Each voter signing the petition may provide on the petition the last four digits of his social security number, if any; however, noncompliance with this requirement shall not be cause to invalidate the voter's signature on the petition.

The minimum number of signatures of qualified voters required for candidate petitions shall be as follows:

1. For a candidate for the United States Senate, Governor, Lieutenant Governor, or Attorney General, 10,000 signatures, including the signatures of at least 400 qualified voters from each congressional district in the Commonwealth;

9. 6. For any other candidate, 50 signatures.

B. The State Board shall approve uniform standards by which petitions filed by a candidate for office, other than a party nominee, are reviewed to determine if the petitions contain sufficient signatures of qualified voters as required in subsection A.

C. If a candidate, other than a party nominee, does not qualify to have his name appear on the ballot by reason of the candidate's filed petition not containing the minimum number of signatures of qualified voters for the office sought, the candidate may appeal that determination within five calendar days of the issuance of the notice of disqualification pursuant to § 24.2-612 or notice from the State Board that the candidate did not meet the requirements to have his name appear on the ballot.

Appeals made by candidates for a county, city, or town office shall be filed with the electoral board. Appeals made by candidates for all other offices shall be filed with the State Board. The appeal shall be heard by the State Board or the electoral board, as appropriate, within five business days of its filing. The electoral board shall notify the State Board of any appeal that is filed with the electoral board.

A. Any person who intends to be a candidate for the office of Governor, Lieutenant Governor, or Attorney General or for the General Assembly or the United States Senate or House of Representatives shall file a declaration of candidacy with the State Board, on a form prescribed by the State Board, designating the office for which he is a candidate and indicating a political party preference or that he has no such preference. The written declaration shall be attested to by two witnesses who are qualified voters of the Commonwealth or of the congressional district or acknowledged before some officer authorized to take acknowledgments to deeds. The declaration shall be signed by the candidate, but if he is incapable of writing his proper signature then some mark adopted by him as his signature shall be acknowledged before some officer authorized to take acknowledgments to deeds. The State Board shall notify the respective secretaries of the appropriate electoral boards of the qualified candidates who have so filed.

B. A candidate under this article shall be required to file with his declaration of candidacy a petition for his name to be printed on the official primary ballot, on a form prescribed by the State Board, signed by the number of qualified voters specified in subdivision 1, 2, 3, or 4 after January 1 of the year in which the election is held and listing the residence address of each such voter. Each voter signing the petition may provide on the petition the last four digits of his social security number, if any; however, noncompliance with this requirement shall not be cause to invalidate the voter's signature on the petition. Each signature on the petition shall have been witnessed by a person who is himself a legal resident of the Commonwealth and who is not a minor or a felon whose voting rights have not been restored and whose affidavit to that effect appears on each page of the petition.

The minimum number of signatures of qualified voters required for candidate petitions shall be as follows:

If a candidate does not qualify to have his name appear on the ballot by reason of the candidate's filed petition not containing the minimum number of signatures of qualified voters for the office sought, the candidate may appeal that determination within five calendar days of the issuance of the notice of disqualification pursuant to § 24.2-612 or notice from the State Board that the candidate did not meet the requirements to have his name appear on the ballot. Appeals shall be filed with the State Board and shall be heard by the State Board within five business days of its filing. § 24.2-507.3. Political parties.

No political party shall nominate a candidate for any voter-nominated office by any method of nomination. No political party shall have the right to have a preferred candidate on the ballot at the general election for a voter-nominated office.

This section shall not be interpreted as prohibiting any political party from contributing to, endorsing, or otherwise supporting a candidate for a voter-nominated office. A political party may establish any process for selecting candidates to endorse or support.

§ 24.2-507.4. Ballots for voter-nominated primary election.

305 A. Only a person meeting all the qualifications and fulfilling all the requirements of a candidate
306 shall have his name printed on the ballot provided for the voter-nominated primary election. No person
307 shall have his name printed on the ballot for more than one office at any one voter-nominated primary
308 election. However, a candidate for federal or statewide office may have his name printed on the ballot
309 for two offices at a voter-nominated primary election.

310 B. The voter-nominated primary ballots shall be composed, arranged, printed, delivered, and
311 provided in the same manner as the general election ballots. The names of the candidates for various
312 offices shall appear on the ballot in an order determined by the priority of the time of filing for the
313 office. In the event that two or more candidates file simultaneously, the order of filing shall then be
314 determined by lot by the electoral board or the State Board, as in the case of a tie vote for the office.
315 No write-in shall be permitted on ballots in voter-nominated primary elections. Each candidate shall be
316 identified by his political party preference selected when filing his declaration of candidacy pursuant to
317 § 24.2-507.2. A candidate who did not select a political party preference or indicated that he did not
318 have a political party preference shall be identified by the words "No Party Preference."

319 **§ 24.2-507.5. Conduct of voter-nominated primary election.**

320 A. All persons qualified to vote, pursuant to §§ 24.2-400 through 24.2-403, may vote in the
321 voter-nominated primary election.

322 B. Any person voting in a voter-nominated primary election may cast his vote for only one candidate
323 for any voter-nominated office. The two candidates for a voter-nominated office who receive the highest
324 and next highest number of votes cast for that office shall be deemed to be the candidates for that office
325 at the general election.

326 C. As soon as the electoral board determines the two candidates who have received the highest and
327 next highest number of votes cast for that office, the secretary of the electoral board shall immediately
328 make out abstracts and certificates of the votes cast as provided in § 24.2-675 and forward certified
329 copies thereof to the State Board.

330 **§ 24.2-508. Powers of political parties in general.**

331 Each political party shall have the power to (i) make its own rules and regulations, (ii) call
332 conventions to proclaim a platform, ratify a nomination, or for any other purpose, (iii) provide for the
333 nomination of its candidates, including the nomination of its candidates for office in case of any
334 vacancy, (iv) provide for the nomination and election of its state, county, city, and district committees,
335 and (v) perform all other functions inherent in political party organizations.

336 The provisions of this section regarding the nomination of candidates do not apply to candidates for
337 voter-nominated offices.

338 **§ 24.2-509. Party to determine method of nominating its candidates for office; exceptions.**

339 A. The duly constituted authorities of the state political party shall have the right to determine the
340 method by which a party nomination for a member of the United States Senate or for any statewide
341 office shall be made. The duly constituted authorities of the political party for the district, county, city,
342 or town in which any other office is to be filled shall have the right to determine the method by which
343 a party nomination for that office shall be made.

344 B. Notwithstanding subsection A, the following provisions shall apply to the determination of the
345 method of making party nominations: A party shall nominate its candidate for election for a General
346 Assembly district where there is only one incumbent of that party for the district by the method
347 designated by that incumbent, or absent any designation by him by the method of nomination
348 determined by the party. A party shall nominate its candidates for election for a General Assembly
349 district where there is more than one incumbent of that party for the district by a primary unless all the
350 incumbents consent to a different method of nomination. A party, whose candidate at the immediately
351 preceding election for a particular office other than the General Assembly (i) was nominated by a
352 primary or filed for a primary but was not opposed and (ii) was elected at the general election, shall
353 nominate a candidate for the next election for that office by a primary unless all incumbents of that
354 party for that office consent to a different method.

