60 natural disaster or other catastrophic event.

61 5. Information that would disclose the security aspects of a system safety program plan adopted
62 pursuant to 49 C.F.R. Part 659 by the Commonwealth's designated Rail Fixed Guideway Systems Safety
63 Oversight agency; and information in the possession of such agency, the release of which would
64 jeopardize the success of an ongoing investigation of a rail accident or other incident threatening railway
65 safety.

66 6. Engineering and architectural drawings, operational, procedural, tactical planning or training
67 manuals, or staff meeting minutes or other records, the disclosure of which would reveal surveillance

73 § 22.1-279.8.

74 Nothing in this subdivision shall be construed to prohibit the disclosure of records relating to the

82 disclosed.

83 10. Subscriber data, which for the purposes of this subdivision, means the name, address, telephone
84 number, and any other information identifying a subscriber of a telecommunications carrier, provided
85 directly or indirectly by a telecommunications carrier to a public body that operates a 911 or E-911
86 emergency dispatch system or an emergency notification or reverse 911 system, if the data is in a form
87 not made available by the telecommunications carrier to the public generally. Nothing in this subdivision
88 shall prevent the release of subscriber data generated in connection with specific calls to a 911
89 emergency system, where the requester is seeking to obtain public records about the use of the system
90 in response to a specific crime, emergency or other event as to which a citizen has initiated a 911 call.

91 11. Subscriber data, which for the purposes of this subdivision, means the name, address, telephone

109 additional tenant activity growth from the Department of Defense or federal government or (ii) disclose
110 trade secrets, as defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.), provided to the Council
111 or such commission or organizations in connection with their work. In order to invoke the trade secret

113 (a) invoke this exclusion, (b) identify with specificity the information for which such protection is
114 sought, and (c) state the reason why such protection is necessary. Nothing in this subdivision shall be

116 been specifically identified as required by this subdivision, after the Department of Defense or federal
117 agency has issued a final, unappealable decision, or in the event of litigation, a court of competent
118 jurisdiction has entered a final, unappealable order concerning the closure, realignment, or expansion of
119 the military installation or tenant activities, or the relocation of the national security facility, for which

 125 jeopardize the security of the Commonwealth's financial assets. However, records relating to the
 126 investigation of and findings concerning the soundness of any fiscal process shall be disclosed in a form
 127 that does not compromise internal controls. Nothing in this subdivision shall be construed to prohibit the
 128 Auditor of Public Accounts or the Joint Legislative Audit and Review Commission from reporting

 131 or any other similar local or regional public safety communications system that (i) describes the design,

 141 equipment and systems related to STARS or any other similar local or regional public safety
 142 communications system; and special event plans, operational plans, storm plans, or other pre-arranged
 143 programming, the disclosure of which would reveal surveillance techniques, personnel deployments,

 149 communication devices provided to its personnel for use in the performance of their official duties.

150 16. Records of hospitals and nursing homes regulated by the Board of Health pursuant to Chapter 5
 151 (§ 32.1-123 et seq.) of Title 32.1 provided to the Department of Health, to the extent such records reveal

 161 **educational institutions.**

162 The following records are excluded from the provisions of this chapter but may be disclosed by the
 163 custodian in his discretion, except where such disclosure is prohibited by law:

164 1. Scholastic records containing information concerning identifiable individuals, except that such
 165 access shall not be denied to the person who is the subject thereof, or the parent or legal guardian of the

 169 any other person except a substitute.

170 The parent or legal guardian of a student may prohibit, by written request, the release of any
 171 individual information regarding that student until the student reaches the age of 18 years. For scholastic
 172 records of students under the age of 18 years, the right of access may be asserted only by his legal
 173 guardian or parent, including a noncustodial parent, unless such parent's parental rights have been
 174 terminated or a court of competent jurisdiction has restricted or denied such access. For scholastic
 175 records of students who are emancipated or attending a state-supported institution of higher education,
 176 the right of access may be asserted by the student.

