HB604

59 2. § 18.2-63, § 18.2-64.1, former § 18.2-67.2:1, § 18.2-90 with the intent to commit rape or, where  
60 the victim is a minor or is physically helpless or mentally incapacitated as defined in § 18.2-67.10,  
61 subsection A of § 18.2-47, § 18.2-67.4, subsection C of § 18.2-67.5, clause (i) of § 18.2-48, § 18.2-361,  
62 § 18.2-366, or subsection C of § 18.2-374.1:1. An offense listed under this subdivision shall be deemed  
63 a sexually violent offense only if the person has been convicted or adjudicated delinquent of any two or  
64 more such offenses, provided that person had been at liberty between such convictions or adjudications;

65 3. If the offense was committed on or after July 1, 2006, § 18.2-91 with the intent to commit any  
66 felony offense listed in this section. An offense listed under this subdivision shall be deemed a sexually  
67 violent offense only if the person has been convicted or adjudicated delinquent of any two or more such  
68 offenses, provided that the person had been at liberty between such convictions or adjudications; or

69 4. Chapter 117 (18 U.S.C. § 2421 et seq.) of Title 18 of the United States Code or sex trafficking (as  
70 described in § 1591 of Title 18, U.S.C.).

71 F. "Any offense listed in subsection B," "criminal homicide" as defined in this section, "murder" as  
72 defined in this section, and "sexually violent offense" as defined in this section includes (i) any similar  
73 offense under the laws of any foreign country or any political subdivision thereof; or the United States  
74 or any political subdivision thereof or (ii) any offense for which registration in a sex offender and  
75 crimes against minors registry is required under the laws of the jurisdiction where the offender was  
76 convicted.

77 G. Juveniles adjudicated delinquent shall not be required to register; however, where the offender is a  
78 juvenile over the age of 13 at the time of the offense who is tried as a juvenile and is adjudicated  
79 delinquent on or after July 1, 2005, of any offense for which registration is required, the court may, in  
80 its discretion and upon motion of the attorney for the Commonwealth, find that the circumstances of the  
81 offense require offender registration. In making its determination, the court shall consider all of the  
82 following factors that are relevant to the case: (i) the degree to which the delinquent act was committed  
83 with the use of force, threat or intimidation, (ii) the age and maturity of the complaining witness, (iii)  
84 the age and maturity of the offender, (iv) the difference in the ages of the complaining witness and the  
85 offender, (v) the nature of the relationship between the complaining witness and the offender, (vi) the  
86 offender's prior criminal history, and (vii) any other aggravating or mitigating factors relevant to the  
87 case. The attorney for the Commonwealth may file such a motion at any time during which the offender  
88 is within the jurisdiction of the court for the offense that is the basis for such motion. Prior to any  
89 hearing on such motion, the court shall appoint a qualified and competent attorney-at-law to represent  
90 the offender unless an attorney has been retained and appears on behalf of the offender or counsel has  
91 already been appointed.

92 H. Prior to entering judgment of conviction of an offense for which registration is required if the  
93 victim of the offense was a minor, physically helpless, or mentally incapacitated, when the indictment,  
94 warrant, or information does not allege that the victim of the offense was a minor, physically helpless,  
95 or mentally incapacitated, the court shall determine by a preponderance of the evidence whether the  
96 victim of the offense was a minor, physically helpless, or mentally incapacitated, as defined in  
97 § 18.2-67.10, and shall also determine the age of the victim at the time of the offense if it determines  
98 the victim to be a minor. When such a determination is required, the court shall advise the defendant of  
99 its determination and of the defendant's right to make a motion to withdraw a plea of guilty or nolo  
100 contendere pursuant to § 19.2-296. If the court grants the defendant's motion to withdraw his plea of  
101 guilty or of nolo contendere, his case shall be heard by another judge, unless the parties agree otherwise.  
102 Failure to make such determination or so advise the defendant does not otherwise invalidate the  
103 underlying conviction.

104 2. That the provisions of this act may result in a net increase in periods of imprisonment or  
105 commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot  
106 be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter  
107 665 of the Acts of Assembly of 2015 requires the Virginia Criminal Sentencing Commission to  
108 assign a minimum fiscal impact of \$50,000. Pursuant to § 30-19.1:4, the estimated amount of the  
109 necessary appropriation cannot be determined for periods of commitment to the custody of the  
110 Department of Juvenile Justice.