355 When, under any of the foregoing provisions, no incumbents offer as candidates for reelection to the
356 same office, the method of nomination shall be determined by the political party.

357 For the purposes of this subsection, any officeholder who offers for reelection to the same office
358 shall be deemed an incumbent notwithstanding that the district which he represents differs in part from
359 that for which he offers for election.

360 **§ 24.2-510. Deadlines for parties to nominate by methods other than primary.**

361 For any office, except voter-nominated offices, nominations by political parties by methods other than
362 a primary shall be made and completed in the manner prescribed by law according to the following
363 schedule:

- 364 1. For a general election in November, by 7:00 p.m. on the second Tuesday in June;
- 365 2. For a general election in May, by 7:00 p.m. on the first Tuesday in March;
- 366 3. For a special election held at the same time as a November general election, either (i) at least 81

days before the election or (ii) if the special election is held at the second November election after the vacancy occurred, by 7:00 p.m. on the second Tuesday in June before that November election;

4. For a special election held at the same time as a May general election, by 7:00 p.m. on the first Tuesday in March; or

5. For a special election held at a time other than a general election, (i) at least 60 days before the election or (ii) within five days of any writ of election or order calling a special election to be held less than 60 days after the issuance of the writ or order.

In the case of all general elections a party shall nominate its candidate for any office by a nonprimary method only within the 47 days immediately preceding the primary date established for nominating candidates for the office in question. This limitation shall have no effect, however, on nominations for special elections or pursuant to § 24.2-539.

§ 24.2-511. Party chairman or official to certify candidates to State Board and secretary of electoral board; failure to certify.

A. The state, district, or other appropriate party chairman shall certify the name of any candidate who has been nominated by his party by a method other than a primary for any office to be elected by the qualified voters of ~~(i) the Commonwealth at large, (ii) a congressional district or a General Assembly district, or (iii)~~ political subdivisions jointly electing a shared constitutional officer, along with the date of the nomination of the candidate, to the State Board not later than five days after the last day for nominations to be made. The State Board shall notify the secretaries of every electoral board of the names of the candidates to appear on the ballot for such offices.

B. The party chairman of the district or political subdivision in which any other office, *except a voter-nominated office*, is to be filled shall certify the name of any candidate for that office who has been nominated by his party by a method other than a primary to the State Board and to the secretary or secretaries of the electoral boards of the cities and counties in which the name of the candidate will appear on the ballot not later than five days after the last day for nominations to be made. Should the party chairman fail to make such certification, the State Board shall declare that the candidate is the nominee of the particular party and direct that his name be treated as if certified by the party chairman.

C. In the case of a nomination for any office to be filled by a special election, the party chairman shall certify the name of any candidate (i) by the deadline to nominate the candidate or (ii) not later than five days after the deadline if it is a special election held at the second November election after the vacancy occurred.

D. No further notice of candidacy or petition shall be required of a candidate once the party chairman has certified his name to the State Board.

E. In no case shall the individual who is a candidate for an office be the person who certifies the name of the party candidate for that same office. In such case the party shall designate an alternate official to certify its candidate.

§ 24.2-512. Primaries to be conducted in accordance with article.

A primary when held shall be conducted in all respects under the provisions of this article. All references in this chapter to primaries shall be deemed to mean those elections held for the purpose of nominating candidates as authorized by this article. *Unless provided otherwise, the provisions of this chapter shall not apply to voter-nominated primary elections.*

§ 24.2-513. Provisions as to general elections applicable.

All the provisions and requirements of the laws of this Commonwealth in relation to the holding of elections shall apply to all primaries, *including voter-nominated primary elections*, insofar as they are consistent with this article.

§ 24.2-514. To what nominations this article applies.

This article shall apply to the nomination of candidates for offices by a direct primary held on the regular dates established in § 24.2-515 for the conduct of primaries, and to no other nominations.

A primary is not authorized under this article to nominate ~~(i) presidential electors, nor to nominate~~ *(ii) candidates for voter-nominated offices, or (iii) candidates to fill vacancies unless the candidates for nomination to fill vacancies are to be voted for on the regular date set by this article for primaries.*

§ 24.2-515. Presidential election year primaries.

Primaries for the nomination of candidates for offices, *including voter-nominated offices*, to be voted on at the general election date in November shall be held on the second Tuesday in June next preceding such election, except that beginning with the year 2012 and in presidential election years thereafter, primaries to choose among presidential candidates may be held as provided in Article 7 (§ 24.2-544 et seq.). Primaries for the nomination of candidates for offices to be voted on at the general election date in May shall be held on the first Tuesday in March next preceding such election.

§ 24.2-517. State Board to order election.

The State Board shall order the holding of a primary election in any county, city, or other district of the Commonwealth in which it is notified pursuant to § 24.2-516 that a primary is intended to be held.

428 *The State Board shall order the holding of a voter-nominated primary election in every county, city, or*
 429 *other district of the Commonwealth. The notice ordering the primary or the voter-nominated primary*
 430 *election shall be sent to the secretary of the electoral board. Within five days of the issuance of the*
 431 *order by the State Board, each secretary shall post a copy of the notice on the official website of the*
 432 *county or city, post copies of the notice at not less than 10 public places in the county or city, or have*
 433 *notice of the election published at least once in a newspaper of general circulation in the county or city.*

434 **§ 24.2-520. Declaration of candidacy required.**

435 A candidate for nomination by primary for any office, *except a voter-nominated office*, shall be
 436 required to file a written declaration of candidacy on a form prescribed by the State Board. The
 437 declaration shall include the name of the political party of which the candidate is a member, a
 438 designation of the office for which he is a candidate, and a statement that, if defeated in the primary, his
 439 name is not to be printed on the ballots for that office in the succeeding general election. The
 440 declaration shall be acknowledged before some officer who has the authority to take acknowledgments
 441 to deeds, or attested by two witnesses who are qualified voters of the election district.

442 *A candidate for nomination by a voter-nominated primary election for any voter-nominated office*
 443 *shall be required to file a written declaration of candidacy pursuant to § 24.2-507.2.*

444 **§ 24.2-521. Petition required to accompany declaration; number of signatures required.**

445 A candidate for nomination by primary for any office, *except a voter-nominated office*, shall be
 446 required to file with his declaration of candidacy a petition for his name to be printed on the official
 447 primary ballot, on a form prescribed by the State Board, signed by the number of qualified voters
 448 specified below after January 1 of the year in which the election is held or before or after said date in
 449 the case of a March primary, and listing the residence address of each such voter. Each signature on the
 450 petition shall have been witnessed by a person who is himself a legal resident of the Commonwealth
 451 and who is not a minor or a felon whose voting rights have not been restored and whose affidavit to
 452 that effect appears on each page of the petition.

