Such obligation may be created by a court order for support of a child or child and spouse or decree of divorce ordering support of a child or child and spouse. In the absence of such a court order or decree of divorce, the Commissioner may, pursuant to this chapter, proceed against a person whose support debt has accrued or is accruing based upon payment of public assistance or who has a responsibility for the support of any dependent child or children and their custodial parent. The administrative support order shall also provide that support shall continue to be paid for any child over the age of 18 who is (i) a full-time high school student, (ii) not self-supporting, and (iii) living in the home of the parent seeking or receiving child support, until such child reaches the age of 19 or graduates from high school, whichever comes first.
