A. For purposes of this section, "hybrid retirement program" or "program" means a hybrid retirement program covering any employee in a position covered for retirement purposes under the provisions of Chapter 1 (§ 51.1-124.1 et seq.) for retirement purposes other than the Virginia Retirement System defined benefit retirement plan established under Chapter 1 (§ 51.1-124.1 et seq.). Except as provided in § 51.1-302, persons who are participants in, or eligible to be participants in, the retirement plans under the provisions of Chapter 2 (§ 51.1-200 et seq.), Chapter 2.1 (§ 51.1-211 et seq.), Chapter 3 (§ 51.1-300 et seq.), the optional retirement plans established under §§ 51.1-126.1, 51.1-126.3, 51.1-126.4, and 51.1-126.7, or a person eligible to earn the benefits permitted by § 51.1-138 shall not be eligible to participate in the hybrid retirement program. Every person who is otherwise eligible to participate in the program but is not a member of a retirement plan administered by the Virginia Retirement System the first time he is hired on or after January 1, 2014, in a covered position, shall participate in the hybrid retirement program established by this section.

A person who participates in the otherwise applicable defined benefit retirement plan established by this title and administered by the Virginia Retirement System under this chapter may make an irrevocable election to participate in the hybrid retirement program maintained under this section. Such election shall be exercised no later than April 30, 2014. If an election is not made by April 30, 2014, such employee shall be deemed to have elected not to participate in the hybrid retirement program and shall continue to participate in his current retirement plan.

B. Except as otherwise provided in subsection G:

1. The employer shall make contributions to the defined benefit component of the program in accordance with § 51.1-145.

2. The employer shall make a mandatory contribution to the defined contribution component of the program on behalf of an employee participating in the program in the amount of one percent of creditable compensation, *which shall be made to the appropriate cash match plan established for the employee under § 51.1-608*. In addition, the employer shall make a matching contribution on behalf of the employee based on the employee's voluntary contributions under the defined contribution component of the program to the deferred compensation plan established under § 51.1-602, up to a maximum of 2.5 percent of creditable compensation for the payroll period, as follows: (i) 100 percent of the first one percent of creditable compensation contributed by the employee to the defined contribution component of the program under subdivision C 2 for the payroll period, and (ii) 50 percent of the next three percent of creditable compensation contributed by the employee to the defined contribution component of the program under subdivision C 2 for the payroll period. The matching contribution by the employer shall be made to the appropriate cash match plan established for the employee under § 51.1-608.

3. The total amount contributed by the employer under subdivision 2 shall vest to the employee's benefit according to the following schedule:

- a. Upon completion of two years of continuous participation in the program, 50 percent.
- b. Upon completion of three years of continuous participation in the program, 75 percent.
- c. Upon completion of four years of continuous participation in the program, 100 percent.

If an employee terminates employment with an employer prior to achieving 100 percent vesting, contributions made by an employer on behalf of the employee under subdivision 2 that are not vested, shall be forfeited. The Board may establish a forfeiture account and may specify the uses of the

60 forfeiture account.

61 4. An employee may direct the investment of contributions made by an employer under subdivision
62 B 2.

63 5. No loans or hardship distributions shall be available from contributions made by an employer

72 *established for the employee under § 51.1-608.*

73 2. An employee participating in the hybrid retirement program may also make voluntary
74 contributions to the defined contribution component of the program of up to four percent of creditable
75 compensation or the limit on elective deferrals pursuant to § 457(b) of the Internal Revenue Code,
76 whichever is less. The contribution by the employee shall be made to the appropriate deferred
77 compensation plan established by the employee under § 51.1-602.

78 3. If an employee's voluntary contributions under subdivision C 2 are less than four percent of
79 creditable compensation, the contribution will increase by one-half of one percent, beginning on January
80 1, 2017, and every three years thereafter, until the employee's voluntary contributions under subdivision
81 C 2 reach four percent of creditable compensation. The increase will be effective beginning with the
82 first pay period that begins in such calendar year unless the employee elects not to increase the
83 voluntary contribution in a manner prescribed by the Board.

