101 A. Any person purchasing from a dealer a firearm as herein defined shall consent in writing, on a
102 form to be provided by the Department of State Police, to have the dealer obtain criminal history record
103 information. Such form shall include only the written consent; the name, birth date, gender, race,
104 citizenship, and social security number and/or any other identification number; the number of firearms
105 by category intended to be sold, rented, traded, or transferred; and answers by the applicant to the
106 following questions: (i) has the applicant been convicted of a felony offense or found guilty or
107 adjudicated delinquent as a juvenile 14 years of age or older at the time of the offense of a delinquent
108 act that would be a felony if committed by an adult; (ii) is the applicant subject to a court order
109 restraining the applicant from harassing, stalking, or threatening the applicant's child or intimate partner,
110 or a child of such partner, or is the applicant subject to a protective order; and (iii) has the applicant
111 ever been acquitted by reason of insanity and prohibited from purchasing, possessing or transporting a
112 firearm pursuant to § 18.2-308.1:1 or any substantially similar law of any other jurisdiction, been
113 adjudicated legally incompetent, mentally incapacitated or adjudicated an incapacitated person and
114 prohibited from purchasing a firearm pursuant to § 18.2-308.1:2 or any substantially similar law of any
115 other jurisdiction, or been involuntarily admitted to an inpatient facility or involuntarily ordered to
116 outpatient mental health treatment and prohibited from purchasing a firearm pursuant to § 18.2-308.1:3
117 or any substantially similar law of any other jurisdiction; and (iv) has the applicant been served with a
118 warrant or is the applicant subject to an order pursuant to § 19.2-60.1.

119 B. 1. No dealer shall sell, rent, trade or transfer from his inventory any such firearm to any other
120 person who is a resident of Virginia until he has (i) obtained written consent and the other information

121 on the consent form specified in subsection A, and provided the Department of State Police with the
 122 name, birth date, gender, race, citizenship, and social security and/or any other identification number and
 123 the number of firearms by category intended to be sold, rented, traded or transferred and (ii) requested
 124 criminal history record information by a telephone call to or other communication authorized by the
 125 State Police and is authorized by subdivision 2 to complete the sale or other such transfer. To establish
 126 personal identification and residence in Virginia for purposes of this section, a dealer must require any
 127 prospective purchaser to present one photo-identification form issued by a governmental agency of the
 128 Commonwealth or by the United States Department of Defense, and other documentation of residence.
 129 Except where the photo-identification was issued by the United States Department of Defense, the other
 130 documentation of residence shall show an address identical to that shown on the photo-identification
 131 form, such as evidence of currently paid personal property tax or real estate tax, or a current (a) lease,
 132 (b) utility or telephone bill, (c) voter registration card, (d) bank check, (e) passport, (f) automobile

 135 other documentation of residence determined to be acceptable by the Department of Criminal Justice
 136 Services, that corroborates that the prospective purchaser currently resides in Virginia. Where the
 137 photo-identification was issued by the Department of Defense, permanent orders assigning the purchaser
 138 to a duty post in Virginia, including the Pentagon, shall be the only other required documentation of
 139 residence. For the purposes of this section and establishment of residency for firearm purchase,
 140 residency of a member of the armed forces shall include both the state in which the member's permanent
 141 duty post is located and any nearby state in which the member resides and from which he commutes to
 142 the permanent duty post. When the photo-identification presented to a dealer by the prospective
 143 purchaser is a driver's license or other photo-identification issued by the Department of Motor Vehicles,
 144 and such identification form contains a date of issue, the dealer shall not, except for a renewed driver's
 145 license or other photo-identification issued by the Department of Motor Vehicles, sell or otherwise
 146 transfer a firearm to the prospective purchaser until 30 days after the date of issue of an original or
 147 duplicate driver's license unless the prospective purchaser also presents a copy of his Virginia
 148 Department of Motor Vehicles driver's record showing that the original date of issue of the driver's
 149 license was more than 30 days prior to the attempted purchase.

