4 [S 1265]

5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 37.2-308.1 of the Code of Virginia is amended and reenacted as follows:**8 **§ 37.2-308.1. Acute psychiatric bed registry.**

9 A. The Department shall develop and administer a web-based acute psychiatric bed registry to
10 collect, aggregate, and display information about available acute beds in public and private inpatient
11 psychiatric facilities and public and private residential crisis stabilization units to facilitate the
12 identification and designation of facilities for the temporary detention and treatment of individuals who
13 meet the criteria for temporary detention pursuant to § 37.2-809.

14 B. The acute psychiatric bed registry created pursuant to subsection A shall:

15 1. Include descriptive information for every public and private inpatient psychiatric facility and every
16 public and private residential crisis stabilization unit in the Commonwealth, including contact
17 information for the facility or unit;

18 2. Provide real-time information about the number of beds available at each facility or unit and, for
19 each available bed, the type of patient that may be admitted, the level of security provided, and any
20 other information that may be necessary to allow employees or designees of community services boards
21 and employees of inpatient psychiatric facilities or public and private residential crisis stabilization units
22 to identify appropriate facilities for detention and treatment of individuals who meet the criteria for
23 temporary detention; and

24 3. Allow employees and designees of community services boards, employees of inpatient psychiatric
25 facilities or public and private residential crisis stabilization units, and health care providers as defined
26 in § 8.01-581.1 working in an emergency room of a hospital or clinic or other facility rendering
27 emergency medical care to perform searches of the registry to identify available beds that are
28 appropriate for the detention and treatment of individuals who meet the criteria for temporary detention.

29 C. Every state facility, community services board, behavioral health authority, and private inpatient
30 provider licensed by the Department shall participate in the acute psychiatric bed registry established
31 pursuant to subsection A and shall designate such employees as may be necessary to submit information
32 for inclusion in the acute psychiatric bed registry and serve as a point of contact for addressing requests
33 for information related to data reported to the acute psychiatric bed registry.

34 D. *Every state facility, community services board, behavioral health authority, and private inpatient*
35 *provider licensed by the Department shall update information included in the acute psychiatric bed*
36 *registry whenever there is a change in bed availability for the facility, board, authority, or provider or,*
37 *if no change in bed availability has occurred, at least daily.*

38 E. The Commissioner may enter into a contract with a private entity for the development and
39 administration of the acute psychiatric bed registry established pursuant to subsection A.
