3. Committee: Reported out of committee

4. Title: Photo identification cards issued by Department of Criminal Justice Services

5. Summary:

The proposed legislation would require the Department of Criminal Justice Services (DCJS) to issue photo-identification cards to all private security services personnel regulated by DCJS. The photo-identification card would be issued upon each individual's initial or renewal application for registration or license.

The legislation authorizes the DCJS to charge a fee for each card issued or reissued equal to the fee charged by the Department of Motor Vehicles (DMV) for the issuance of a special identification card, currently $10.00. (§ 46.2-345, Code of Virginia, establishes a basic fee of $5.00 for special id cards; § 46.2-333.1, Code of Virginia, provides for an additional surcharge of $5.00 for such cards.) For cards issued between July 1, 2017 and June 30, 2018, the agency would be authorized to charge an additional $4.00 processing fee.

Finally, the legislation would authorize DCJS to enter into an agreement with DMV to create and produce the photo-identification cards to be issued by DCJS. DMV would be authorized to charge DCJS a fee for each card produced equal to the fee DMV may charge for the issuance of a special identification card. In addition, DMV would charge DCJS a processing fee of $4.00 for each card issued or reissued between July 1, 2017 and June 30, 2018. All such fees collected by DMV would be set aside in a special fund to meet the expenses of DMV.

The legislation would become effective July 1, 2017.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See Item 8 below.

8. Fiscal Implications:

It is expected that the fees authorized by the proposed legislation would offset the expenses of producing and issuing the photo-identification cards. Therefore, there would be no net fiscal impact resulting from the legislation.

9. Specific Agency or Political Subdivisions Affected:

Department of Criminal Justice Services
Department of Motor Vehicles

10. Technical Amendment Necessary: None.

11. Other Comments: Identical to HB 147