177 Any person who is the subject of any scholastic record and who is 18 years of age or older may

187 of public institutions of higher education, other than the institutions' financial or administrative records,
188 in the conduct of or as a result of study or research on medical, scientific, technical or scholarly issues,
189 whether sponsored by the institution alone or in conjunction with a governmental body or a private
190 concern, where such data, records or information has not been publicly released, published, copyrighted
191 or patented.

192 5. All records of the University of Virginia or the University of Virginia Medical Center or Eastern

196 existing or future joint venturers, partners, or other parties with whom the University of Virginia
197 Medical Center or Eastern Virginia Medical School, as the case may be, has formed, or forms, any
198 arrangement for the delivery of health care, if disclosure of such information would be harmful to the
199 competitive position of the *University of Virginia* Medical Center or Eastern Virginia Medical School, as
200 the case may be.

201 6. Personal information, as defined in § 2.2-3801, provided to the Board of the Virginia College

210 information; health-related information; employment, familial, or marital status information; electronic
211 mail addresses, facsimile or telephone numbers; birth dates or social security numbers of identifiable
212 donors or prospective donors. Nothing in this subdivision, however, shall be construed to authorize the
213 withholding of records relating to the amount, date, purpose, and terms of the pledge or donation, or the
214 identity of the donor unless the donor has requested anonymity in connection with or as a condition of
215 making a pledge or donation. The exclusion provided by this subdivision shall not apply to protect from
216 disclosure (i) the identities of sponsors providing grants to or contracting with the institution for the
217 performance of research services or other work or (ii) the terms and conditions of such grants or
218 contracts.

219 8. Records of a threat assessment team established by a local school board pursuant to § 22.1-79.4

 769 required to provide records in an electronic format requested if (i) the electronic format is not
 770 reasonably available without additional cost to the health care entity, (ii) the records would be subject to
 771 modification in the format requested, or (iii) the health care entity determines that the integrity of the
 772 records could be compromised in the electronic format requested. Requests for copies of or electronic

 785 the requester has not established his authority to receive such health records or proof of his identity, or
 786 (3) as other provided by law. Procedures set forth in this section shall apply only to requests for health
 787 records not specifically governed by other provisions of state law.

788 F. Except as provided in subsection B of § 8.01-413, copies of or electronic access to an individual's
 789 health records shall not be furnished to such individual or anyone authorized to act on the individual's
 790 behalf when the individual's treating physician or the individual's treating clinical psychologist has made
 791 a part of the individual's record a written statement that, in the exercise of his professional judgment, the
 792 furnishing to or review by the individual of such health records would be reasonably likely to endanger
 793 the life or physical safety of the individual or another person, or that such health record makes reference
 794 to a person other than a health care provider and the access requested would be reasonably likely to
 795 cause substantial harm to such referenced person. If any health care entity denies a request for copies of
 796 or electronic access to health records based on such statement, the health care entity shall inform the

797 individual of the individual's right to designate, in writing, at his own expense, another reviewing
798 physician or clinical psychologist, whose licensure, training and experience relative to the individual's
799 condition are at least equivalent to that of the physician or clinical psychologist upon whose opinion the
800 denial is based. The designated reviewing physician or clinical psychologist shall make a judgment as to
801 whether to make the health record available to the individual.

802 The health care entity denying the request shall also inform the individual of the individual's right to
803 request in writing that such health care entity designate, at its own expense, a physician or clinical
804 psychologist, whose licensure, training, and experience relative to the individual's condition are at least
805 equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial
806 is based and who did not participate in the original decision to deny the health records, who shall make
807 a judgment as to whether to make the health record available to the individual. The health care entity
808 shall comply with the judgment of the reviewing physician or clinical psychologist. The health care
809 entity shall permit copying and examination of the health record by such other physician or clinical
810 psychologist designated by either the individual at his own expense or by the health care entity at its
811 expense.

