**HOUSE BILL NO. 163**  
Offered January 13, 2016  
Prefiled December 23, 2015

A *BILL to amend and reenact § 58.1-322 of the Code of Virginia, relating to income tax; age deduction.*

Patron—Marshall, R.G.

Referred to Committee on Finance

**Be it enacted by the General Assembly of Virginia:**

**1. That § 58.1-322 of the Code of Virginia is amended and reenacted as follows:**

**§ 58.1-322. Virginia taxable income of residents.**

A. The Virginia taxable income of a resident individual means his federal adjusted gross income for the taxable year, which excludes combat pay for certain members of the Armed Forces of the United States as provided in § 112 of the Internal Revenue Code, as amended, and with the modifications specified in this section.

B. To the extent excluded from federal adjusted gross income, there shall be added:

1. Interest, less related expenses to the extent not deducted in determining federal income, on obligations of any state other than Virginia, or of a political subdivision of any such other state unless created by compact or agreement to which Virginia is a party;

2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

3. Unrelated business taxable income as defined by § 512 of the Internal Revenue Code;

4. The amount of a lump sum distribution from a qualified retirement plan, less the minimum distribution allowance and any amount excludable for federal income tax purposes that is excluded from federal adjusted gross income solely by virtue of an individual's election to use the averaging provisions under § 402 of the Internal Revenue Code;

5 through 8. [Repealed.]

9. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code; and

10. For taxable years beginning on and after January 1, 2014, any loss for the taxable year that was deducted as a capital loss for federal income tax purposes by an account holder attributable to such person's first-time home buyer savings account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55. For purposes of this subdivision, "account holder" and "first-time home buyer savings account" mean the same as those terms are defined in § 55-555.

C. To the extent included in federal adjusted gross income, there shall be subtracted:

1. Income derived from obligations, or on the sale or exchange of obligations, of the United States and on obligations or securities of any authority, commission or instrumentality of the United States to the extent exempt from state income taxes under the laws of the United States including, but not limited to, stocks, bonds, treasury bills, and treasury notes, but not including interest on refunds of federal taxes, interest on equipment purchase contracts, or interest on other normal business transactions.

2. Income derived from obligations, or on the sale or exchange of obligations of this Commonwealth or of any political subdivision or instrumentality of the Commonwealth.

3. [Repealed.]

4. Benefits received under Title II of the Social Security Act and other benefits subject to federal income taxation solely pursuant to § 86 of the Internal Revenue Code.

4a. Through December 31, 2000, the same amount used in computing the federal credit allowed under § 22 of the Internal Revenue Code by a retiree under age 65 who qualified for such retirement on the basis of permanent and total disability and who is a qualified individual as defined in § 22(b)(2) of the Internal Revenue Code; however, any person who claims a deduction under subdivision D 5 may not also claim a subtraction under this subdivision.

4b. For taxable years beginning on or after January 1, 2001, up to \$20,000 of disability income, as defined in § 22(c)(2)(B)(iii) of the Internal Revenue Code; however, any person who claims a deduction under subdivision D 5 may not also claim a subtraction under this subdivision.

5. The amount of any refund or credit for overpayment of income taxes imposed by the Commonwealth or any other taxing jurisdiction.

6. The amount of wages or salaries eligible for the federal Targeted Jobs Credit which was not

INTRODUCED

HB163

59 deducted for federal purposes on account of the provisions of § 280C(a) of the Internal Revenue Code.

60 7, 8. [Repealed.]

61 9. [Expired.]

62 10. Any amount included therein less than \$600 from a prize awarded by the Virginia Lottery.

63 11. The wages or salaries received by any person for active and inactive service in the National  
64 Guard of the Commonwealth of Virginia, not to exceed the amount of income derived from 39 calendar  
65 days of such service or \$3,000, whichever amount is less; however, only those persons in the ranks of  
66 O3 and below shall be entitled to the deductions specified herein.