453 Each voter signing the petition may provide on the petition the last four digits of his social security
 454 number, if any; however, noncompliance with this requirement shall not be cause to invalidate the
 455 voter's signature on the petition.

456 The minimum number of signatures of qualified voters required for primary candidate petitions shall
 457 be as follows:

458 1. For a candidate for the United States Senate, Governor, Lieutenant Governor, or Attorney General,
 459 10,000 signatures; including the signatures of at least 400 qualified voters from each congressional
 460 district in the Commonwealth;

461 2. For a candidate for the United States House of Representatives, 1,000 signatures;

462 3. For a candidate for the Senate of Virginia, 250 signatures;

463 4. For a candidate for the House of Delegates or for a constitutional office, 125 signatures;

464 5. 2. For a candidate for membership on the governing body of any county or city, 125 signatures;
 465 or if from an election district not at large containing 1,000 or fewer registered voters, 50 signatures;

466 6. 3. For a candidate for membership on the governing body of any town which has more than 1,500
 467 registered voters, 125 signatures; or if from a ward or other district not at large, 25 signatures;

468 7. 4. For membership on the governing body of any town which has 1,500 or fewer registered voters,
 469 no petition shall be required; and

470 8. 5. For any other candidate, 50 signatures.

471 *A candidate for nomination by a voter-nominated primary election for any voter-nominated office*
 472 *shall be required to file a petition pursuant to § 24.2-507.2.*

473 **§ 24.2-527. Chairman or official to furnish State Board and local electoral boards with names**
 474 **of candidates and certify petition signature requirements met.**

475 A. It shall be the duty of the chairman or chairmen of the several committees of the respective
 476 parties to furnish the name of any candidate for nomination for any office ~~to be elected by the qualified~~
 477 ~~voters of the Commonwealth at large or of a congressional district or of a General Assembly district to~~
 478 ~~the State Board, and to furnish the name of any candidate for any other office, other than a~~
 479 ~~voter-nominated office~~, to the State Board and to the electoral boards charged with the duty of preparing
 480 and printing the primary ballots. In furnishing the name of any such candidate, the chairman shall certify
 481 that a review of the filed candidate petitions found the required minimum number of signatures of
 482 qualified voters for that office to have been met. The chairman shall also certify the order and date and
 483 time of filing for purposes of printing the ballots as prescribed in § 24.2-528; ~~provided that the State~~
 484 ~~Board shall determine the order and date and time of filing for candidates for United States Senator,~~
 485 ~~Governor, Lieutenant Governor, and Attorney General for such purposes.~~ Each chairman shall comply
 486 with the provisions of this section not less than 70 days before the primary.

487 B. In no case shall the individual who is a candidate for an office be the person who certifies the
 488 names of candidates for a primary for that same office. In such case the party shall designate an
 489 alternate official to certify the candidates.

§ 24.2-530. Who may vote in primary.

All persons qualified to vote, pursuant to §§ 24.2-400 through 24.2-403, may vote at the primary, *including a voter-nominated primary election*. No person shall vote for the candidates of more than one party, *except persons may vote for candidates of more than one party at a voter-nominated primary election*.

§ 24.2-532. Abstracts of votes; law-enforcement officer to obtain returns not forwarded.

As soon as the electoral board shall determine the persons who have received the highest number of votes for nomination to any such office, *or in the case of a voter-nominated office, the two persons who have received the highest and next highest number of votes for nomination*, the secretary of the board shall immediately make out abstracts and certificates of the votes cast as provided in § 24.2-675 and forward certified copies thereof to the State Board. The secretary in addition shall place certified copies thereof in an envelope and forward them in person or by certified mail ~~(i) for members of the House of Representatives of the United States, to the chairman of the congressional district committee, (ii) for members of the General Assembly, to the chairman of the Senate or House of Delegates district committee, and (iii) for county and city and district officers, to the chairman of the county or city.~~ "Chairman" means the chairman of the political party under whose auspices the primary is held.

If the abstract of votes shall not have been received by the State Board from any county or city within six days after any state primary election, the Board shall dispatch a law-enforcement officer to obtain them as provided in § 24.2-678.

§ 24.2-534. Returns tabulated by State Board; when nominee declared.

As soon as possible after receipt of the certified abstract and not later than fourteen days after the day of the election, the State Board shall open and tabulate the returns. Upon completion of the tabulation the Board shall declare the nominee in the manner and form as it does in general elections.

The provisions of this section shall apply to voter-nominated primary elections.

§ 24.2-535. Vote required to nominate.

Any candidate for party nomination to any office, *except a voter-nominated office*, who receives a plurality of the votes cast by his party shall be the nominee of his party for that office and his name shall be printed on the official ballots used in the election for which the primary was held.

The two candidates nominated for a voter-nominated office who receive the highest and next highest number of votes cast at the voter-nominated primary election for that office shall be the nominees for that office at the general election. The names of the candidates and the political party preference selected when filing the declaration of candidacy pursuant to § 24.2-507.2 shall be printed on the official ballots used in the election for which the voter-nominated primary election was held.

§ 24.2-603.1. Postponement of certain elections; state of emergency.

For purposes of this section, "election" means (i) any local or state referendum, (ii) any primary, *voter-nominated primary*, special, or general election for local or state office except a general election for Governor, Lieutenant Governor, Attorney General and the General Assembly, (iii) any primary for federal office including any primary for the nomination of candidates for the office of President of the United States, or (iv) any federal special election to fill a vacancy in the United States Senate or the United States House of Representatives. In the event of a state of emergency declared by the Governor pursuant to Chapter 3.2 (§ 44-146.13 et seq.) of Title 44 or declared by the President of the United States or the governor of another state pursuant to law and confirmed by the Governor by an executive order, the Governor may postpone an election by executive order in areas affected by the emergency to a date, notwithstanding the provisions of § 24.2-682, not to exceed 14 days from the original date of the election.

If a local governing body determines that a longer postponement is required, it may petition a three-judge panel of the Virginia Supreme Court, to include the Chief Justice as the presiding Justice, for an extension. The Chief Justice shall choose the other two Justices by lot. The Court may postpone the election to a date it deems appropriate, notwithstanding the provisions of § 24.2-682, not to exceed 30 days from the original date of the election.

Only those persons duly registered to vote as of the original date of the election shall be entitled to vote in the rescheduled election.

If, as a direct result of the emergency, any ballots already cast at the polling places or equipment on which ballots have been cast, or any voted absentee ballots already received by the appropriate election officials or any equipment on which absentee ballots have already been cast have been destroyed or otherwise damaged so that such ballots cannot be counted manually or by a voting system, the Governor (i) shall specify that such ballots or votes previously cast by machinery or paper need to be recast on or by the rescheduled election date so that they may be counted and (ii) shall direct the appropriate election officials to immediately send replacement absentee ballots to all absentee voters whose voted ballots are known to have been so destroyed or damaged. Such instructions may be issued by executive order separately from the executive order postponing the election. Any absentee ballots duly cast and received

551 by the rescheduled election date and able to be counted shall be valid and counted when determining the
552 results of the rescheduled election; however, if more than one absentee ballot is received from any voter,
553 only the first absentee ballot received and able to be counted shall be counted. Any person who was
554 duly registered to vote as of the original date of the election, and who has not voted, or who is
555 permitted to recast their ballot due to the emergency, may vote by absentee ballot in accordance with
556 the provisions of Chapter 7 (§ 24.2-700 et seq.) in the rescheduled election. Official ballots shall not be
557 invalidated on the basis that they contain the original election date.