150 In addition, no dealer shall sell, rent, trade or transfer from his inventory any assault firearm to any
 151 person who is not a citizen of the United States or who is not a person lawfully admitted for permanent
 152 residence. To establish citizenship or lawful admission for a permanent residence for purposes of
 153 purchasing an assault firearm, a dealer shall require a prospective purchaser to present a certified birth
 154 certificate or a certificate of birth abroad issued by the United States State Department, a certificate of
 155 citizenship or a certificate of naturalization issued by the United States Citizenship and Immigration
 156 Services, an unexpired U.S. passport, a United States citizen identification card, a current voter
 157 registration card, a current selective service registration card, or an immigrant visa or other
 158 documentation of status as a person lawfully admitted for permanent residence issued by the United
 159 States Citizenship and Immigration Services.

160 Upon receipt of the request for a criminal history record information check, the State Police shall (1)
 161 review its criminal history record information to determine if the buyer or transferee is prohibited from
 162 possessing or transporting a firearm by state or federal law, (2) inform the dealer if its record indicates
 163 that the buyer or transferee is so prohibited, and (3) provide the dealer with a unique reference number
 164 for that inquiry.

165 2. The State Police shall provide its response to the requesting dealer during the dealer's request, or
 166 by return call without delay. If the criminal history record information check indicates the prospective
 167 purchaser or transferee has a disqualifying criminal record or has been acquitted by reason of insanity
 168 and committed to the custody of the Commissioner of Behavioral Health and Developmental Services,
 169 the State Police shall have until the end of the dealer's next business day to advise the dealer if its
 170 records indicate the buyer or transferee is prohibited from possessing or transporting a firearm by state
 171 or federal law. If not so advised by the end of the dealer's next business day, a dealer who has fulfilled
 172 the requirements of subdivision 1 may immediately complete the sale or transfer and shall not be
 173 deemed in violation of this section with respect to such sale or transfer. In case of electronic failure or
 174 other circumstances beyond the control of the State Police, the dealer shall be advised immediately of
 175 the reason for such delay and be given an estimate of the length of such delay. After such notification,
 176 the State Police shall, as soon as possible but in no event later than the end of the dealer's next business
 177 day, inform the requesting dealer if its records indicate the buyer or transferee is prohibited from
 178 possessing or transporting a firearm by state or federal law. A dealer who fulfills the requirements of
 179 subdivision 1 and is told by the State Police that a response will not be available by the end of the
 180 dealer's next business day may immediately complete the sale or transfer and shall not be deemed in
 181 violation of this section with respect to such sale or transfer.

182 3. Except as required by subsection D of § 9.1-132, the State Police shall not maintain records longer
183 than 30 days, except for multiple handgun transactions for which records shall be maintained for 12
184 months, from any dealer's request for a criminal history record information check pertaining to a buyer
185 or transferee who is not found to be prohibited from possessing and transporting a firearm under state or
186 federal law. However, the log on requests made may be maintained for a period of 12 months, and such
187 log shall consist of the name of the purchaser, the dealer identification number, the unique approval
188 number and the transaction date.

189 4. On the last day of the week following the sale or transfer of any firearm, the dealer shall mail or
190 deliver the written consent form required by subsection A to the Department of State Police. The State
191 Police shall immediately initiate a search of all available criminal history record information to
192 determine if the purchaser is prohibited from possessing or transporting a firearm under state or federal
193 law. If the search discloses information indicating that the buyer or transferee is so prohibited from
194 possessing or transporting a firearm, the State Police shall inform the chief law-enforcement officer in
195 the jurisdiction where the sale or transfer occurred and the dealer without delay.

196 5. Notwithstanding any other provisions of this section, rifles and shotguns may be purchased by
197 persons who are citizens of the United States or persons lawfully admitted for permanent residence but
198 residents of other states under the terms of subsections A and B upon furnishing the dealer with proof
199 of citizenship or status as a person lawfully admitted for permanent residence and one
200 photo-identification form issued by a governmental agency of the person's state of residence and one
201 other form of identification determined to be acceptable by the Department of Criminal Justice Services.