67 12. Amounts received by an individual, not to exceed \$1,000 in any taxable year, as a reward for  
68 information provided to a law-enforcement official or agency, or to a nonprofit corporation created  
69 exclusively to assist such law-enforcement official or agency, in the apprehension and conviction of  
70 perpetrators of crimes. This provision shall not apply to the following: an individual who is an employee  
71 of, or under contract with, a law-enforcement agency, a victim or the perpetrator of the crime for which  
72 the reward was paid, or any person who is compensated for the investigation of crimes or accidents.

73 13. [Repealed.]

74 14. [Expired.]

75 15, 16. [Repealed.]

76 17. For taxable years beginning on and after January 1, 1995, the amount of "qualified research  
77 expenses" or "basic research expenses" eligible for deduction for federal purposes, but which were not  
78 deducted, on account of the provisions of § 280C(c) of the Internal Revenue Code and which shall be  
79 available to partners, shareholders of S corporations, and members of limited liability companies to the  
80 extent and in the same manner as other deductions may pass through to such partners, shareholders, and  
81 members.

82 18. [Repealed.]

83 19. For taxable years beginning on and after January 1, 1996, any income received during the taxable  
84 year derived from a qualified pension, profit-sharing, or stock bonus plan as described by § 401 of the  
85 Internal Revenue Code, an individual retirement account or annuity established under § 408 of the  
86 Internal Revenue Code, a deferred compensation plan as defined by § 457 of the Internal Revenue  
87 Code, or any federal government retirement program, the contributions to which were deductible from  
88 the taxpayer's federal adjusted gross income, but only to the extent the contributions to such plan or  
89 program were subject to taxation under the income tax in another state.

90 20. For taxable years beginning on and after January 1, 1997, any income attributable to a  
91 distribution of benefits or a refund from a prepaid tuition contract or savings trust account with the  
92 Virginia College Savings Plan, created pursuant to Chapter 4.9 (§ 23-38.75 et seq.) of Title 23. The  
93 subtraction for any income attributable to a refund shall be limited to income attributable to a refund in  
94 the event of a beneficiary's death, disability, or receipt of a scholarship.

95 21. For taxable years beginning on or after January 1, 1998, all military pay and allowances, to the  
96 extent included in federal adjusted gross income and not otherwise subtracted, deducted or exempted  
97 under this section, earned by military personnel while serving by order of the President of the United  
98 States with the consent of Congress in a combat zone or qualified hazardous duty area which is treated  
99 as a combat zone for federal tax purposes pursuant to § 112 of the Internal Revenue Code.

100 22. For taxable years beginning on or after January 1, 2000, but before January 1, 2015, the gain  
101 derived from the sale or exchange of real property or the sale or exchange of an easement to real  
102 property which results in the real property or the easement thereto being devoted to open-space use, as  
103 that term is defined in § 58.1-3230, for a period of time not less than 30 years. To the extent a  
104 subtraction is taken in accordance with this subdivision, no tax credit under this chapter for donating  
105 land for its preservation shall be allowed for three years following the year in which the subtraction is  
106 taken.

107 23. Effective for all taxable years beginning on or after January 1, 2000, \$15,000 of military basic  
108 pay for military service personnel on extended active duty for periods in excess of 90 days; however,  
109 the subtraction amount shall be reduced dollar-for-dollar by the amount which the taxpayer's military  
110 basic pay exceeds \$15,000 and shall be reduced to zero if such military basic pay amount is equal to or  
111 exceeds \$30,000.

112 24. Effective for all taxable years beginning on and after January 1, 2000, the first \$15,000 of salary  
113 for each federal and state employee whose total annual salary from all employment for the taxable year  
114 is \$15,000 or less.

115 25. Unemployment benefits taxable pursuant to § 85 of the Internal Revenue Code.

116 26. For taxable years beginning on and after January 1, 2001, any amount received as military  
117 retirement income by an individual awarded the Congressional Medal of Honor.