558 If the postponement of the election is ordered after voting at the polls on the original election date
559 has already commenced, all qualified voters in a precinct in which any voted ballots, voting equipment
560 containing voted ballots or pollbooks recording who has already voted in that precinct have been
561 destroyed or damaged as a direct result of the emergency, so that the votes cannot be counted or it
562 cannot be determined who has already voted, shall be allowed to vote in the rescheduled election, and
563 no votes cast at the polls on the original election date shall be counted. If the postponement of the
564 election is ordered after voting at the polls on the original election date has already commenced and no
565 ballots cast at the polls, voting equipment containing voted ballots, or pollbooks recording who has
566 already voted in that election in that precinct have been destroyed or damaged as a direct result of the
567 emergency, only qualified voters who had not yet voted shall be eligible to vote on the rescheduled
568 election day and all votes cast on the original and postponed election dates shall be counted at the close
569 of the polls on the rescheduled election day.

570 The provisions of § 24.2-663 requiring the voiding of all ballots received from any voter who votes
571 more than once in the same election shall not apply to ballots otherwise lawfully cast or recast pursuant
572 to this section; however, no more than one ballot may be counted from any voter in the same election.
573 If one ballot has already been counted, any additional ballots from the same voter shall be void and
574 shall not be counted. The provisions of § 24.2-1004 or any other law prohibiting any voter from voting
575 more than once in the same election, or any oath attesting to the same, shall not apply to ballots
576 otherwise lawfully cast or recast pursuant to this section.

577 No results shall be tallied or votes counted in any postponed election before the closing of the polls
578 on the rescheduled election date. Officers of election in unaffected areas shall count and report the
579 results for the postponed election after the close of the polls on the rescheduled election date. The
580 counting may take place at the precinct or another location determined by the local electoral board.

581 The State Board shall prescribe appropriate procedures to implement this section.

582 **§ 24.2-604. Prohibited activities at polls; notice of prohibited area; electioneering; presence of**
583 **representatives of parties or candidates; simulated elections; observers; news media; penalties.**

584 A. During the times the polls are open and ballots are being counted, it shall be unlawful for any
585 person (i) to loiter or congregate within 40 feet of any entrance of any polling place; (ii) within such
586 distance to give, tender, or exhibit any ballot, ticket, or other campaign material to any person or to
587 solicit or in any manner attempt to influence any person in casting his vote; or (iii) to hinder or delay a
588 qualified voter in entering or leaving a polling place.

589 B. Prior to opening the polls, the officers of election shall post, in the area within 40 feet of any
590 entrance to the polling place, sufficient notices which state "Prohibited Area" in two-inch type. The
591 notices shall also state the provisions of this section in not less than 24-point type. The officers of
592 election shall post the notices within the prohibited area to be visible to voters and the public.

593 C. The officers of election shall permit one authorized representative of each political party or
594 independent candidate in a general or special election, or one authorized representative of each candidate
595 in a primary *or voter-nominated primary* election, to remain in the room in which the election is being
596 conducted at all times. A representative may serve part of the day and be replaced by successive
597 representatives. The officers of election shall have discretion to permit up to three authorized
598 representatives of each political party or independent candidate in a general or special election, or up to
599 three authorized representatives of each candidate in a primary *or voter-nominated primary* election, to
600 remain in the room in which the election is being conducted. The officers shall permit one such
601 representative for each pollbook station. However, no more than one such representative for each
602 pollbook station or three representatives of any political party or independent candidate, whichever
603 number is larger, shall be permitted in the room at any one time. Each authorized representative shall be
604 a qualified voter of any jurisdiction of the Commonwealth. Each representative shall present to the
605 officers of election a written statement designating him to be a representative of the party or candidate
606 and signed by the county or city chairman of his political party, the independent candidate, or the
607 primary *or voter-nominated primary* candidate, as appropriate. If the county or city chairman is
608 unavailable to sign such a written designation, such a designation may be made by the state or district
609 chairman of the political party. However, no written designation made by a state or district chairman
610 shall take precedence over a written designation made by the county or city chairman. Such statement,
611 bearing the chairman's or candidate's original signature, may be photocopied, and such photocopy shall
612 be as valid as if the copy had been signed. No candidate whose name is printed on the ballot shall serve

as a representative of a party or candidate for purposes of this section. Authorized representatives shall be allowed, whether in a regular polling place or central absentee voter precinct, to be close enough to the voter check-in table to be able to hear and see what is occurring; however, such observation shall not violate the secret vote provision of Article II, Section 3 of the Constitution of Virginia or otherwise interfere with the orderly process of the election. Any representative who complains to the chief officer of election that he is unable to hear or see the process may accept the chief officer's decision or, if dissatisfied, he may immediately appeal the decision to the local electoral board. Authorized representatives shall be allowed, whether in a regular polling place or central absentee voter precinct, to use a handheld wireless communications device, but shall not be allowed to use such a device to capture a digital image inside the polling place or central absentee voter precinct. The officers of election may prohibit the use of cellular telephones or other handheld wireless communications devices if such use will result in a violation of subsection A or D or § 24.2-607. Authorized representatives shall not be allowed in any case to provide assistance to any voter as permitted under § 24.2-649 or to wear any indication that they are authorized to assist voters either inside the polling place or within 40 feet of any entrance to the polling place.

D. It shall be unlawful for any authorized representative, voter, or any other person in the room to (i) hinder or delay a qualified voter; (ii) give, tender, or exhibit any ballot, ticket, or other campaign material to any person; (iii) solicit or in any manner attempt to influence any person in casting his vote; (iv) hinder or delay any officer of election; (v) be in a position to see the marked ballot of any other voter; or (vi) otherwise impede the orderly conduct of the election.

E. The officers of election may require any person who is found by a majority of the officers present to be in violation of this section to remain outside of the prohibited area. Any person violating subsection A or D shall be guilty of a Class 1 misdemeanor.

F. This section shall not be construed to prohibit a candidate from entering any polling place on the day of the election to vote, or to visit a polling place for no longer than 10 minutes per polling place per election day, provided that he complies with the restrictions stated in subsections A, D, and K.

G. This section shall not be construed to prohibit a minor from entering a polling place on the day of the election to vote in a simulated election at that polling place, provided that the local electoral board has determined that such polling place can accommodate simulated election activities without interference or substantial delay in the orderly conduct of the official voting process. Persons supervising or working in a simulated election in which minors vote may remain within such polling place. The local electoral board and the chief officer for the polling place shall exercise authority over, but shall have no responsibility for the administration of, simulated election related activities at the polling place.

