Such regulations shall ensure that, if a determination is made that another disciplinary action is appropriate, any such subsequent disciplinary action is to be taken in accordance with the procedures set forth in this article. Nothing in this section shall be construed to require a student's expulsion regardless of the facts of the particular situation.

B. The Board of Education is designated as the state education agency to carry out the provisions of the federal Improving America's Schools Act of 1994 and shall administer the funds to be appropriated to the Commonwealth under this act.

C. Each school board shall revise its standards of student conduct no later than three months after the date on which this act becomes effective. Local school boards requesting moneys apportioned to the Commonwealth through the federal Improving America's Schools Act of 1994 shall submit to the Department of Education an application requesting such assistance. Applications for assistance shall include:

1. Documentation that the local school board has adopted and implemented student conduct policies in compliance with this section; and

2. A description of the circumstances pertaining to expulsions imposed under this section, including (i) the schools from which students were expelled under this section, (ii) the number of students expelled from each such school in the school division during the school year, and (iii) the types of firearms involved in the expulsions.

D. No school operating a Junior Reserve Officers Training Corps (JROTC) program shall prohibit the JROTC program from conducting marksmanship training when such training is a normal element of such programs. Such programs may include training in the use of pneumatic guns. The administration of a school operating a JROTC program shall cooperate with the JROTC staff in implementing such marksmanship training.

The provisions of this section shall not apply to persons who possess such firearm or firearms or pneumatic guns as a part of the curriculum or other programs sponsored by the schools in the school division or any organization permitted by the school to use its premises or to any law-enforcement officer while engaged in his duties as such.

G. This section shall not be construed to diminish the authority of the Board of Education or the Governor concerning decisions on whether, or the extent to which, Virginia shall participate in the federal Improving America's Schools Act of 1994, or to diminish the Governor's authority to coordinate and provide policy direction on official communications between the Commonwealth and the United States government.
