If the applicant is prohibited by law from receiving the firearm, the chief law-enforcement officer or his designee shall notify the applicant in writing of the reason for the prohibition. For the purposes of this measure, the definition of "firearm" is limited to machine guns, rifles and shotguns of a certain length, weapons made from certain rifles or shotguns, and silencers. If the chief law-enforcement officer fails to provide certification within 60 days, the applicant has a right to an ore tenus hearing in circuit court and, unless the evidence shows that the applicant is prohibited by law from receiving the firearm, the court shall order the chief law-enforcement officer to issue the certification within five business days.