H. A local electoral board, and its general registrar, may conduct a special election day program for high school students, selected by the electoral board in cooperation with high school authorities, in one or more polling places designated by the electoral board, other than a central absentee voter precinct. The program shall be designed to stimulate the students' interest in elections and registering to vote, provide assistance to the officers of election, and ensure the safe entry and exit of elderly and disabled voters from the polling place. Each student shall take and sign an oath as an election page, serve under the direct supervision of the chief officer of election of his assigned polling place, and observe strict impartiality at all times. Election pages may observe the electoral process and seek information from the chief officer of election, but shall not handle or touch ballots, voting machines, or any other official election materials, or enter any voting booth.

I. A local electoral board may authorize in writing the presence of additional neutral observers as it deems appropriate, except as otherwise prohibited or limited by this section. Such observers shall comply with the restrictions in subsections A and D and shall not be allowed in any case to provide assistance to any voter as permitted under § 24.2-649 or to wear any indication that they are authorized to assist voters either inside the polling place or within 40 feet of any entrance to the polling place.

J. The officers of election shall permit representatives of the news media to visit and film or photograph inside the polling place for a reasonable and limited period of time while the polls are open. However, the media (i) shall comply with the restrictions in subsections A and D; (ii) shall not film or photograph any person who specifically asks the media representative at that time that he not be filmed or photographed; (iii) shall not film or photograph the voter or the ballot in such a way that divulges how any individual voter is voting; and (iv) shall not film or photograph the voter list or any other voter record or material at the precinct in such a way that it divulges the name or other information concerning any individual voter. Any interviews with voters, candidates or other persons, live broadcasts, or taping of reporters' remarks, shall be conducted outside of the polling place and the prohibited area. The officers of election may require any person who is found by a majority of the officers present to be in violation of this subsection to leave the polling place and the prohibited area.

K. The provisions of subsections A and D shall not be construed to prohibit a person who approaches or enters the polling place for the purpose of voting from wearing a shirt, hat, or other

674 apparel on which a candidate's name or a political slogan appears or from having a sticker or button
675 attached to his apparel on which a candidate's name or a political slogan appears. This exemption shall
676 not apply to candidates, representatives of candidates, or any other person who approaches or enters the
677 polling place for any purpose other than voting.

678 **§ 24.2-612.1. Ballots; death, withdrawal, or disqualification of candidates.**

679 In the case of the death, withdrawal, or disqualification of any candidate, other than a party nominee,
680 who has qualified to have his name printed on the ballot for any election other than a presidential or,
681 primary, or voter-nominated primary election, the State Board of Elections shall take into account the
682 time available before the election and the status of the ballots for the election and shall have authority to
683 direct the electoral boards on how to proceed to print the ballot without the candidate's name, correct the
684 ballot to delete the candidate's name, or provide notice to voters of the death, withdrawal, or
685 disqualification of the candidate.

686 The State Board shall have like authority in the case of the death, withdrawal, or disqualification of a
687 party nominee subject to the provisions of Article 5 (§ 24.2-539 et seq.) of Chapter 5 of this title.

688 **§ 24.2-613. Form of ballot.**

689 The ballots shall comply with the requirements of this title and the standards prescribed by the State
690 Board.

691 For elections for federal, statewide, and General Assembly offices only, each candidate who has been
692 nominated by a political party or in a primary or voter-nominated primary election shall be identified by
693 the name of his political party or, in the case of candidates nominated at a voter-nominated primary
694 election, the name of the political party he selected when filing his declaration of candidacy pursuant to
695 § 24.2-507.2. Independent candidates shall be identified by the term "Independent." *Candidates for a*
696 *voter-nominated office who did not identify a political party preference or selected no party preference*
697 *shall be identified by the phrase "No Party Preference."* For the purpose of this section, any
698 Independent candidate may, by producing sufficient and appropriate evidence of nomination by a
699 "recognized political party" to the State Board, have the term "Independent" on the ballot converted to
700 that of a "recognized political party" on the ballot and be treated on the ballot in a manner consistent
701 with the candidates nominated by political parties. For the purpose of this section, a "recognized
702 political party" is defined as an organization that, for at least six months preceding the filing of its
703 nominee for the office, has had in continual existence a state central committee composed of registered
704 voters residing in each congressional district of the Commonwealth, a party plan and bylaws, and a duly
705 elected state chairman and secretary. A letter from the state chairman of a recognized political party
706 certifying that a candidate is the nominee of that party and also signed by such candidate accepting that
707 nomination shall constitute sufficient and appropriate evidence of nomination by a recognized political
708 party. The name of the political party, the name of the "recognized political party," or term
709 "Independent" may be shown by an initial or abbreviation to meet ballot requirements.

710 Except as provided for primary elections and elections for voter-nominated offices, the State Board
711 shall determine by lot the order of the political parties, and the names of all candidates for a particular
712 office shall appear together in the order determined for their parties. *In an election for a*
713 *voter-nominated office, the State Board shall determine by lot the order of the candidates, and the*
714 *names of all candidates for that office shall be listed in that order, regardless of political party*
715 *affiliation.* In an election district in which more than one person is nominated by one political party for
716 the same office, the candidates' names shall appear alphabetically in their party groups under the name
717 of the office, with sufficient space between party groups to indicate them as such. For the purpose of
718 this section, except as provided for presidential elections in § 24.2-614, "recognized political parties"
719 shall be treated as a class; the order of the recognized political parties within the class shall be
720 determined by lot by the State Board; and the class shall follow the political parties as defined by
721 § 24.2-101 and precede the independent class. Independent candidates shall be treated as a class under
722 "Independent"; their names shall be placed on the ballot after the political parties and recognized
723 political parties; and where there is more than one independent candidate for an office, their names shall
724 appear alphabetically.

725 No individual's name shall appear on the ballot more than once for the same office.

726 In preparing the printed ballots for general, special, and primary, and voter-nominated primary
727 elections, the State Board and electoral boards shall cause to be printed in not less than 10-point type,
728 immediately below the title of any office, a statement of the number of candidates for whom votes may
729 be cast for that office. For any office to which only one candidate can be elected, the following
730 language shall be used: "Vote for only one." For any office to which more than one candidate can be
731 elected, the following language shall be used: "Vote for not more than ____."

732 Any locality that uses machine-readable ballots at one or more precincts, including any central
733 absentee precinct, may, with the approval of the State Board, use a printed reproduction of the
734 machine-readable ballot in lieu of the official machine-readable ballot. Such reproductions shall be
735 printed and otherwise handled in accordance with all laws and procedures that apply to official paper

ballots.

In every county and city using voting systems requiring printed ballots, the electoral board shall furnish a sufficient number of ballots printed on plain white paper, of such form and size as will fit in the ballot frames.

§ 24.2-627. Electronic voting or counting machines; number required.

