

**Department of Planning and Budget**  
**2015 Fiscal Impact Statement**

**1. Bill Number:** SB 1186

**House of Origin**     Introduced     Substitute     Engrossed  
**Second House**     In Committee     Substitute     Enrolled

**2. Patron:**    Obenshain

**3. Committee:** Health, Welfare and Institutions

**4. Title:**    Naloxone for administration in cases of opiate overdose.

**5. Summary:** Allows a practitioner to prescribe naloxone to a patient for administration to a person other than the patient when the patient believes the person is experiencing or is about to experience a life-threatening opiate overdose and allows a person to possess naloxone and administer naloxone to a person experiencing or about to experience a life-threatening opiate overdose. The bill provides that under such circumstances (i) a person who administers naloxone to another person shall not be liable for civil damages and (ii) a prescriber shall not be civilly or criminally liable for injuries resulting from the prescription of naloxone to a patient for administration to another person. The bill also allows emergency medical services personnel and other first responders to possess and administer naloxone pursuant to a written order or standing protocol, and the bill provides that first responders and emergency medical services personnel who administer naloxone pursuant to a written order or standing protocol shall not be civilly or criminally liable for injuries resulting from the administration of naloxone.

**6. Budget Amendment Necessary:** No.