84 4. No loans or hardship distributions shall be available from contributions made by an employee
85 under this subsection.

86 D. 1. The amount of the service retirement allowance under the defined benefit component of the
87 program shall be governed by § 51.1-155, except that the allowance shall equal one percent of a

98 Chapter 1 (§ 51.1-124.1 et seq.) for such employee.

99 F. 1. The Board shall develop policies and procedures for administering the hybrid retirement
100 program it maintains, including the establishment of guidelines for employee elections and deferrals
101 under the program.

102 2. No employee who is an active member in the hybrid retirement program maintained under this
103 section shall also be an active member of any other optional retirement plan maintained under the
104 provisions of Chapter 1 (§ 51.1-124.1 et seq.).

105 3. If a member of the hybrid retirement program maintained under this section is at any time in

110 defined contribution component of the program if the benefit is being paid in an annuity form under an
111 annuity contract purchased with the member's account balance.

112 4. Any administrative fee imposed pursuant to subdivision A 13 of § 51.1-124.22 on any employer
113 for administering and overseeing the hybrid retirement program maintained under this section shall be
114 charged for each employee participating in such program and shall be for costs incurred by the Virginia

116 5. The creditable compensation for any employee on whose behalf employee or employer
117 contributions are made into the hybrid retirement program shall not exceed the limit on compensation as
118 adjusted by the Commissioner of the Internal Revenue Service pursuant to the transition provisions
119 applicable to eligible participants under state and local governmental plans under § 401(a)(17) of the
120 Internal Revenue Code as amended in 1993 and as contained in § 13212(d)(3) of the Omnibus Budget

All such voluntary contributions by an employee to such 403(b) plan shall be made on a pretax basis. Any such political subdivision of the Commonwealth that so directs shall develop policies and procedures for administering such contributions, subject to and in accordance with applicable federal law and regulations. The policies and procedures shall provide for the administration of:

Loans or hardship distributions for employee voluntary contributions under subdivision C 2 and employer matching contributions corresponding to employee voluntary contributions under subdivision B 2, notwithstanding the prohibitions on such loans or distributions in subdivision B 5 and subdivision C 4.

In all other respects, the political subdivision shall be subject to the provisions of the hybrid retirement program described in this section.

2. The governing body of any political subdivision of the Commonwealth electing to use its 403(b) plan or a local cash match plan as described in subdivision 1 shall adopt a resolution on or before November 1, 2014, and submit such resolution to the Board to notify the Board of its election, which shall be effective January 1, 2015, and shall remain effective for a minimum period of 18 months. Thereafter, the governing body of such political subdivision of the Commonwealth may change its election for its employees no more often than annually by adopting a resolution on or before March 1 of each year notifying the Board of any change in such election, which change shall become effective on July 1.

3. In the case of a 403(b) plan or local cash match plan administered by a political subdivision of the Commonwealth that provides individual accounts permitting an employee or beneficiary to exercise discretion over assets in his account, the political subdivision shall not be liable for any loss resulting from such employee's or beneficiary's (i) investment of voluntary contributions in the political subdivision's 403(b) plan or matching contributions in the political subdivision's 403(b) plan or local cash match plan, (ii) exercise of discretion over the assets in any of his accounts, or (iii) inaction with respect to the assets in any of his accounts that results in such assets being placed in a default investment option selected by the political subdivision, provided that the investment options for the affected individual account and the particular default investment option for such individual account are selected in accordance with subsection A of § 51.1-803, applied mutatis mutandis. Under no circumstances shall the Commonwealth, the Board, employees of the Retirement System, the Investment Advisory Committee of the Retirement System, or any other advisory committee established by the Board bear any liability with respect to any plan or individual account described in this subsection.

4. The provisions of this subsection shall not apply to any political subdivision of the Commonwealth that has entered into an agreement with the Virginia Retirement System pursuant to § 51.1-603.1 or 51.1-611 except with regard to a 403(b) plan.
