SENATE BILL NO. 484

Offered January 13, 2016

Prefiled January 12, 2016

*A BILL to make certain stormwater design criteria concerning water quality and quantity unenforceable unless updated, corrected, and coordinated with other regulations.*

Patron—DeSteph

Referred to Committee on Agriculture, Conservation and Natural Resources

**Be it enacted by the General Assembly of Virginia:**

**1. § 1.** *That no design criterion concerning water quality or quantity contained in Part II B of the stormwater management regulations adopted by the State Water Control Board (the Board) pursuant to the Stormwater Management Act (§ 62.1-44.15:24 et seq. of the Code of Virginia) shall be enforceable until the Board has evaluated, amended, and reissued the regulations containing such design criteria. Such amendments shall bring the design criteria up to date, correct errors contained therein, and coordinate the design criteria with the rest of the stormwater management regulations. Until the regulations containing such design criteria are reissued by the Board, the design criteria contained in Part II C of such stormwater management regulations shall apply instead.*