202 6. For the purposes of this subsection, the phrase "dealer's next business day" shall not include
203 December 25.

204 C. No dealer shall sell, rent, trade or transfer from his inventory any firearm, except when the
205 transaction involves a rifle or a shotgun and can be accomplished pursuant to the provisions of
206 subdivision B 5 to any person who is not a resident of Virginia unless he has first obtained from the
207 Department of State Police a report indicating that a search of all available criminal history record
208 information has not disclosed that the person is prohibited from possessing or transporting a firearm
209 under state or federal law. The dealer shall obtain the required report by mailing or delivering the
210 written consent form required under subsection A to the State Police within 24 hours of its execution. If
211 the dealer has complied with the provisions of this subsection and has not received the required report
212 from the State Police within 10 days from the date the written consent form was mailed to the
213 Department of State Police, he shall not be deemed in violation of this section for thereafter completing
214 the sale or transfer.

215 D. Nothing herein shall prevent a resident of the Commonwealth, at his option, from buying, renting
216 or receiving a firearm from a dealer in Virginia by obtaining a criminal history record information check
217 through the dealer as provided in subsection C.

218 E. If any buyer or transferee is denied the right to purchase a firearm under this section, he may
219 exercise his right of access to and review and correction of criminal history record information under
220 § 9.1-132 or institute a civil action as provided in § 9.1-135, provided any such action is initiated within
221 30 days of such denial.

222 F. Any dealer who willfully and intentionally requests, obtains, or seeks to obtain criminal history
223 record information under false pretenses, or who willfully and intentionally disseminates or seeks to

331 employed before July 1, 2000, to act as a seller under § 18.2-308.2:2 that they are not disqualified from
332 possessing a firearm. Within five working days of the employee's next birthday, after August 1, 2000,
333 the dealer shall submit the employee's fingerprints and personal descriptive information to the Central
334 Criminal Records Exchange to be forwarded to the Federal Bureau of Investigation (FBI) for the
335 purpose of obtaining national criminal history record information regarding the request.

336 C1. In lieu of submitting fingerprints pursuant to this section, any dealer holding a valid federal
337 firearms license (FFL) issued by the Bureau of Alcohol, Tobacco and Firearms (ATF) may submit a
338 sworn and notarized affidavit to the Department of State Police on a form provided by the Department,
339 stating that the dealer has been subjected to a record check prior to the issuance and that the FFL was
340 issued by the ATF. The affidavit may also contain the names of any employees that have been subjected
341 to a record check and approved by the ATF. This exemption shall apply regardless of whether the FFL
342 was issued in the name of the dealer or in the name of the business. The affidavit shall contain the valid
343 FFL number, state the name of each person requesting the exemption, together with each person's
344 identifying information, including their social security number and the following statement: "I hereby
345 swear, under the penalty of perjury, that as a condition of obtaining a federal firearms license, each
346 person requesting an exemption in this affidavit has been subjected to a fingerprint identification check
347 by the Bureau of Alcohol, Tobacco and Firearms and the Bureau of Alcohol, Tobacco and Firearms
348 subsequently determined that each person satisfied the requirements of 18 U.S.C. § 921 et seq. I
349 understand that any person convicted of making a false statement in this affidavit is guilty of a Class 5
350 felony and that in addition to any other penalties imposed by law, a conviction under this section shall
351 result in the forfeiture of my federal firearms license."

352 D. The Department of State Police, upon receipt of an individual's record or notification that no
353 record exists, shall submit an eligibility report to the requesting dealer within 30 days of the applicant
354 beginning his duties for new employees or within 30 days of the applicant's birthday for a person
355 employed prior to July 1, 2000.

