122 necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by 123 bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired 124 by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts 125 commonly known as interest rate swap agreements and futures or contracts providing for payments 126 based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into 127 by the Commonwealth in connection with, or incidental to, entering into, or maintaining, any (i) 128 agreement that secures bonds or BANs or (ii) investment, or contract providing for investment, 129 otherwise authorized by law. These contracts and arrangements may contain such payment, security, 130 default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due 131 consideration to the creditworthiness of the counterparty or other obligated party, including any rating 132 by any nationally recognized rating agency, and any other criteria as may be appropriate. The 133 determinations referred to in this subsection may be made by the Treasury Board or any public funds 134 manager with professional investment capabilities duly authorized by the Treasury Board to make such 135 determinations.

subsection B.

140 § 9. Security for bonds and BANs.

141 The net revenues of the facility set forth above and the full faith and credit of the Commonwealth 142 are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs 143 (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued 144 under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) 145 refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event the 146 net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the 147 148 timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full 149 faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum 150 sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the 151 *Commonwealth.*

§ 10. Exemption of interest from tax.

153 The bonds and BANs issued under the provisions of this act, their transfer, and the income 154 therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from 155 taxation by the Commonwealth and by any county, city, or town or other political subdivision thereof. 156 The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to 157 such effect and to require the Virginia Department of Transportation and the Commonwealth 158 Transportation Board to do and to covenant likewise, to the extent that, in the judgment of the Treasury 159 Board, it is appropriate in order that interest on the bonds and BANs may be excludable from federal 160 income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income 161 of the holders thereof for federal income tax purposes.

162 § 11. Refunding bonds and BANs.

163 The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one 164 time or from time to time, refunding bonds and BANs of the Commonwealth, to refund any or all of the 165 bonds and BANs, respectively, issued under this act or otherwise authorized pursuant to Article X, 166 Section 9 (c) of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal 167 amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded 168 and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and 169 BANs may be issued whether or not the obligations to be refunded are then subject to redemption.

170 § 12. Defeasance.

152

Any bond or BAN for which cash or direct obligations of the United States of America shall have
been set aside in escrow with the State Treasurer or a bank or trust company, within or without the
Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this
act, and Article X, Section 9 (c) of the Constitution of Virginia.

175 § 13. Legal investments.

officers and bodies of the Commonwealth and political subdivisions thereof, insurance companies and
associations, savings banks and savings institutions, including savings and loan associations, trust
companies, beneficial and benevolent associations, administrators, guardians, executors, trustees, and
other fiduciaries in the Commonwealth may properly and legally invest funds under their control.

181 § 14. Severability.

182 The provisions of this act or the application thereof to any person or circumstances that are held

183 invalid shall not affect the validity of other provisions or applications of this act that can be given effect 184 without the invalid provisions or applications.

185 § 15.Additional net revenues.

186 Notwithstanding any other provisions of this act, the Commonwealth Transportation Board may fix, 187 revise, charge, and collect the tolls, rates, fees, and charges described in § 7 hereof to produce 188 sufficient additional net revenues to provide for the provision and operation of additional improvements 189 to the I-66 corridor from I-495 west in Fairfax County to Route 15 in Prince William County, including, 190 but not limited to, mass transit, including rail, and capacity-enhancing treatments, such as dynamically 191 tolled and High Occupancy Vehicle lanes, interchange improvements, commuter parking lots, and other 192 transportation management strategies, prior to provision being made for the retirement of all bonds and 193 BANs issued under the provisions of this act. 194
