

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to exempt certain diesel-powered incinerators from certain carbon monoxide emissions regulations.

[S 869]

Approved

Be it enacted by the General Assembly of Virginia:

1. § 1. That carbon monoxide emissions from any diesel-powered incinerator that is installed prior to July 1, 2015, owned by a locality, and used exclusively for the incineration of animal carcasses collected from the public rights-of-way shall be exempt from the State Air Pollution Control Board's air permitting minor new source review regulation requiring Best Available Control Technology for carbon monoxide emissions, including the emission limitations for carbon monoxide established as Best Available Control Technology.

2. That the provisions of this act shall expire on July 1, 2019.