356 E. If any applicant is denied employment because of information appearing on the criminal history
357 record and the applicant disputes the information upon which the denial was based, the Central Criminal
358 Records Exchange shall, upon written request, furnish to the applicant the procedures for obtaining a
359 copy of the criminal history record from the Federal Bureau of Investigation. The information provided
360 to the dealer shall not be disseminated except as provided in this section.

361 F. The applicant shall bear the cost of obtaining the criminal history record unless the dealer, at his
362 option, decides to pay such cost.

363 G. Upon receipt of the request for a criminal history record information check, the State Police shall
364 establish a unique number for that firearm seller. Beginning September 1, 2001, the firearm seller's
365 signature, firearm seller's number and the dealer's identification number shall be on all firearm
366 transaction forms. The State Police shall void the firearm seller's number when a disqualifying record is

367 discovered. The State Police may suspend a firearm seller's identification number upon the arrest of the
368 firearm seller for a potentially disqualifying crime.

369 H. This section shall not restrict the transfer of a firearm at any place other than at a dealership or at
370 any event required to be registered as a gun show.

371 I. Any person who willfully and intentionally requests, obtains, or seeks to obtain criminal history
372 record information under false pretenses, or who willfully and intentionally disseminates or seeks to
373 disseminate criminal history record information except as authorized by this section and § 18.2-308.2:2,
374 shall be guilty of a Class 2 misdemeanor.

375 J. Any person willfully and intentionally making a materially false statement on the personal
376 descriptive information required in this section shall be guilty of a Class 5 felony. Any person who
377 offers for transfer any firearm in violation of this section shall be guilty of a Class 1 misdemeanor. Any
378 dealer who willfully and knowingly employs or permits a person to act as a firearm seller in violation of
379 this section shall be guilty of a Class 1 misdemeanor.

380 K. There is no civil liability for any seller for the actions of any purchaser or subsequent transferee
381 of a firearm lawfully transferred pursuant to this section.

382 L. The provisions of this section requiring a seller's background check shall not apply to a licensed
383 dealer.

384 M. Any person who willfully and intentionally makes a false statement in the affidavit as set out in
385 subdivision C 1 shall be guilty of a Class 5 felony.

386 N. For purposes of this section:

387 "Dealer" means any person, corporation or proprietorship licensed as a dealer pursuant to 18 U.S.C.
388 § 921 et seq.

389 "Firearm" means any handgun, shotgun, or rifle that will or is designed to or may readily be
390 converted to expel single or multiple projectiles by action of an explosion of a combustible material.

391 "Place of business" means any place or premises where a dealer may lawfully transfer firearms.

392 "Seller" means for the purpose of any single sale of a firearm any person who is a dealer or an agent
393 of a dealer, who may lawfully transfer firearms and who actually performs the criminal background
394 check in accordance with the provisions of § 18.2-308.2:2.

395 "Transfer" means any act performed with intent to sell, rent, barter, trade or otherwise transfer
396 ownership or permanent possession of a firearm at the place of business of a dealer.

397 **§ 19.2-60.1. Warrant and order for removal of firearms from persons posing a substantial risk of**
398 **personal injury to self or others.**

399 A. Upon complaint on oath, by any attorney for the Commonwealth or by any law-enforcement
400 officer, to a circuit court judge that such attorney for the Commonwealth or law-enforcement officer has
401 probable cause to believe that (i) a person poses a substantial risk of personal injury to himself or to
402 other individuals in the near future, (ii) such person possesses one or more firearms, and (iii) such
403 firearms are within or upon any place, thing, or person, the judge may issue a warrant commanding a
404 law-enforcement officer to enter into or upon such place or thing, search the same or the person and
405 take into such officer's custody any and all firearms. An attorney for the Commonwealth or
406 law-enforcement officer shall make a complaint only after he has conducted an independent
407 investigation and determined that probable cause for the complaint exists as described in subsection B.

408 B. A warrant may issue only on affidavit sworn to by the complainant before a circuit court judge
409 and establishing grounds for the issuance of a warrant, which affidavit shall be part of the file.

