VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to authorize the Virginia Public Building Authority and the Virginia College Building Authority to issue bonds in an aggregate principal amount not to exceed \$2,235,432,677 plus certain costs to fund certain capital projects and to appropriate the proceeds of such bonds.

[H 1344]

Approved

Be it enacted by the General Assembly of Virginia:

1. § 1. A. That pursuant to § 2.2-2264 of the Code of Virginia, the General Assembly hereby authorizes the Virginia Public Building Authority (VPBA) to undertake the following projects, including, without limitation, constructing, improving, furnishing, equipping, acquiring, and renovating buildings, facilities, improvements, and land therefor, and to exercise any and all powers granted to it by law in connection therewith, including the power to finance all or any portion of the cost thereof by the issuance of revenue bonds in a principal amount not to exceed \$426,818,771 plus amounts needed to fund issuance costs, reserve funds, original issue discount, interest prior to and during acquisition, construction, or renovation and for one year after completion thereof, and other financing expenses. The General Assembly hereby appropriates the proceeds from any such bonds for the projects listed in this section. Debt service on projects contained in this section shall be provided from appropriations to the Treasury Board.

B. Funding for the planning phase of the project "Construct New Juvenile Correctional Center, Chesapeake," for the Department of Juvenile Justice may not be released until 30 days after the submission of the interim report of the task force required to be established by Item 415 of the 2016-2018 Appropriation Act (House Bill 30), enacted by the 2016 Session of the General Assembly.

§ 2. That pursuant to § 23-30.28 of the Code of Virginia, the General Assembly hereby authorizes the Virginia College Building Authority to undertake the following projects, including, without limitation, constructing, improving, furnishing, equipping, acquiring, and renovating buildings, facilities, improvements, and land therefor, to exercise any and all powers granted to it by law in connection therewith; and to finance all or any portion of the cost thereof by the issuance of revenue bonds in a principal amount not to exceed \$1,351,813,906 plus amounts needed to fund issuance costs, reserve funds, original issue discount, interest prior to and during acquisition, construction, or renovation and for one year after completion thereof, and other financing expenses. Bonds of the Virginia College Building Authority issued to finance such projects may be sold and issued under the 21st Century College Program at the same time with other obligations of the Virginia College Building Authority as separate issues or as a combined issue. The Authority may pay all or any part of the cost of any project listed in this section or authorized or any portion thereof with any income and reserve funds of the Authority available for such purpose, and in such case may transfer such funds of the Authority, with the approval of the Governor. The General Assembly hereby appropriates the proceeds from any such bonds for the projects listed in this section. Debt service on projects contained in this section shall be provided from appropriations to the Treasury Board.

B. Funding for detailed planning for the project "Renovate or Construct Juvenile Correctional Center" for the Department of Juvenile Justice may not be released until 30 days after the submission of the final report of the task force required to be established by Item 415 of the 2016-2018 Appropriation Act (House Bill 30), enacted by the 2016 Session of the General Assembly, but not before July 1, 2017.

§ 2. In accordance with Chapter 15.1 (§ 2.2-1515 et seq.) of Title 2.2 of the Code of Virginia, each institution and agency shall submit its completed detailed planning documents to the Six-Year Capital Outlay Plan Advisory Committee for its review and recommendation.

§ 3. Each public college and university is authorized to use additional higher education operating nongeneral funds to move to working drawings for the projects listed in § 1.

§ 4. Each agency may utilize other nongeneral funds to move to working drawings for the projects authorized in § 1.

§ 5. Each agency or institution shall be reimbursed for all nongeneral funds used when the project is funded to move into the construction phase.

§ 6. In accordance with § 2.2-1520 of the Code of Virginia, the Director of the Department of Planning and Budget shall authorize the reimbursement of the Central Capital Planning Fund for the amounts provided for detailed planning when the project is funded to move into the construction phase.

§ 7. No planning documents pursuant to this enactment shall be submitted to the Governor or the General Assembly prior to July 1, 2018.

5. That pursuant to § 2.2-2263 of the Code of Virginia, the Virginia Public Building Authority is authorized to issue bonds in an aggregate amount not to exceed \$350,000,000 plus amounts needed to fund issuance costs, reserve funds, original issue discount, interest prior to and during acquisition, construction, or renovation and for one year after completion thereof, and other financing expenses. The proceeds of such bonds shall be used to fund capital projects at Norfolk International Terminal. The General Assembly hereby appropriates the proceeds from any such bonds for the projects listed in this enactment. Debt service on projects contained in this enactment shall be provided from appropriations to the Treasury Board.

