Referred to Committee on Privileges and Elections

**Be it enacted by the General Assembly of Virginia:****1. That § 24.2-706 of the Code of Virginia is amended and reenacted as follows:****§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.**

On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications of the listed applicants. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except in presence of a witness."