410 1. In determining whether probable cause for the issuance of a warrant exists, the judge shall
411 consider: (i) recent threats or acts of violence by such person directed toward other persons; (ii) recent
412 threats or acts of violence by such person directed toward himself; (iii) recent issuance of a protective
413 order pursuant to § 16.1-253.1, 16.1-253.4, 16.1-278.2, 16.1-279.1, 19.2-152.8, 19.2-152.9, or
414 19.2-152.10; (iv) recent violation of an unexpired protective order issued pursuant to § 16.1-253.1,
415 16.1-253.4, 16.1-278.2, 16.1-279.1, 19.2-152.8, 19.2-152.9, or 19.2-152.10; and (v) recent acts of cruelty
416 to animals as described in § 3.2-6570 by such person.

417 2. In evaluating whether such recent threats or acts of violence constitute probable cause to believe
418 that such person poses a substantial risk of personal injury to himself or to others in the near future,
419 the judge may consider other factors, including (i) the reckless use, display, or brandishing of a firearm
420 by such person; (ii) a history of the use, attempted use, or threatened use of physical force by such
421 person against other persons; (iii) prior involuntary confinement of such person in a hospital for
422 persons with psychiatric disabilities; (iv) any prior arrest of such person for a violent felony offense
423 listed in § 17.1-805; (v) any history of a violation of a protective order issued pursuant to § 16.1-253.1,
424 16.1-253.4, 16.1-278.2, 16.1-279.1, 19.2-152.8, 19.2-152.9, or 19.2-152.10; (vi) the illegal use of
425 controlled substances or abuse of alcohol by such person; and (vii) evidence of recent acquisition of
426 firearms or other deadly weapons by such person.

427 3. If the judge determines that probable cause exists, the judge shall issue a warrant naming or

428 describing the person, place, or thing to be searched. The warrant shall be directed to a
429 law-enforcement officer. It shall state the grounds and probable cause for its issuance, and it shall
430 command the officer to immediately search the person, place, or thing named for any and all firearms.
431 A copy of the warrant shall be given to the person named therein together with a notice informing the
432 person that he has the right to a hearing under this section and may be represented by counsel at the
433 hearing.

434 C. The applicant for the warrant shall file a copy of the application for the warrant and all
435 affidavits upon which the warrant is based with the clerk of court for the jurisdiction where the search
436 will be conducted no later than the next business day following the execution of the warrant. Prior to
437 the execution and return of the warrant, the clerk of court shall not disclose any information pertaining
438 to the application for the warrant or any affidavits upon which the warrant is based.

439 D. During the execution of the warrant, the person shall be informed of the items sought and given
440 the opportunity to voluntarily relinquish the firearms. The law-enforcement officer executing the warrant
441 shall take custody of any firearm that is in the person's custody, control, or possession or that is owned
442 by the person. The warrant shall be executed and returned within 15 days after issuance and shall be
443 accompanied by a written inventory of all firearms taken.

444 E. If the location to be searched during the execution of the warrant is jointly occupied by the
445 person who is the subject of the warrant and other persons and the law-enforcement officer executing
446 the warrant finds a firearm that is not owned by the person who is the subject of the warrant, the
447 firearm shall not be taken if there is no independent evidence of unlawful possession of the firearm by
448 the owner of the firearm.

449 F. Not later than 14 days after the execution of a warrant under this section, the circuit court for the
450 jurisdiction where the person named in the warrant resides shall hold a hearing to determine whether
451 any firearm taken should be returned to the person named in the warrant or should continue to be held
452 by the agency that took the firearms. The attorney for the Commonwealth for the jurisdiction that issued
453 the warrant shall represent the interests of the Commonwealth. The Commonwealth shall have the
454 burden of proving all material facts by clear and convincing evidence. If, after such hearing, the court
455 finds by clear and convincing evidence that the person poses a substantial risk of personal injury to
456 himself or to other individuals in the near future, the court may order that any firearm taken pursuant
457 to the warrant issued under this section continue to be held by the agency that took the firearm for a
458 period not to exceed 180 days; otherwise, the court shall order any firearm taken to be returned to the
459 person named in the warrant. If the court finds that the person poses a substantial risk of personal
460 injury to himself or to other individuals in the near future, the court shall give notice to the local
461 community services board, which may take such action as it deems appropriate. A person who is the
462 subject of an order may petition the court one time during the 180 days for the return of his firearms
463 after 30 days from the date the order was issued.

