4. Title: Auxiliary lights on public utility vehicles.

5. Summary: The proposed legislation provides that any electrical service utility vehicle owned and operated by a public utility and having a gross vehicle weight rating greater than 15,000 pounds may be equipped with clear auxiliary lights mounted on the lower portion of the vehicle and aimed downward for the exclusive use of ground lighting. Such lights are not to be used in a manner that may blind or interfere with the vision of the drivers of approaching vehicles, and in no event such lights to be lighted while the vehicle is in motion.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final. See Item 8.

8. Fiscal Implications: The proposal would have no material fiscal impact on the Commonwealth.

9. Specific Agency or Political Subdivisions Affected: Public utility entities.

10. Technical Amendment Necessary: None.

11. Other Comments: None.