A. The governing body of any county or city that adopts for use at elections direct recording electronic machines shall provide for each precinct at least the following number of voting machines:

In each precinct having not more than 750 registered voters, 1;

In each precinct having more than 750 but not more than 1,500 registered voters, 2;

In each precinct having more than 1,500 but not more than 2,250 registered voters, 3;

In each precinct having more than 2,250 but not more than 3,000 registered voters, 4;

In each precinct having more than 3,000 but not more than 3,750 registered voters, 5;

In each precinct having more than 3,750 but not more than 4,500 registered voters, 6;

In each precinct having more than 4,500 but not more than 5,000 registered voters, 7.

B. The governing body of any county or city that adopts for use at elections ballot scanner machines shall provide for each precinct at least one voting booth with a marking device for each 425 registered voters or portion thereof and shall provide for each precinct at least one scanner. However, each precinct having more than 4,000 registered voters shall be provided with not less than two scanners at a presidential election, unless the governing body, in consultation with the general registrar and the electoral board, determines that a second scanner is not necessary at any such precinct on the basis of voter turnout and the average wait time for voters in previous presidential elections.

C. The local electoral board of any county or city shall be authorized to conduct any May general election, primary election, *voter-nominated primary election*, or special election held on a date other than a November general election with the number of voting or counting machines it determines is appropriate for each precinct, notwithstanding the provisions of subsections A and B.

D. For purposes of applying this section, an electoral board may exclude persons voting absentee in its calculations, and if it does so, the electoral board shall send to the Department a statement of the number of voting systems to be used in each precinct. If the State Board finds that the number of voting systems is not sufficient, it may direct the local board to use more voting systems.

§ 24.2-633. Notice of final testing of voting system; sealing equipment.

Before the final testing of voting or counting machines for any election, the electoral board shall mail written notice (i) to the chairman of the local committee of each political party, or (ii) in a primary election, to the chairman of the local committee of the political party holding the primary, or (iii) *in a voter-nominated primary election, to the candidates*, or (iv) in a city or town council election in which no candidate is a party nominee and which is held when no other election having party nominees is being conducted, to the candidates.

The notice shall state the time and place where the machine will be tested and state that the political party or candidate receiving the notice may have one representative present while the equipment is tested.

At the time stated in the notice, the representatives, if present, shall be afforded an opportunity to see that the equipment is in proper condition for use at the election. When a machine has been so examined by the representatives, it shall be sealed with a numbered seal in their presence, or if the machine cannot be sealed with a numbered seal, it shall be locked with a key. The representatives shall certify for each machine the number registered on the protective counter and the number on the seal. When no party or candidate representative is present, the custodian shall seal the machine as prescribed in this section in the presence of a member of the electoral board or its representative.

§ 24.2-639. Duties of officers of election.

The officers of election of each precinct at which voting or counting machines are used shall meet at the polling place by 5:15 a.m. on the day of the election and arrange the equipment, furniture, and other materials for the conduct of the election. The officers of election shall verify that all required equipment, ballots, and other materials have been delivered to them for the election. The officers shall post at least two instruction cards for direct recording electronic machines conspicuously within the polling place.

The keys to the equipment and any electronic activation devices that are required for the operation of electronic voting equipment shall be delivered, prior to the opening of the polls, to the officer of election designated by the electoral board in a sealed envelope on which has been written or printed the name of the precinct for which it is intended. The envelope containing the keys and any electronic activation devices shall not be opened until all of the officers of election for the precinct are present at the polling place and have examined the envelope to see that it has not been opened. The equipment shall remain locked against voting until the polls are formally opened and shall not be operated except by voters in voting.

Before opening the polls, each officer shall examine the equipment and see that no vote has been

cast and that the counters register zero. The officers shall conduct their examination in the presence of the following party and candidate representatives: one authorized representative of each political party or independent candidate in a general or special election, or one authorized representative of each candidate in a primary *or voter-nominated primary* election, if such representatives are available. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the officers of election a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary *or voter-nominated primary* candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

If any counter, other than a protective or private counter, on a ballot scanner or direct recording electronic machine is found not to register zero, the officers of election shall immediately notify the electoral board which shall, if possible, substitute a machine in good working order, that has been prepared and tested pursuant to § 24.2-634. No ballot scanner or direct recording electronic machine shall be used if any counter, other than a protective or private counter, is found not to register zero.

§ 24.2-651. Voter who is challenged; how challenge tried.

Any qualified voter may, and the officers of election shall, challenge the vote of any person who is listed on the pollbook but is known or suspected not to be a qualified voter.

The individual making the challenge shall complete and sign the following statement on a form provided by the State Board:

"I do hereby state, subject to penalties for hindering, intimidating, or interfering with a qualified voter pursuant to § 24.2-607, that I am a qualified voter of this Commonwealth or an officer of election and that, to the best of my knowledge, information, and belief, _____ is not a qualified voter of this precinct by reason of (please check each of the following reasons that is applicable):

1. The named person is not a citizen of the United States;

2. The named person is not now 18 years of age or, in the case of a primary election *or voter-nominated primary election*, or a special election held on a date other than a general election date, will not reach the age of 18 before the next general election;

3. The named person is not a resident of the Commonwealth (or, if he has not been a resident of the Commonwealth within the preceding 30 days, he is attempting to vote for an office or issue other than electors of President and Vice President of the United States);

4. The named person is not a resident of this precinct (or he has not been a resident of this precinct since the second preceding general federal election and has not continued to be a resident of this county or city and this congressional district);

5. The named person is not a resident of the town in the case of a town election;

6. The named person has been disqualified from voting by the Constitution and laws of the Commonwealth and this disqualification has not been removed by proper authority;

7. The named person is not the identical person he represents himself to be; or

8. The named person has voted in this election at this or another voting place (state when and where the named person previously voted in this election: _____)."

Upon receipt of a signed challenge from a qualified voter or officer of election, an officer of election shall explain to the challenged voter the qualifications of a voter and may examine him concerning his qualifications.

The officers of election are hereby authorized to administer the necessary oath or affirmation to any witness brought before them to testify as to the qualifications of any person offering to vote.

If the person being challenged insists that he is qualified and the challenge is not withdrawn, one of the officers shall give him a form containing the following statement:

"I do hereby state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that I am a citizen of the United States, that I am at least 18 years of age (or will be on the _____ day of _____, _____) that I am a resident of the Commonwealth of Virginia (or that I have been a resident of this Commonwealth within the preceding 30 days and am voting only for electors of President and Vice President of the United States), and that, according to the best of my knowledge, information and belief, I am not disqualified from voting by the Constitution and laws of this Commonwealth; that my full name is _____; that in such name I was duly registered as a voter of this precinct; that I am now or at some time since the last November general election have been an actual resident of this precinct or that I have been an actual resident of this precinct at some time since the second preceding general federal election and have been and continue to be a resident of this county or city and this congressional district; if I am voting in a town election today, that I am

currently a resident of that town; that I am the identical person I represent myself to be; and that I have not voted in this election at this or any voting place and will not vote in this election at any other voting place."

If the person challenged refuses to sign the statement, he shall not be permitted to vote. If, however, he signs the statement, he shall be permitted to vote on the voting system in use at the precinct, unless he is required to cast a provisional ballot pursuant to § 24.2-651.1.