6. That pursuant to § 2.2-2263 of the Code of Virginia, the Virginia Public Building Authority is authorized to issue bonds in an aggregate amount not to exceed \$59,000,000 plus amounts to fund related issuance costs and other financing expenses. The proceeds of such bonds shall be provided to the Department of Environmental Quality to reimburse entities as provided in Chapter 21.1 (§ 10.1-2117 et seq.) of Title 10.1 of the Code of Virginia, considered as eligible Significant and Non-Significant Dischargers in the Chesapeake Bay watershed, for capital costs incurred for the design and installation of nutrient removal technology. Such reimbursements shall be in accordance with eligibility determinations made by the Department pursuant to the provisions of this enactment and Chapter 21.1 (§ 10.1-2117 et seq.) of Title 10.1 of the Code of Virginia. The Department of Environmental Quality shall submit cash flow requirements for this program to the Director of the Department of Planning and Budget and the State Treasurer. The cash flows shall indicate quarterly cash needs to the program's completion. The appropriations under this enactment are subject to the conditions in § 2-0 F of Chapter 665 of the Acts of Assembly of 2015, but are not subject to the other provisions of § 2-0, the provisions of 4-4.01 of Chapter 665 of the Acts of Assembly of 2015, or the provisions of § 2.2-1132 of the Code of Virginia. The General Assembly hereby appropriates the proceeds from any such bonds for the projects listed in this enactment. Debt service on projects contained in this enactment shall be provided from appropriations to the Treasury Board.

7. That pursuant to § 2.2-2263 of the Code of Virginia, the Virginia Public Building Authority is authorized to issue bonds in an aggregate amount not to exceed \$20,000,000 plus amounts to fund related issuance costs and other financing expenses. The proceeds of such bonds shall be deposited into the Stormwater Local Assistance Fund, established in Item 360 of Chapter 806 of the Acts of Assembly of 2013 and continued in paragraph C. 1. of Item 363 of Chapter 665 of the Acts of Assembly of 2015, and used by the Department of Environmental Quality to provide grants solely for capital projects consistent with the purpose of the Fund, including: (i) new stormwater best management practices; (ii) stormwater best management practice retrofits; (iii) stream restoration; (iv) low impact development projects; (v) buffer restoration; (vi) pond retrofits; and (vii) wetlands restoration. Such grants shall be in accordance with eligibility determinations made by the Department of Environmental Quality. The appropriations under this enactment are subject to the conditions in § 2-0 F of Chapter 665 of the Acts of Assembly of 2015, but are not subject to the other provisions of § 2-0, the provisions of 4-4.01 of Chapter 665 of the Acts of Assembly of 2015,

321 or the provisions of § 2.2-1132 of the Code of Virginia. The General Assembly hereby appropriates
322 the proceeds from any such bonds for the projects listed in this enactment. Debt service on
323 projects contained in this enactment shall be provided from appropriations to the Treasury Board.

324 8. That the provisions of Item C-46.10 of Chapter 665 of the Acts of Assembly of 2015, as it
325 relates to the Advanced Manufacturing Apprentice Academy Center and Regional Centers of
326 Excellence, are hereby extended without change.

327 9. That out of the amounts authorized in Item C-43, D 1 of Chapter 665 of the Acts of Assembly
328 of 2015, \$5,250,000 is designated and appropriated to renovate the Post Library as a visitor center
329 for Fort Monroe.

330 10. That the appropriations for the capital projects authorized in §§ 1 and 2 of the first enactment
331 of this act are subject to the conditions in § 2-0 F of Chapter 665 of the Acts of Assembly of 2015.
332 In addition, not more than a total aggregate principal amount of \$300 million in debt obligations
333 shall be issued excluding refunding bonds in any fiscal year for such capital projects, provided,
334 however, that if less than a total aggregate principal amount of \$300 million in debt obligations is
335 incurred in any fiscal year for such capital projects, the unused amount may be added to any
336 other subsequent fiscal year. Issuance of debt shall proceed so that the projected average annual
337 debt service on all tax-supported debt over the 10-year horizon shall be in accordance with the
338 guidelines established by the Debt Capacity Advisory Committee. The Six-Year Capital Outlay
339 Plan Advisory Committee shall establish procedures to ensure compliance with the annual issuance
340 limits and shall meet at least quarterly to review project progress. The Auditor of Public Accounts
341 shall issue a report annually to the Governor, the Speaker of the House of Delegates, the President
342 pro tempore of the Senate, and the Chairmen of the House Committee on Appropriations and the
343 Senate Committee on Finance, regarding the adherence to the annual issuance limits.

344 11. That funding for the projects in the first and fourth enactments of this act shall not be
345 released until the Governor approves a decision brief that directs the Department of General
346 Services to proceed with all due speed with hazardous material abatement, demolition, and
347 construction services to complete Commonwealth of Virginia construction project code
348 194-18081-001 having a project title: Capitol Complex Infrastructure and Security and a
349 sub-project title: New Construction of General Assembly Building. All funds for all phases of the
350 stated project code shall be released as necessary to the Department of General Services to execute
351 each contract or contracts for the project pursuant to funding authorized in paragraph E. 1. of
352 Item C-39.40 of Chapter 1 of the Acts of Assembly of 2014, Special Session I. A copy of such
353 approved decision brief shall be provided to the Chairmen of the House Committee on
354 Appropriations and Senate Committee on Finance. Beginning July 1, 2016, the Director of the
355 Department of Planning and Budget and the Director of the Department of General Services shall
356 report to the Chairmen of the House Committee on Appropriations and Senate Committee on
357 Finance on a quarterly basis on the status of the completion of the General Assembly Building
358 project. The Auditor of Public Accounts shall monitor any release of funding for the projects in
359 the first and fourth enactments for compliance with the conditions of this enactment and report
360 any noncompliance to the Chairmen of the House Committee on Appropriations and Senate
361 Committee on Finance.