118 27. Effective for all taxable years beginning on and after January 1, 1999, income received as a  
119 result of (i) the "Master Settlement Agreement," as defined in § 3.2-3100; and (ii) the National Tobacco  
120 Grower Settlement Trust dated July 19, 1999, by (a) tobacco farmers; (b) any person holding a tobacco

121 marketing quota, or tobacco farm acreage allotment, under the Agricultural Adjustment Act of 1938; or  
122 (c) any person having the right to grow tobacco pursuant to such a quota or allotment, but only to the  
123 extent that such income has not been subtracted pursuant to subdivision C 18 of § 58.1-402.

124 28. For taxable years beginning on and after January 1, 2000, items of income attributable to,  
125 derived from or in any way related to (i) assets stolen from, hidden from or otherwise lost by an  
126 individual who was a victim or target of Nazi persecution or (ii) damages, reparations, or other  
127 consideration received by a victim or target of Nazi persecution to compensate such individual for  
128 performing labor against his will under the threat of death, during World War II and its prelude and  
129 direct aftermath. This subtraction shall not apply to assets acquired with such items of income or with  
130 the proceeds from the sale of assets stolen from, hidden from or otherwise lost to, during World War II  
131 and its prelude and direct aftermath, a victim or target of Nazi persecution. The provisions of this  
132 subdivision shall only apply to an individual who was the first recipient of such items of income and  
133 who was a victim or target of Nazi persecution, or a spouse, widow, widower, or child or stepchild of  
134 such victim.

135 "Victim or target of Nazi persecution" means any individual persecuted or targeted for persecution by  
136 the Nazi regime who had assets stolen from, hidden from or otherwise lost as a result of any act or  
137 omission in any way relating to (i) the Holocaust; (ii) World War II and its prelude and direct  
138 aftermath; (iii) transactions with or actions of the Nazi regime; (iv) treatment of refugees fleeing Nazi  
139 persecution; or (v) the holding of such assets by entities or persons in the Swiss Confederation during  
140 World War II and its prelude and aftermath. A victim or target of Nazi persecution shall also include  
141 any individual forced into labor against his will, under the threat of death, during World War II and its  
142 prelude and direct aftermath. As used in this subdivision, "Nazi regime" means the country of Nazi  
143 Germany, areas occupied by Nazi Germany, those European countries allied with Nazi Germany, or any  
144 other neutral European country or area in Europe under the influence or threat of Nazi invasion.

145 29, 30. [Repealed.]

146 31. Effective for all taxable years beginning on or after January 1, 2001, the military death gratuity  
147 payment made after September 11, 2001, to the survivor of deceased military personnel killed in the line  
148 of duty, pursuant to Chapter 75 of Title 10 of the United States Code; however, the subtraction amount  
149 shall be reduced dollar-for-dollar by the amount that the survivor may exclude from his federal gross  
150 income in accordance with § 134 of the Internal Revenue Code.

151 32. Effective for all taxable years beginning on or after January 1, 2007, the death benefit payments  
152 from an annuity contract that are received by a beneficiary of such contract provided that (i) the death  
153 benefit payment is made pursuant to an annuity contract with an insurance company and (ii) the death  
154 benefit payment is paid solely by lump sum. The subtraction under this subdivision shall be allowed  
155 only for that portion of the death benefit payment that is included in federal adjusted gross income.

156 33. For taxable years beginning on and after January 1, 2009, any gain recognized from the sale of  
157 launch services to space flight participants, as defined in 49 U.S.C. § 70102, or launch services intended  
158 to provide individuals the training or experience of a launch, without performing an actual launch. To  
159 qualify for a deduction under this subdivision, launch services must be performed in Virginia or  
160 originate from an airport or spaceport in Virginia.

161 34. For taxable years beginning on and after January 1, 2009, any gain recognized as a result of  
162 resupply services contracts for delivering payload, as defined in 49 U.S.C. § 70102, entered into with the  
163 Commercial Orbital Transportation Services division of the National Aeronautics and Space  
164 Administration or other space flight entity, as defined in § 8.01-227.8, and launched from an airport or  
165 spaceport in Virginia.