812 Any health record copied for review by any such designated physician or clinical psychologist shall
813 be accompanied by a statement from the custodian of the health record that the individual's treating
814 physician or clinical psychologist determined that the individual's review of his health record would be
815 reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely
816 to cause substantial harm to a person referenced in the health record who is not a health care provider.

817 Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive
818 copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized
819 to act on his behalf.

849 H. Pursuant to this subsection:

850 1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or
851 administrative action or proceeding shall request the issuance of a subpoena duces tecum for another
852 party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the
853 request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's
854 counsel or to the other party if pro se, simultaneously with filing the request or issuance of the
855 subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces
856 tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a
857 copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the
858 request or issuance of the attorney-issued subpoena.

859 No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date
860 of the subpoena except by order of a court or administrative agency for good cause shown. When a
861 court or administrative agency directs that health records be disclosed pursuant to a subpoena duces
862 tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the
863 subpoena.

864 Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena
865 duces tecum is being issued shall have the duty to determine whether the individual whose health
866 records are being sought is pro se or a nonparty.

867 In instances where health records being subpoenaed are those of a pro se party or nonparty witness,
868 the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness
869 together with the copy of the request for subpoena, or a copy of the subpoena in the case of an
870 attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall
871 include the following language and the heading shall be in boldface capital letters:

872 NOTICE TO INDIVIDUAL

873 The attached document means that (insert name of party requesting or causing issuance of the
874 subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has
875 been issued by the other party's attorney to your doctor, other health care providers (names of health
876 care providers inserted here) or other health care entity (name of health care entity to be inserted here)
877 requiring them to produce your health records. Your doctor, other health care provider or other health
878 care entity is required to respond by providing a copy of your health records. If you believe your health
879 records should not be disclosed and object to their disclosure, you have the right to file a motion with
880 the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion
881 to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued
882 subpoena. You may contact the clerk's office or the administrative agency to determine the requirements
883 that must be satisfied when filing a motion to quash and you may elect to contact an attorney to
884 represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health
885 care provider(s), or other health care entity, that you are filing the motion so that the health care
886 provider or health care entity knows to send the health records to the clerk of court or administrative
887 agency in a sealed envelope or package for safekeeping while your motion is decided.

888 2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued
889 for an individual's health records shall include a Notice in the same part of the request in which the
890 recipient of the subpoena duces tecum is directed where and when to return the health records. Such
891 notice shall be in boldface capital letters and shall include the following language:

892 NOTICE TO HEALTH CARE ENTITIES

893 A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL
894 WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT
895 INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED
896 SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION
897 WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.

898 YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN
899 CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED
900 THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:

901 NO MOTION TO QUASH WAS FILED; OR

902 ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE
903 ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH
904 SUCH RESOLUTION.

905 IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE
906 BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A
907 MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO
908 THE CLERK OF THE COURT OR ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA
909 OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE
910 FOLLOWING PROCEDURE:

911 PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED
912 ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY
913 WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE
914 HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA.
915 THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER
916 ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE
917 AGENCY.

918 3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the
919 duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

920 4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a
921 sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such
922 health records until they have received a certification as set forth in subdivision 5 or 8 from the party on
923 whose behalf the subpoena duces tecum was issued.

924 If the health care entity has actual receipt of notice that a motion to quash the subpoena has been
925 filed or if the health care entity files a motion to quash the subpoena for health records, then the health
926 care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or
927 administrative agency issuing the subpoena or in whose court or administrative agency the action is
928 pending. The court or administrative agency shall place the health records under seal until a
929 determination is made regarding the motion to quash. The securely sealed envelope shall only be opened
930 on order of the judge or administrative agency. In the event the court or administrative agency grants
931 the motion to quash, the health records shall be returned to the health care entity in the same sealed
932 envelope in which they were delivered to the court or administrative agency. In the event that a judge or
933 administrative agency orders the sealed envelope to be opened to review the health records in camera, a
934 copy of the order shall accompany any health records returned to the health care entity. The health
935 records returned to the health care entity shall be in a securely sealed envelope.

