing or working on or otherwise connected or identified with the real estate, or on any other

 81 services therefor in such manner as to require the payment of all charges as a unit and to enforce the
 82 payment of such charges by discontinuing the water service, the sewer service, the electrical service or
 83 all others. In the event that fees, rents and charges charged for furnishing water, or for the use of
 84 services of the sewer disposal system, for furnishing electricity or any other utility in connection with
 85 any real estate shall not be paid when due, a reasonable penalty to be set by the council may at that
 86 time be added thereto; and the owner or tenant, as the case may be, of such real estate shall, until such
 87 fees, rents and charges for the same be paid together with such penalty, cease to use water, to dispose of
 88 sewage or industrial waste by discharge thereof directly or indirectly into the sewage disposal system or
 89 any other utility otherwise being used and furnished by the city. If such owner or tenant shall not have
 90 paid such fees, rents and charges together with such penalty within ten days after the same shall have
 91 become due, the supplier of water, electricity or other utility for the use of such real estate shall cease
 92 supplying same thereto. When the water for the use of such real estate has been shut off, it shall not be
 93 turned on again until the delinquent charges together with the penalty and a reasonable service charge to
 94 be fixed by council for shutting it off and turning it on again has been paid.

95 Such fees, rents, charges and penalty may be recovered by the city, by action at law or suit in
 96 equity. The council may designate a person, persons, board or commission, as the collector and
 97 custodian of all fees, rents and charges payable and paid to the city for public utilities and for other
 98 public services, products or conveniences, provided that any person or persons so designated and
 99 appointed shall keep a correct account of all such receipts and expenditures therefrom and shall take the
 100 oath of office and give bond as required by this charter; and
