Offered January 13, 2016

A *BILL to amend and reenact §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia, relating to marijuana offenses; driver's license forfeiture.*

Patrons—Garrett; Delegate: Rasoul

Referred to Committee on Transportation

Be it enacted by the General Assembly of Virginia:

1. That §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia are amended and reenacted as follows:

§ 18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.

Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions.

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (i) to successfully complete treatment or education program or services, (ii) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (iii) to make reasonable efforts to secure and maintain employment, and (iv) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed; *however, such action shall not be treated as a conviction for purposes of §§ 18.2-259.1 and 46.2-390.1 if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1.* The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

§ 18.2-259.1. Forfeiture of driver's license for violations of article.

INTRODUCED

SB613

59 A. In addition to any other sanction or penalty imposed for a violation of this article, the (i)
60 judgment of conviction under this article or (ii) placement on probation following deferral of further
61 proceedings under § 18.2-251, *except if the proceeding was for possession of marijuana pursuant to*
62 *§ 18.2-250.1*, or subsection H of § 18.2-258.1 for any such offense shall of itself operate to deprive the
63 person so convicted or placed on probation after deferral of proceedings under § 18.2-251 or subsection
64 H of § 18.2-258.1 of the privilege to drive or operate a motor vehicle, engine, or train in the
65 Commonwealth for a period of six months from the date of such judgment or placement on probation.
66 Such license forfeiture shall be in addition to and shall run consecutively with any other license
67 suspension, revocation or forfeiture in effect or imposed upon the person so convicted or placed on
68 probation. However, a juvenile who has had his license suspended or denied pursuant to § 16.1-278.9
69 shall not have his license forfeited pursuant to this section for the same offense.

70 B. The court trying the case shall order any person so convicted or placed on probation to surrender
71 his driver's license to be disposed of in accordance with the provisions of § 46.2-398 and shall notify the
72 Department of Motor Vehicles of any such conviction entered and of the license forfeiture to be
73 imposed.

74 C. In those cases where the court determines there are compelling circumstances warranting an
75 exception, the court may provide that any individual be issued a restricted license to operate a motor
76 vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license issued
77 pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in
78 the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender
79 of such person's license in accordance with the provisions of subsection B and shall forward to the
80 Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this
81 subsection. This order shall specifically enumerate the restrictions imposed and contain such information
82 regarding the person to whom such a permit is issued as is reasonably necessary to identify such person.
83 The court shall also provide a copy of its order to such person who may operate a motor vehicle on the
84 order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license,
85 but only if the order provides for a restricted license for that period. A copy of the order and, after
86 receipt thereof, the restricted license shall be carried at all times by such person while operating a motor
87 vehicle. The court may require a person issued a restricted permit under the provisions of this subsection
88 to be monitored by an alcohol safety action program during the period of license suspension. Any
89 violation of the terms of the restricted license or of any condition set forth by the court related thereto,
90 or any failure to remain drug-free during such period shall be reported forthwith to the court by such
91 program. Any person who operates a motor vehicle in violation of any restriction imposed pursuant to
92 this section shall be guilty of a violation of § 46.2-301.

98 *pursuant to § 18.2-250.1*, or (ii) the next date of eligibility to be licensed, the driver's license,
99 registration card, and license plates of any resident or nonresident on receiving notification of (i) (a) his
100 conviction, (ii) (b) his having been found guilty in the case of a juvenile, or (iii) (c) the deferral of
101 further proceedings against him under § 18.2-251 for any violation of any provisions of Article 1

103 *pursuant to § 18.2-250.1*, or of any state or federal law or valid county, city or town ordinance, or a law
104 of any other state substantially similar to provisions of such Virginia laws. Such license revocation shall
105 be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture
106 in effect against such person.