166 35. For taxable years beginning on or after January 1, 2011, any income taxed as a long-term capital  
167 gain for federal income tax purposes, or any income taxed as investment services partnership interest  
168 income (otherwise known as investment partnership carried interest income) for federal income tax  
169 purposes. To qualify for a subtraction under this subdivision, such income shall be attributable to an  
170 investment in a "qualified business," as defined in § 58.1-339.4, or in any other technology business  
171 approved by the Secretary of Technology, provided the business has its principal office or facility in the  
172 Commonwealth and less than \$3 million in annual revenues in the fiscal year prior to the investment. To  
173 qualify for a subtraction under this subdivision, the investment shall be made between the dates of April  
174 1, 2010, and June 30, 2020. No taxpayer who has claimed a tax credit for an investment in a "qualified  
175 business" under § 58.1-339.4 shall be eligible for the subtraction under this subdivision for an  
176 investment in the same business.

177 36. For taxable years beginning on and after January 1, 2014, any income of an account holder for  
178 the taxable year taxed as (i) a capital gain for federal income tax purposes attributable to such person's  
179 first-time home buyer savings account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55  
180 and (ii) interest income or other income for federal income tax purposes attributable to such person's  
181 first-time home buyer savings account.

182 Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction  
183 taken under this subdivision shall be subject to recapture in the taxable year or years in which moneys  
184 or funds withdrawn from the first-time home buyer savings account were used for any purpose other  
185 than the payment of eligible costs by or on behalf of a qualified beneficiary, as provided under  
186 § 55-558. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable  
187 year that was used for other than the payment of eligible costs, computed by multiplying the amount  
188 withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in  
189 the account at the time of the withdrawal to the total balance in the account at such time.

190 However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i)  
191 withdrawn by reason of the qualified beneficiary's death or disability, (ii) a disbursement of assets of the  
192 account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101  
193 through 1330, or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.)  
194 of Title 55 into another account established pursuant to such chapter for the benefit of another qualified  
195 beneficiary.

196 For purposes of this subdivision, "account holder," "eligible costs," "first-time home buyer savings  
197 account," and "qualified beneficiary" mean the same as those terms are defined in § 55-555.

198 37. For taxable years beginning on or after January 1, 2015, any income for the taxable year  
199 attributable to the discharge of a student loan solely by reason of the student's death. For purposes of  
200 this subdivision, "student loan" means the same as that term is defined under § 108(f) of the Internal  
201 Revenue Code.

202 D. In computing Virginia taxable income there shall be deducted from Virginia adjusted gross  
203 income as defined in § 58.1-321:

204 1. a. The amount allowable for itemized deductions for federal income tax purposes where the  
205 taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the  
206 amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted  
207 on such federal return and increased by an amount which, when added to the amount deducted under  
208 § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for  
209 such purposes at a rate of 18 cents per mile; or

210 b. Three thousand dollars for single individuals and \$6,000 for married persons (one-half of such  
211 amounts in the case of a married individual filing a separate return) for taxable years beginning on and  
212 after January 1, 2005; provided that the taxpayer has not itemized deductions for the taxable year on his  
213 federal income tax return. For purposes of this section, any person who may be claimed as a dependent  
214 on another taxpayer's return for the taxable year may compute the deduction only with respect to earned  
215 income.

216 2. a. A deduction in the amount of \$900 for taxable years beginning on and after January 1, 2005,  
217 but before January 1, 2008; and \$930 for taxable years beginning on and after January 1, 2008, for each  
218 personal exemption allowable to the taxpayer for federal income tax purposes.

219 b. For taxable years beginning on and after January 1, 1987, each blind or aged taxpayer as defined  
220 under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the  
221 amount of \$800.

222 The additional deduction for blind or aged taxpayers allowed under this subdivision shall be  
223 allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income  
224 tax purposes.

225 3. A deduction equal to the amount of employment-related expenses upon which the federal credit is  
226 based under § 21 of the Internal Revenue Code for expenses for household and dependent care services  
227 necessary for gainful employment.