936 5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued
937 subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the
938 subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion
939 to quash was filed. Any health care entity receiving such certification shall have the duty to comply
940 with the subpoena duces tecum by returning the specified health records by either the return date on the
941 subpoena or five days after receipt of the certification, whichever is later.

942 6. In the event that the individual whose health records are being sought files a motion to quash the
943 subpoena, the court or administrative agency shall decide whether good cause has been shown by the
944 discovering party to compel disclosure of the individual's health records over the individual's objections.
945 In determining whether good cause has been shown, the court or administrative agency shall consider (i)
946 the particular purpose for which the information was collected; (ii) the degree to which the disclosure of
947 the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the
948 disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or
949 proceeding; and (v) any other relevant factor.

950 7. Concurrent with the court or administrative agency's resolution of a motion to quash, if
951 subpoenaed health records have been submitted by a health care entity to the court or administrative
952 agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no
953 submitted health records should be disclosed, return all submitted health records to the health care entity
954 in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide
955 all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon
956 determining that only a portion of the submitted health records should be disclosed, provide such portion
957 to the party on whose behalf the subpoena was issued and return the remaining health records to the
958 health care entity in a sealed envelope.

959 8. Following the court or administrative agency's resolution of a motion to quash, the party on whose
960 behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed
961 health care entity a statement of one of the following:

962 a. All filed motions to quash have been resolved by the court or administrative agency and the
963 disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the
964 health records previously delivered in a sealed envelope to the clerk of the court or administrative
965 agency will not be returned to the health care entity;

966 b. All filed motions to quash have been resolved by the court or administrative agency and the
967 disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no
968 health records have previously been delivered to the court or administrative agency by the health care
969 entity, the health care entity shall comply with the subpoena duces tecum by returning the health records
970 designated in the subpoena by the return date on the subpoena or five days after receipt of certification,
971 whichever is later;

972 c. All filed motions to quash have been resolved by the court or administrative agency and the
973 disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no
974 health records shall be disclosed and all health records previously delivered in a sealed envelope to the
975 clerk of the court or administrative agency will be returned to the health care entity;

976 d. All filed motions to quash have been resolved by the court or administrative agency and the
977 disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only
978 limited disclosure has been authorized. The certification shall state that only the portion of the health
979 records as set forth in the certification, consistent with the court or administrative agency's ruling, shall
980 be disclosed. The certification shall also state that health records that were previously delivered to the
981 court or administrative agency for which disclosure has been authorized will not be returned to the

982 health care entity; however, all health records for which disclosure has not been authorized will be
983 returned to the health care entity; or
984 e. All filed motions to quash have been resolved by the court or administrative agency and the
985 disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no
986 health records have previously been delivered to the court or administrative agency by the health care
987 entity, the health care entity shall return only those health records specified in the certification,
988 consistent with the court or administrative agency's ruling, by the return date on the subpoena or five
989 days after receipt of the certification, whichever is later.
990 A copy of the court or administrative agency's ruling shall accompany any certification made
991 pursuant to this subdivision.
992 9. The provisions of this subsection have no application to subpoenas for health records requested
993 under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation,
994 audit, review or proceedings regarding a health care entity's conduct.
995 The provisions of this subsection shall apply to subpoenas for the health records of both minors and
996 adults.
997 Nothing in this subsection shall have any effect on the existing authority of a court or administrative
998 agency to issue a protective order regarding health records, including, but not limited to, ordering the
999 return of health records to a health care entity, after the period for filing a motion to quash has passed.
1000 A subpoena for substance abuse records must conform to the requirements of federal law found in 42
1001 C.F.R. Part 2, Subpart E.
1002 I. Health care entities may testify about the health records of an individual in compliance with
1003 §§ 8.01-399 and 8.01-400.2.
1004 J. If an individual requests a copy of his health record from a health care entity, the health care
1005 entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and
1006 labor of copying the requested information, postage when the individual requests that such information
1007 be mailed, and preparation of an explanation or summary of such information as agreed to by the
