HOUSE BILL NO. 1206

Offered January 18, 2016

A *BILL to amend the Code of Virginia by adding in Chapter 16 of Title 23 an article numbered 2.2, consisting of sections numbered 23-220.6, 23-220.7, and 23-220.8, relating to comprehensive community colleges; noncredit workforce credentials; Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Act.*

Patrons—Greason and Keam

Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Chapter 16 of Title 23 an article numbered 2.2, consisting of sections numbered 23-220.6, 23-220.7, and 23-220.8, as follows:

*Article 2.2.**Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Act.***§ 23-220.6. Definitions.**

As used in this article, unless the context requires a different meaning:

"Competency-based" means awarded on the basis of demonstrated knowledge and skills rather than completion of instructional hours or participation in an instructional course or program.

"Incentive" means a payment to a comprehensive community college to reward and stimulate increased levels of noncredit workforce credential attainment for in-demand and high-demand occupations.

"Industry-recognized" means demonstrating competency or proficiency in the technical and occupational skills identified as necessary for performing functions of an occupation based on standards developed or endorsed by employers and industry organizations.

"Noncredit workforce credential" means a competency-based, industry-recognized, portable, and third-party-validated certification or occupational license.

"Portable" means recognized by multiple employers and educational institutions and, where appropriate, across geographic areas.

"Program" means the Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Program.

"Student" means a comprehensive community college student who is a resident of the Commonwealth.

"System" means the Virginia Community College System.

"Third-party-validated" means having an external process in place for determining validity and relevance in the workplace and for continuous alignment of demonstrated knowledge and skills with industry workforce needs.

§ 23-220.7. Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Program established; purpose.

The Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Program is established within the System for the purpose of (i) creating and sustaining a demand-driven supply of credentialed workers for high-demand and in-demand occupations in the Commonwealth by addressing and closing the gap between the skills needed by the technicians, technologists, and trade-level workers in the Commonwealth and the skills of the available workforce in the Commonwealth; (ii) expanding the affordability of workforce training and credentialing; and (iii) increasing the interest of current and future Virginia workers in technician, technologist, and trade-level positions to fill the available and emerging jobs in the Commonwealth that require less than a bachelor's degree but more than a high school diploma in order to address the Commonwealth's goal of increasing to more than 460,000 the number of workforce credentials earned by Virginians by 2030.

§ 23-220.8. Virginia Community College System; Virginia Pathway to the Middle Class: Noncredit Workforce Credentials Program.

A. The System shall administer the Program. In administering the Program, the System shall:

1. Approve a plan and funding formula to support capacity building for and development and expansion of noncredit workforce credentials programs at comprehensive community colleges that prepare students for in-demand noncredit workforce credentials that are aligned with the knowledge and skill sets that are required for the available occupations in each region;

2. Approve a plan for providing financial incentives to comprehensive community colleges that demonstrate exceptional performance or improvement in the development and expansion of noncredit
