SENATE BILL NO. 1455
AMENDMENT IN THE NATURE OF A SUBSTITUTE
 (Proposed by the Senate Committee on Finance
 on February 4, 2015)
 (Patron Prior to Substitute—Senator Watkins)

A BILL authorizing the issuance of Commonwealth of Virginia General Obligation Bonds in an amount not exceeding \$67,000,000 for the purpose of financing the cost of certain capital projects related to veterans care facilities; authorizing the Treasury Board, by and with the consent of the Governor, to fix the details of the bonds and to provide for the sale of the bonds; authorizing the Treasury Board, by and with the consent of the Governor, to borrow money in anticipation of the issuance of the bonds; authorizing the issuance of refunding bonds, by and with the consent of the Governor; providing for the pledge of the full faith and credit of the Commonwealth for the payment of such obligations; providing that the interest income on such obligations shall be exempt from all taxation by the Commonwealth and any political subdivision thereof; and providing that this act shall not become effective and that no bonds shall be issued hereunder unless this act is approved by a majority of the qualified voters of the Commonwealth voting thereon at an election, as required by Article X, Section 9 (b) of the Constitution of Virginia.

Be it enacted by the General Assembly of Virginia:

1. § 1. Title. This act shall be known and may be cited as the "Commonwealth of Virginia Veterans Bond Act of 2015."

§ 2. Authorization of Bonds and Bond Anticipation Notes (BANs). The authorization to issue bonds hereunder is subject to a favorable vote of a majority of the qualified voters voting on this act at the November 3, 2015, general election as hereinafter provided.

Thereafter, the Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Veterans Bonds, Series...", in an aggregate principal amount not exceeding \$67,000,000. The Treasury Board is further authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of the bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper.

§ 3. Purpose; Projects. The proceeds of the bonds and BANs, excluding amounts needed to pay issuance costs and other financing expenses, shall be used as provided in § 4 hereof for capital projects as follows:

Facility	Project Description	Amount
Hampton Roads Veterans Care Center	Construct Care Center	\$33,000,000
Northern Virginia Veterans Care Center	Construct Care Center	\$34,000,000

The General Assembly hereby finds and determines that the estimated useful life of the capital projects listed above is in excess of twenty-five years.

To the extent that the cost of any capital project listed above is less than the amount allocated to such project, the Governor or the Governor's designee may increase the amount allocated to any other capital project listed above. No such allocation to a capital project may be increased, however, until it has been demonstrated to the satisfaction of the Governor or the Governor's designee that (a) the cost of the capital project has been reduced to the extent reasonable, (b) the capital project has not been expanded or enhanced beyond that originally approved, and (c) the capital project is suitable and adequate for the scope originally intended. No increase in the amount allocated to any capital project shall constitute an authorization for the issuance of bonds in an amount in excess of the aggregate amount authorized hereunder.

§ 4. Application of Proceeds. Proceeds (including any premium) of the bonds and any BANs (except the proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds and (iii) refunding BANs) shall be deposited by the State Treasurer in a special capital outlay fund in the State Treasury and shall be disbursed only for the purpose for which the bonds or any BANs have been issued. In the event that the proceeds of the bonds or BANs exceed the cost of the projects specified in § 3, the Treasury Board shall cause such excess proceeds to be applied to the retirement of the bonds or BANs. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds and (iii) refunding BANs and any funds provided by the General Assembly, or available from any other source, for the purpose, shall be used to pay such BANs, refunded bonds and refunded BANs.

122 Section 9(b), of the Constitution of Virginia. The Treasury Board may, however, direct that the interest
123 received from the investment of the proceeds of the bonds or BANs be transferred to the general fund of
124 the State Treasury.

125 § 7. Authorized Investments. Pending the application of the proceeds of the bonds or BANs (including
126 refunding bonds and BANs) to the purpose for which they have been authorized and the application of
127 funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State
128 Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds
129 and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the
130 investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of
131 the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or
132 BANs. The Treasury Board may, however, direct that the interest received from the investment of the
133 proceeds of the bonds or BANs be transferred to the general fund of the State Treasury.

134 § 8. Security for bonds and BANs. The full faith and credit of the Commonwealth is hereby
135 irrevocably pledged for the payment of the principal of and the interest on bonds, refunding bonds, and
136 (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) BANs
137 issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs,
138 (ii) refunding bonds and (iii) refunding BANs are hereby irrevocably pledged for the payment of
139 principal of and interest and any premium on such bonds or BANs to be refunded thereby. In addition,
140 the Treasury Board may pledge the full faith and credit of the Commonwealth for the payment of the
141 principal of and interest on any BANs. If sufficient funds are not appropriated in the general
142 appropriations act for any fiscal year for the timely payment of the principal of and the interest on the
143 bonds, any refunding bonds or any BANs where the full faith and credit of the Commonwealth has been
144 pledged, there shall be set apart by direction of the Governor, from the first general fund revenues
145 received during such fiscal year and thereafter, a sum sufficient to pay such principal and interest.

146 § 9. Expenses. All expenses incurred under this act shall be paid from the proceeds of the bonds, or
147 any refunding bonds or BANs, or from any other available funds as the Treasury Board shall determine.

148 § 10. Exemption of interest from tax. The bonds and BANs issued under the provisions of this Act,
149 their transfer, and the income therefrom, including any profit made on the sale thereof, shall at all times
150 be exempt from taxation by the Commonwealth and by any political subdivision thereof. The interest on
151 the bonds and any refunding bonds or BANs may be subject to inclusion in gross income of the holders
152 thereof for federal income tax purposes.

153 § 11. Referendum. The question of the effectiveness of this act and the authorization of the bonds
154 shall be submitted to the qualified voters of the Commonwealth at the general election to be held on
155 Tuesday, November 3, 2015. The referendum shall be supervised and held, notice thereof given, ballots
156 prepared, returns made and certified, votes canvassed and results ascertained and made known, as
157 provided by law. The ballots to be used at the election shall pose the question in substantially the
158 following form:

159 QUESTION: Shall Chapter ____, Acts of the General Assembly of 2015, authorizing the issuance of
160 general obligation bonds of the Commonwealth of Virginia in the maximum amount of \$67,000,000
161 pursuant to Article X, Section 9(b) of the Constitution of Virginia for capital projects related to veteran
162 care facilities, take effect?

163 After the general election, the State Board of Elections shall without delay make out, certify, and
164 transmit to the Governor and to the Treasury Board an official copy of the report of the whole number
165 of votes cast at the election for and against the act.

166 If a majority of those voting thereon shall vote in favor of this act, this act shall take effect and the
167 bonds may be issued as hereinabove provided. If a majority of those voting thereon shall vote against
168 this act, this act shall not take effect and the bonds shall not be issued.

169 The expenses incurred in conducting this election shall be defrayed as in the case of election of
170 members of the General Assembly.

171 § 12. Severability. The provisions of this act or the application thereof to any person or circumstance
172 that are held invalid shall not affect the validity of other provisions or applications of this act that can
173 be given effect without the invalid provisions or applications.