When the voter has signed the statement and is permitted to vote, the officers of election shall mark his name on the pollbook with the first or next consecutive number from the voter count form, or shall enter that the voter has voted if the pollbook is in electronic form, and shall indicate on the pollbook that he has signed the required statement in accordance with the instructions of the State Board.

If the envelope containing a voted absentee ballot has been properly signed by the voter, such ballot shall not be subject to challenge pursuant to this section.

§ 24.2-653. Voter whose name does not appear on pollbook or who is marked as having voted; handling of provisional ballots; ballots cast after normal close of polls due to court order extending polling hours.

A. When a person offers to vote pursuant to § 24.2-652 and the general registrar is not available or cannot state that the person is registered to vote, then such person shall be allowed to vote by printed ballot in the manner provided in this section. This procedure shall also apply when required by § 24.2-643 or 24.2-651.1.

Such person shall be given a printed ballot and provide, subject to the penalties for making false statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the identifying information required on the envelope, including the last four digits of his social security number, if any, full name including the maiden or any other prior legal name, date of birth, complete address, and signature. Such person shall be asked to present one of the forms of identification specified in subsection B of § 24.2-643. The officers of election shall note on the green envelope whether or not the voter has presented one of the specified forms of identification. The officers of election shall enter the appropriate information for the person in the precinct provisional ballots log in accordance with the instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook nor otherwise mark his name as having voted. The officers of election shall provide an application for registration to the person offering to vote in the manner provided in this section.

The voter shall then, in the presence of an officer of election, but in a secret manner, mark the printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the ballot shall then promptly be placed in the ballot container by an officer of election.

An officer of election, by a written notice given to the voter, shall (i) inform him that a determination of his right to vote shall be made by the electoral board, (ii) advise the voter of the beginning time and place for the board's meeting and of the voter's right to be present at that meeting, and (iii) inform a voter voting provisionally when required by § 24.2-643 that he may submit a copy of one of the forms of identification specified in subsection B of § 24.2-643 to the electoral board by facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial mail delivery, to be received by the electoral board no later than noon on the third day after the election. At the meeting, the voter may request an extension of the determination of the provisional vote in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions which it deems reasonable to determine the status of a provisional vote.

B. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes contained therein, and signed by the officers of election who counted them. All provisional votes envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

The electoral board shall meet on the day following the election and determine whether each person having submitted such a provisional vote was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension as provided in subsection A, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

One authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary or voter-nominated primary election shall be permitted to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct

920 of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the
921 Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to
922 the electoral board a written statement designating him to be a representative of the party or candidate
923 and signed by the county or city chairman of his political party, the independent candidate, or the
924 primary or voter-nominated primary candidate, as appropriate. If the county or city chairman is
925 unavailable to sign such a written designation, such a designation may be made by the state or district
926 chairman of the political party. However, no written designation made by a state or district chairman
927 shall take precedence over a written designation made by the county or city chairman. Such statement,
928 bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall
929 be as valid as if the copy had been signed.

930 Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.),
931 attendance at meetings of the electoral board to determine the validity of provisional ballots shall be
932 permitted only for the authorized representatives provided for in this subsection, for the persons whose
933 provisional votes are being considered and their representative or legal counsel, and for appropriate staff
934 and legal counsel for the electoral board.

935 If the electoral board determines that such person was not entitled to vote as a qualified voter in the
936 precinct in which he offered the provisional vote, is unable to determine his right to vote, or has not
937 been provided one of the forms of identification specified in subsection B of § 24.2-643, the envelope
938 containing his ballot shall not be opened and his vote shall not be counted. The provisional vote shall be
939 counted if (a) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (b) the
940 Department of Elections or the voter presents proof that indicates the voter submitted an application for
941 registration to the Department of Motor Vehicles or other state-designated voter registration agency prior
942 to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was
943 qualified for registration based upon the application for registration submitted by the person pursuant to
944 subsection A. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found
945 not properly registered or whose provisional vote was not counted.

946 If the electoral board determines that such person was entitled to vote, the name of the voter shall be
947 entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and
948 the ballot placed in a ballot container without any inspection further than that provided for in
949 § 24.2-646.

950 On completion of its determination, the electoral board shall proceed to count such ballots and certify
951 the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No
952 adjustment shall be made to the statement of results for the precinct in which the person offered to vote.
953 However, any voter who cast a provisional ballot and is determined by the electoral board to have been
954 entitled to vote shall have his name included on the list of persons who voted that is submitted to the
955 Department of Elections pursuant to § 24.2-406.

956 The certification of the results of the count together with all ballots and envelopes, whether open or
957 unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit
958 court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

959 C. Whenever the polling hours are extended by an order of a court of competent jurisdiction, any
960 ballots marked after the normal polling hours by persons who were not already in line at the time the
961 polls would have closed, notwithstanding the court order, shall be treated as provisional ballots under
962 this section. The officers of election shall mark the green envelope for each such provisional ballot to
963 indicate that it was cast after normal polling hours due to the court order, and when preparing the
964 materials to deliver to the registrar or electoral board, shall separate these provisional ballots from any
965 provisional ballots used for any other reason. The electoral board shall treat these provisional ballots as
966 provided in subsection B; however, the counted and uncounted provisional ballots marked after the
967 normal polling hours shall be kept separate from all other ballots and recorded in a separate provisional
968 ballots pollbook. The Department of Elections shall provide instructions to the electoral boards for the
969 handling and counting of such provisional ballots pursuant to this section.

970 **§ 24.2-655. Representatives of political parties and candidates to be present on request.**

971 Before proceeding to ascertain the vote, the officers of election shall determine whether no more than
972 two representatives of each political party having candidates in the election and one representative of
973 each independent candidate or primary or voter-nominated primary candidate request to be present while
974 the absentee ballots are cast, votes are counted, and returns are completed.

975 Each representative shall be a qualified voter of any jurisdiction in the Commonwealth and shall
976 present to the officers of election a written statement certifying that he is an authorized representative,
977 signed by his party chairman for the jurisdiction in which the election is held, the independent
978 candidate, or the candidate in a primary or voter-nominated primary, as appropriate. If the party
979 chairman for the jurisdiction in which the election is held is unavailable to sign such a written
980 designation, such a designation may be made by the state or district chairman of the political party.
981 However, no written designation made by a state or district chairman shall take precedence over a

written designation made by the party chairman for the jurisdiction in which the election is held. Such representatives shall be entitled to be present while the votes are counted and shall remain until the returns are completed.

In case such representatives, or any of them, do not request to be present, the officers shall notify the bystanders, if any, and select one or more to be present with any available representatives of the parties or candidates so that there are as many as four bystanders and representatives present.

The representatives and bystanders lawfully present shall have an unobstructed view of the officers of election and their actions while the absentee ballots are cast, votes are counted, and returns are completed. The representatives and bystanders lawfully present are prohibited from interfering with the officers of election in any way.