228 4. An additional \$1,000 deduction for each child residing for the entire taxable year in a home under  
229 permanent foster care placement as defined in § 63.2-908, provided the taxpayer can also claim the child  
230 as a personal exemption under § 151 of the Internal Revenue Code.

231 5. a. For taxable years beginning on and after January 1, 2004, a deduction in the amount of  
232 ~~\$12,000~~\$13,000 for individuals born on or before January 1, 1939.

233 b. For taxable years beginning on and after January 1, 2004, a deduction in the amount of ~~\$12,000~~  
234 ~~\$13,000~~ for individuals born after January 1, 1939, who have attained the age of 65. This deduction  
235 shall be reduced by \$1 for every \$1 that the taxpayer's adjusted federal adjusted gross income exceeds  
236 \$50,000 for single taxpayers or \$75,000 for married taxpayers. For married taxpayers filing separately,  
237 the deduction will be reduced by \$1 for every \$1 the total combined adjusted federal adjusted gross  
238 income of both spouses exceeds \$75,000. *For each taxable year beginning on and after January 1,*  
239 *2016, the \$50,000 and \$75,000 amounts shall be indexed by an amount equal to the percentage change*  
240 *in the Consumer Price Index for All Urban Consumers (CPI-U), for all items, from October 1 through*  
241 *September 30 for the year immediately preceding the affected taxable year.*

242 For the purposes of this subdivision, "adjusted federal adjusted gross income" means federal adjusted  
243 gross income minus any benefits received under Title II of the Social Security Act and other benefits

244 subject to federal income taxation solely pursuant to § 86 of the Internal Revenue Code, as amended.

245 6. For taxable years beginning on and after January 1, 1997, the amount an individual pays as a fee  
 246 for an initial screening to become a possible bone marrow donor, if (i) the individual is not reimbursed  
 247 for such fee or (ii) the individual has not claimed a deduction for the payment of such fee on his federal  
 248 income tax return.

249 7. a. A deduction shall be allowed to the purchaser or contributor for the amount paid or contributed  
 250 during the taxable year for a prepaid tuition contract or college savings trust account entered into with  
 251 the Virginia College Savings Plan, pursuant to Chapter 4.9 (§ 23-38.75 et seq.) of Title 23. Except as  
 252 provided in subdivision 7 c, the amount deducted on any individual income tax return in any taxable  
 253 year shall be limited to \$4,000 per prepaid tuition contract or college savings trust account. No  
 254 deduction shall be allowed pursuant to this section if such payments or contributions are deducted on the  
 255 purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a  
 256 college savings trust account exceeds \$4,000, the remainder may be carried forward and subtracted in  
 257 future taxable years until the purchase price or college savings trust contribution has been fully  
 258 deducted; however, except as provided in subdivision 7 c, in no event shall the amount deducted in any  
 259 taxable year exceed \$4,000 per contract or college savings trust account. Notwithstanding the statute of  
 260 limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to  
 261 recapture in the taxable year or years in which distributions or refunds are made for any reason other  
 262 than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or  
 263 (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision,  
 264 the term "purchaser" or "contributor" means the person shown as such on the records of the Virginia  
 265 College Savings Plan as of December 31 of the taxable year. In the case of a transfer of ownership of a  
 266 prepaid tuition contract or college savings trust account, the transferee shall succeed to the transferor's  
 267 tax attributes associated with a prepaid tuition contract or college savings trust account, including, but  
 268 not limited to, carryover and recapture of deductions.

269 b. The amount paid for a prepaid tuition contract during taxable years beginning on or after January  
 270 1, 1996, but before January 1, 1998, shall be deducted in taxable years beginning on or after January 1,  
 271 1998, and shall be subject to the limitations set out in subdivision 7 a.

272 c. A purchaser of a prepaid tuition contract or contributor to a college savings trust account who has  
 273 attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed \$4,000  
 274 per prepaid tuition contract or college savings trust account in any taxable year. Such taxpayer shall be  
 275 allowed a deduction for the full amount paid for the contract or contributed to a college savings trust  
 276 account, less any amounts previously deducted.