464 G. Any person whose firearm has been taken pursuant to this section, or such person's legal
465 representative, may transfer the firearm to a third party, provided:

466 1. The person named in the warrant and the third party appear at the hearing.

467 2. At the hearing, the court determines that the third party is not prohibited from possessing a
468 firearm.

469 3. The person to whom the firearm is to be transferred does not reside with the individual named in
470 the warrant.

471 4. The court informs the person to whom the firearm is surrendered of the requirements and
472 penalties under § 18.2-308.2:1.

473 5. The court, after considering all relevant factors and any input from the person named in the
474 warrant, approves the surrender of the firearm subject to such restrictions as the court deems necessary.

475 Upon notification in writing by such person, or such person's legal representative, and the
476 transferee, the head of the agency that took the firearm or his designee holding such firearm shall
477 within 10 days deliver the firearm to the transferee.

478 H. The court shall forthwith, but in all cases no later than the end of the business day on which the
479 warrant was served or order was issued, enter and transfer electronically the identifying information
480 and the name, date of birth, sex, and race of the person who is the subject of the warrant or order
481 along with other appropriate information required by the Department of State Police into the Virginia
482 Criminal Information Network established and maintained by the Department pursuant to Chapter 2 (
483 § 52-12 et seq.) of Title 52 and shall forthwith forward the attested copy of the warrant or order to the
484 primary law-enforcement agency responsible for service and entry of the order. Upon receipt by the
485 primary law-enforcement agency, the agency shall forthwith verify and enter any modification as
486 necessary to the identifying information and other appropriate information. The warrant shall be served
487 forthwith and due return made to the court. Upon service, the agency making service shall enter the
488 date and time of service and other appropriate information required by the Department of State Police
489 and make due return to the court. If the warrant or order is later dissolved or modified, a copy of the

490 dissolution or modification shall be attested and forwarded forthwith to the primary law-enforcement
491 agency responsible for entry of the warrant or order, and upon receipt of the warrant or order by the
492 primary law-enforcement agency, the agency shall forthwith verify and enter any modification as
493 necessary to the identifying information and other appropriate information required by the Department
494 of State Police into the Virginia Criminal Information Network as described in this subsection.

495 I. "Law-enforcement officer" is defined, for the purpose of this section, as any full-time or part-time
496 employee of the Department of State Police or a police department or sheriff's office that is a part of or
497 administered by the Commonwealth or any political subdivision thereof, and who is responsible for the
498 prevention and detection of crime and the enforcement of the penal, traffic, or highway laws of the
499 Commonwealth, for purposes of the administration of criminal justice as defined in § 9.1-101.

500 **§ 19.2-387.2. Firearm Order Registry; maintenance; access.**

501 A. The Department of State Police shall keep and maintain a computerized Firearm Order Registry
502 for the entry of warrants and orders issued pursuant to § 19.2-60.1. The purpose of the Registry shall
503 be to assist the efforts of law-enforcement agencies to protect their communities and their citizens. The
504 Department of State Police shall make Registry information available, upon request, to criminal justice
505 agencies, including local law-enforcement agencies, through the Virginia Criminal Information Network
506 (VCIN). Registry information provided under this section shall be used only for the purposes of the
507 administration of criminal justice.

508 B. No liability shall be imposed upon any law-enforcement official who disseminates information or
509 fails to disseminate information in good faith compliance with the requirements of this section, but this
510 provision shall not be construed to grant immunity for gross negligence or willful misconduct.

511 **2. That the provisions of this act may result in a net increase in periods of imprisonment or**

513 **be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter**
