4. Title: Voting systems; voter-verifiable paper record.

5. Summary: Requires any electronic voting system approved by the State Board of Elections to retain each paper ballot cast or to produce a voter-verifiable paper record of each ballot cast that is available for inspection and verification by the voter at the time the ballot is cast. The bill defines a "voter-verifiable paper record" to mean a tangible record of the ballot cast by the voter that is printed on paper and is physically separate from any other similar document. For purposes of sealing and delivering to clerks of the circuit courts and retention by the clerks, such paper records are treated in the same manner as counted ballots.