§ 24.2-669. Clerk to keep ballots; inspection; destruction.

The clerk to whom the counted and uncounted ballots are delivered shall, without breaking the seal, deposit them in a secure place in his office, where they shall be kept for the time required by this section. He shall not allow the ballots to be inspected except (i) by an authorized representative of the State Board or by the electoral board at the direction of the State Board to ensure the accuracy of the returns or the purity of the election, (ii) by the officers of election, and then only at the direction of the electoral board in accordance with § 24.2-672 when the provisions of § 24.2-662 have not been followed, (iii) on the order of a court before which there is pending a proceeding for a contest or recount under Chapter 8 (§ 24.2-800 et seq.) of this title or before whom there is then pending a proceeding in which the ballots are necessary for use in evidence, or (iv) for the purpose of conducting an audit as part of a post-election pilot program pursuant to § 24.2-671.1. In the event that ballots are inspected under clause (i), (ii), or (iv) of this paragraph, each political party and each independent candidate on the ballot, or each primary or voter-nominated primary candidate, shall be entitled to have a representative present during such inspection. The representatives and observers lawfully present shall be prohibited from interfering with the officers of election in any way. The State Board or local electoral board shall provide such parties and candidates reasonable advance notice of the inspection.

After the counted ballots for a federal election have remained in the clerk's office for two years, if no election contest or other proceeding is pending in which such ballots may be needed as evidence, the clerk shall destroy such ballots. After the counted ballots for any other election have remained in the clerk's office for one year, if no election contest or other proceeding is pending in which such ballots may be needed as evidence, the clerk shall destroy such ballots. After the unused ballots have remained in the clerk's office and the time has expired for initiating a recount, contest, or other proceeding in which such ballots may be needed as evidence and no such contest or proceeding is pending, the clerk may then destroy the unused ballots other than punchcard ballots, which shall be returned to the electoral board.

§ 24.2-671. Electoral board to meet and ascertain results; conclusiveness of results.

Each electoral board shall meet at the clerk's or general registrar's office of the county or city for which they are appointed at or before 5:00 p.m. on the day after any election. The board may adjourn to another room of sufficient size in a public building to ascertain the results, and may adjourn as needed, not to exceed seven calendar days from the date of the election. Written directions to the location of any room other than the clerk's or general registrar's office where the board will meet shall be posted at the doors of the clerk's and general registrar's offices prior to the beginning of the meeting.

The board shall open the returns delivered by the officers.

If the electoral board has exercised the option provided by § 24.2-668 for delivery of the election materials to the office of the general registrar on the night of the election, the electoral board shall meet at the office of the general registrar at or before 5:00 p.m. on the day after any election.

The board shall ascertain from the returns the total votes in the county or city, or town in a town election, for each candidate and for and against each question and complete the abstract of votes cast at such election, as provided for in § 24.2-675. For any office in which no person was elected by write-in votes, and for which the total number of write-in votes for that office is less than (i) five percent of the total number of votes cast for that office and (ii) the total number of votes cast for the candidate receiving the most votes, the electoral board shall ascertain the total votes for each write-in candidate for the office within one week following the election. For offices for which the electoral board issues the certificate of election, the result so ascertained, signed and attested, shall be conclusive and shall not thereafter be subject to challenge except as specifically provided in Chapter 8 (§ 24.2-800 et seq.) of this title.

Once the result is so ascertained, the secretary of the electoral board shall deliver one copy of each statement of results to the general registrar to be available for inspection when his office is open for business. The secretary shall then return all pollbooks, any printed inspection and return sheets, and one copy of each statement of results to the clerk.

Beginning with the general election in November 2007, a report of any changes made by the local

electoral board to the unofficial results ascertained by the officers of election or any subsequent change to the official abstract of votes made by the local electoral board shall be forwarded to the State Board of Elections and the explanation of such change shall be posted on the State Board website.

Each political party and each independent candidate on the ballot, or each primary or voter-nominated primary candidate, shall be entitled to have representatives present when the local electoral board meets to ascertain the results of the election. Each such party and candidate shall be entitled to have at least as many representatives present as there are teams of officials working to ascertain the results, and the room in which the local electoral board meets shall be of sufficient size and configuration to allow the representatives reasonable access and proximity to view the ballots as the teams of officials work to ascertain the results. The representatives and observers lawfully present shall be prohibited from interfering with the officials in any way.

§ 24.2-682. Times for special elections.

A. Notwithstanding any charter or special act to the contrary, the following provisions govern the times for holding special elections. Every special election shall be held on a Tuesday. No special election shall be held within the 55 days prior to a general ~~or~~, primary, or voter-nominated primary election. No special election shall be held on the same day as a primary or voter-nominated primary election. A special election may be held on the same day as a general election.

B. A referendum election shall be ordered at least 81 days prior to the date for which the referendum election is called.

C. A special election to fill a vacancy in any constitutional office shall be held promptly and in accordance with the requirements of subsection A.

§ 24.2-700. Persons entitled to vote by absentee ballot.

The following registered voters may vote by absentee ballot in accordance with the provisions of this chapter in any election in which they are qualified to vote:

1. Any person who, in the regular and orderly course of his business, profession, or occupation or while on personal business or vacation, will be absent from the county or city in which he is entitled to vote;

2. Any person who is (i) a member of a uniformed service, as defined in § 24.2-452, on active duty, (ii) temporarily residing outside of the United States, or (iii) the spouse or dependent residing with any person listed in clause (i) or (ii), and who will be absent on the day of the election from the county or city in which he is entitled to vote;

3. Any student attending a school or institution of learning, or his spouse, who will be absent on the day of election from the county or city in which he is entitled to vote;

5. Any person who is confined while awaiting trial or for having been convicted of a misdemeanor, provided that the trial or release date is scheduled on or after the third day preceding the election. Any person who is awaiting trial and is a resident of the county or city where he is confined shall, on his request, be taken to the polls to vote on election day if his trial date is postponed and he did not have an opportunity to vote absentee;

6. Any person who is a member of an electoral board, registrar, officer of election, or custodian of voting equipment;

7. Any duly registered person who is unable to go in person to the polls on the day of the election because he is primarily and personally responsible for the care of an ill or disabled family member who is confined at home;

9. Any person who, in the regular and orderly course of his business, profession, or occupation, will be at his place of work and commuting to and from his home to his place of work for 11 or more hours of the 13 hours that the polls are open pursuant to § 24.2-603;

11. Any person who has been designated by a political party, independent candidate, or candidate in a primary or voter-nominated primary election to be a representative of the party or candidate inside a polling place on the day of the election pursuant to subsection C of § 24.2-604 and § 24.2-639.

§ 24.2-701. Application for absentee ballot.

A. The State Board shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any person who is qualified to vote absentee under subdivision 2 of § 24.2-700.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all general elections, except May general elections, and on the Saturday immediately preceding any primary election, *voter-nominated primary election*, May general election, or special election.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be made not less than three days prior to the election in which the applicant offers to vote and completed only in the office of the general registrar.