277 8. For taxable years beginning on and after January 1, 2000, the total amount an individual actually  
 278 contributed in funds to the Virginia Public School Construction Grants Program and Fund, established in  
 279 Chapter 11.1 (§ 22.1-175.1 et seq.) of Title 22.1, provided the individual has not claimed a deduction for  
 280 such amount on his federal income tax return.

281 9. For taxable years beginning on and after January 1, 1999, an amount equal to 20 percent of the  
 282 tuition costs incurred by an individual employed as a primary or secondary school teacher licensed  
 283 pursuant to Chapter 15 (§ 22.1-289.1 et seq.) of Title 22.1 to attend continuing teacher education courses  
 284 that are required as a condition of employment; however, the deduction provided by this subsection shall  
 285 be available only if (i) the individual is not reimbursed for such tuition costs and (ii) the individual has  
 286 not claimed a deduction for the payment of such tuition costs on his federal income tax return.

287 10. For taxable years beginning on or after January 1, 2000, the amount an individual pays annually  
 288 in premiums for long-term health care insurance, provided the individual has not claimed a deduction for  
 289 federal income tax purposes, or, for taxable years beginning before January 1, 2014, a credit under  
 290 § 58.1-339.11. For taxable years beginning on or after January 1, 2014, no such deduction for long-term  
 291 health care insurance premiums paid by the individual during the taxable year shall be allowed if the  
 292 individual has claimed a federal income tax deduction for such taxable year for long-term health care  
 293 insurance premiums paid by him.

294 11. For taxable years beginning on and after January 1, 2006, contract payments to a producer of  
 295 quota tobacco or a tobacco quota holder, or their spouses, as provided under the American Jobs Creation  
 296 Act of 2004 (P.L. 108-357), but only to the extent that such payments have not been subtracted pursuant  
 297 to subsection D of § 58.1-402, as follows:

298 a. If the payment is received in installment payments, then the recognized gain, including any gain  
 299 recognized in taxable year 2005, may be subtracted in the taxable year immediately following the year  
 300 in which the installment payment is received.

301 b. If the payment is received in a single payment, then 10 percent of the recognized gain may be  
 302 subtracted in the taxable year immediately following the year in which the single payment is received.  
 303 The taxpayer may then deduct an equal amount in each of the nine succeeding taxable years.

304 12. For taxable years beginning on and after January 1, 2007, an amount equal to 20 percent of the

305 sum paid by an individual pursuant to Chapter 6 (§ 58.1-600 et seq.), not to exceed \$500 in each taxable  
306 year, in purchasing for his own use the following items of tangible personal property: (i) any clothes  
307 washers, room air conditioners, dishwashers, and standard size refrigerators that meet or exceed the  
308 applicable energy star efficiency requirements developed by the United States Environmental Protection  
309 Agency and the United States Department of Energy; (ii) any fuel cell that (a) generates electricity using  
310 an electrochemical process, (b) has an electricity-only generation efficiency greater than 35 percent, and  
311 (c) has a generating capacity of at least two kilowatts; (iii) any gas heat pump that has a coefficient of  
312 performance of at least 1.25 for heating and at least 0.70 for cooling; (iv) any electric heat pump hot  
313 water heater that yields an energy factor of at least 1.7; (v) any electric heat pump that has a heating  
314 system performance factor of at least 8.0 and a cooling seasonal energy efficiency ratio of at least 13.0;  
315 (vi) any central air conditioner that has a cooling seasonal energy efficiency ratio of at least 13.5; (vii)  
316 any advanced gas or oil water heater that has an energy factor of at least 0.65; (viii) any advanced  
317 oil-fired boiler with a minimum annual fuel-utilization rating of 85; (ix) any advanced oil-fired furnace  
318 with a minimum annual fuel-utilization rating of 85; and (x) programmable thermostats.

