Approved February 23, 2017

Be it enacted by the General Assembly of Virginia:

1. That §§ 4.1-208, 4.1-209, and 4.1-210 of the Code of Virginia are amended and reenacted as follows:

§ 4.1-208. Beer licenses.

A. The Board may grant the following licenses relating to beer:

1. Brewery licenses, which shall authorize the licensee to manufacture beer and to sell and deliver or ship the beer so manufactured, in accordance with Board regulations, in closed containers to (i) persons licensed to sell the beer at wholesale; (ii) persons licensed to sell beer at retail for the purpose of resale within a theme or amusement park owned and operated by the brewery or a parent, subsidiary or a company under common control of such brewery, or upon property of such brewery or a parent, subsidiary or a company under common control of such brewery contiguous to such premises, or in a development contiguous to such premises owned and operated by such brewery or a parent, subsidiary or a company under common control of such brewery; and (iii) persons outside the Commonwealth for resale outside the Commonwealth. Such license shall also authorize the licensee to sell at retail the brands of beer that the brewery owns at premises described in the brewery license for on-premises consumption and in closed containers for off-premises consumption.

Such license may also authorize individuals holding a brewery license to (a) operate a facility designed for and utilized exclusively for the education of persons in the manufacture of beer, including sampling by such individuals of beer products, within a theme or amusement park located upon the premises occupied by such brewery, or upon property of such person contiguous to such premises, or in a development contiguous to such premises owned and operated by such person or a wholly owned subsidiary or (b) offer samples of the brewery's products to individuals visiting the licensed premises, provided that such samples shall be provided only to individuals for consumption on the premises of such facility or licensed premises and only to individuals to whom such products may be lawfully sold.

2. Limited brewery licenses, to breweries that manufacture no more than 15,000 barrels of beer per calendar year, provided that (i) the brewery is located on a farm in the Commonwealth on land zoned agricultural and owned or leased by such brewery or its owner and (ii) agricultural products, including barley, other grains, hops, or fruit, used by such brewery in the manufacture of its beer are grown on the farm. The licensed premises shall be limited to the portion of the farm on which agricultural products, including barley, other grains, hops, or fruit, used by such brewery in the manufacture of its beer are grown and that is contiguous to the premises of such brewery where the beer is manufactured, exclusive of any residence and the curtilage thereof. However, the Board may, with notice to the local governing body in accordance with the provisions of § 4.1-230, also approve other portions of the farm to be included as part of the licensed premises. For purposes of this subdivision, "land zoned agricultural" means (a) land zoned as an agricultural district or classification or (b) land otherwise permitted by a locality for limited brewery use. For purposes of this subdivision, "land zoned agricultural" does not include land zoned "residential conservation." Except for the limitation on land zoned "residential conservation," nothing in this definition shall otherwise limit or affect local zoning authority.

Limited brewery licensees shall be treated as breweries for all purposes of this title except as otherwise provided in this subdivision.

3. Bottlers' licenses, which shall authorize the licensee to acquire and receive deliveries and shipments of beer in closed containers and to bottle, sell and deliver or ship it, in accordance with Board regulations to (i) wholesale beer licensees for the purpose of resale, (ii) owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and (iii) persons outside the Commonwealth for resale outside the Commonwealth.

4. Wholesale beer licenses, which shall authorize the licensee to acquire and receive deliveries and shipments of beer and to sell and deliver or ship the beer from one or more premises identified in the license, in accordance with Board regulations, in closed containers to (i) persons licensed under this chapter to sell such beer at wholesale or retail for the purpose of resale, (ii) owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and (iii) persons outside the Commonwealth for resale outside the Commonwealth.

No wholesale beer licensee shall purchase beer for resale from a person outside the Commonwealth

who does not hold a beer importer's license unless such wholesale beer licensee holds a beer importer's license and purchases beer for resale pursuant to the privileges of such beer importer's license.

5. Beer importers' licenses, which shall authorize persons licensed within or outside the Commonwealth to sell and deliver or ship beer into the Commonwealth, in accordance with Board regulations, in closed containers, to persons in the Commonwealth licensed to sell beer at wholesale for the purpose of resale.
