2. Patron: Barker

3. Committee: Education and Health

4. Title: Board of Medicine; requirements for licensure.

5. Summary: Requires applicants for licensure to practice medicine, osteopathy, or podiatry to receive at least 12 months of the required supervised clinical training in one program or institution and allows supervised clinical training that is received in the United States as part of the curriculum of an international medical school to fulfill the requirements for licensure by the Board of Medicine if the clinical training is in a program acceptable to the Board and deemed a substantially equivalent experience. The bill removes the Board's authority to grant a temporary license to practice chiropractic to interns and residents and repeals certain other requirements for licensure for students who studied in international medical schools.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact.

8. Fiscal Implications: This bill would not have a fiscal impact on the Commonwealth. The Department of Health Professions has stated that this bill would not impact operations.

9. Specific Agency or Political Subdivisions Affected: Department of Health Professions.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
