4. Title: Uniform Interstate Family Support Act (UIFSA); amends Act to modify current version

5. Summary: The substitute legislation amends the Uniform Interstate Family Support Act (UIFSA) to comply with amendments to the Hague Convention on the International Recovery of Child Support and Other Forms of Family Maintenance that were adopted in 2008. The amendments modify the current version of UIFSA's international provisions to comport with the obligations of the United States under the 2007 Hague Convention on the International Recovery of Child Support and Other Forms of Family Maintenance. A procedure to modify foreign child support orders is also added in the substitute. The bill contains an emergency clause.

6. Budget Amendment Necessary: No

7. No Fiscal Impact

8. Fiscal Implications: This bill incorporates changes required by the federal 2008 Uniform Interstate Family Support Act (UIFSA) amendments, which relate to the enforcement of international child support cases. Federal law requires states to enact the 2008 amendments to the UIFSA for continued receipt of federal funds for state child support programs. This bill has no fiscal impact as any anticipated increase in child support collections on international cases will be offset by increased collections expenditures for these cases.
