§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk, (ii) designated nonattorney employees of the Department of Social Services may complete, sign and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the Supreme Court of Virginia with the clerk, and (iii) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision or delinquent only if the juvenile (i) is not alleged to have committed a violent juvenile felony or (ii) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and

59 the attendance officer has provided documentation to the intake officer that the relevant school division
60 has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the
61 court. The intake officer may defer filing the complaint for 90 days and proceed informally by
62 developing a truancy plan. The intake officer may proceed informally only if the juvenile has not
63 previously been proceeded against informally or adjudicated in need of supervision for failure to comply
64 with compulsory school attendance as provided in § 22.1-254. The juvenile and his parent or parents,
65 guardian or other person standing in loco parentis must agree, in writing, for the development of a
66 truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents,
67 guardian or other person standing in loco parentis participate in such programs, cooperate in such
68 treatment or be subject to such conditions and limitations as necessary to ensure the juvenile's
69 compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer
70 the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an
71 interagency interdisciplinary team approach. The team may include qualified personnel who are
72 reasonably available from the appropriate department of social services, community services board, local
73 school division, court service unit and other appropriate and available public and private agencies and
74 may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the
75 90-day period the juvenile has not successfully completed the truancy plan or the truancy program, then
76 the intake officer shall file the petition.

77 Whenever informal action is taken as provided in this subsection on a complaint alleging that a child
78 is in need of services, in need of supervision or delinquent, the intake officer shall (i) develop a plan for
79 the juvenile, which may include restitution and the performance of community service, based upon
80 community resources and the circumstances which resulted in the complaint, (ii) create an official record
81 of the action taken by the intake officer and file such record in the juvenile's case file, and (iii) advise
82 the juvenile and the juvenile's parent, guardian or other person standing in loco parentis and the
83 complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent
84 based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241
85 will result in the filing of a petition with the court.

86 C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody,
87 visitation or support of a child is the subject of controversy or requires determination, (ii) a person has
88 deserted, abandoned or failed to provide support for any person in violation of law, (iii) a child or such
89 child's parent, guardian, legal custodian or other person standing in loco parentis is entitled to treatment,
90 rehabilitation or other services which are required by law, (iv) family abuse has occurred and a
91 protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of
92 violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8,
93 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such
94 complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to
95 be abused, neglected, in need of services, in need of supervision or delinquent, if the intake officer
96 believes that probable cause does not exist, or that the authorization of a petition will not be in the best
97 interest of the family or juvenile or that the matter may be effectively dealt with by some agency other
98 than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a
99 person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written
100 explanation of the conditions, procedures and time limits applicable to the issuance of protective orders
101 pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant
102 to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the
103 conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to
104 § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

105 D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall
106 be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be
107 in need of supervision have utilized or attempted to utilize treatment and services available in the
108 community and have exhausted all appropriate nonjudicial remedies which are available to them. When
109 the intake officer determines that the parties have not attempted to utilize available treatment or services
110 or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the
111 petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility
112 or individual to receive treatment or services, and a petition shall not be filed. Only after the intake
113 officer determines that the parties have made a reasonable effort to utilize available community
114 treatment or services may he permit the petition to be filed.

115 E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an
116 adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in
117 writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate
118 determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic
119 relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake
120 officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate

finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 18.2-250.1 is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 18.2-250.1 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return

of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.