319 13. For taxable years beginning on or after January 1, 2007, the lesser of \$5,000 or the amount  
320 actually paid by a living donor of an organ or other living tissue for unreimbursed out-of-pocket  
321 expenses directly related to the donation that arose within 12 months of such donation, provided the  
322 donor has not taken a medical deduction in accordance with the provisions of § 213 of the Internal  
323 Revenue Code for such expenses. The deduction may be taken in the taxable year in which the donation  
324 is made or the taxable year in which the 12-month period expires.

325 14. For taxable years beginning on or after January 1, 2013, the amount an individual age 66 or  
326 older with earned income of at least \$20,000 for the year and federal adjusted gross income not in  
327 excess of \$30,000 for the year pays annually in premiums for (i) a prepaid funeral insurance policy  
328 covering the individual or (ii) medical or dental insurance for any person for whom individual tax filers  
329 may claim a deduction for such premiums under federal income tax laws. "Earned income" means the  
330 same as that term is defined in § 32(c) of the Internal Revenue Code of 1954, as amended or  
331 renumbered. The deduction shall not be allowed for any portion of such premiums paid for which the  
332 individual has (a) been reimbursed, (b) claimed a deduction for federal income tax purposes, (c) claimed  
333 a deduction or subtraction under another provision of this section, or (d) claimed a federal income tax  
334 credit or any income tax credit pursuant to this chapter.

335 E. There shall be added to or subtracted from federal adjusted gross income, as the case may be, the  
336 individual's share, as beneficiary of an estate or trust, of the Virginia fiduciary adjustment determined  
337 under § 58.1-361.

338 F. There shall be added or subtracted, as the case may be, the amounts provided in § 58.1-315 as  
339 transitional modifications.

340 G. Effective for all taxable years beginning on or after January 1, 2007, to the extent included in  
341 federal adjusted gross income, there shall be (i) subtracted from federal adjusted gross income by a  
342 shareholder of an electing small business corporation (S corporation) that is subject to the bank franchise  
343 tax imposed under Chapter 12 (§ 58.1-1200 et seq.) for the calendar year in which such taxable year  
344 begins, the shareholder's allocable share of the income or gain of such electing small business  
345 corporation (S corporation), and (ii) added back to federal adjusted gross income such that, federal  
346 adjusted gross income shall be increased, by a shareholder of an electing small business corporation (S  
347 corporation) that is subject to the bank franchise tax imposed under Chapter 12 (§ 58.1-1200 et seq.) for  
348 the calendar year in which such taxable year begins, the shareholder's allocable share of the losses or  
349 deductions of such electing small business corporation (S corporation).

350 Effective for all taxable years beginning on or after January 1, 2007, to the extent excluded from  
351 federal adjusted gross income, there shall be added to federal adjusted gross income by a shareholder of  
352 an electing small business corporation (S corporation) that is subject to the bank franchise tax imposed  
353 under Chapter 12 (§ 58.1-1200 et seq.) for the calendar year in which such taxable year begins, the  
354 value of any distribution paid or distributed to the shareholder by such electing small business  
355 corporation (S corporation).

356 H. Notwithstanding any other provision of law, the income from any disposition of real property  
357 which is held by the taxpayer for sale to customers in the ordinary course of the taxpayer's trade or  
358 business, as defined in § 453(l)(1)(B) of the Internal Revenue Code, of property made on or after  
359 January 1, 2009, may, at the election of the taxpayer, be recognized under the installment method  
360 described under § 453 of the Internal Revenue Code, provided that (i) the election relating to the dealer  
361 disposition of the property has been made on or before the due date prescribed by law (including  
362 extensions) for filing the taxpayer's return of the tax imposed under this chapter for the taxable year in  
363 which the disposition occurs, and (ii) the dealer disposition is in accordance with restrictions or  
364 conditions established by the Department, which shall be set forth in guidelines developed by the  
365 Department. Along with such restrictions or conditions, the guidelines shall also address the recapture of  
366 such income under certain circumstances. The development of the guidelines shall be exempt from the

367 Administrative Process Act (§ 2.2-4000 et seq.).

368 **2. That the provisions of this act are effective for taxable beginning on or after January 1, 2016.**

**INTRODUCED**

HB163
