CHAPTER 578

An Act to amend and reenact § 2.2-4310 of the Code of Virginia, relating to Virginia Public Procurement Act; small business enhancement programs; limitations.

[S 1334]

Approved March 16, 2017

Be it enacted by the General Assembly of Virginia:

1. That § 2.2-4310 of the Code of Virginia is amended and reenacted as follows:

§ 2.2-4310. Discrimination prohibited; participation of small, women-owned, minority-owned, and service disabled veteran-owned business and employment services organization.

A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, each public body shall include businesses selected from a list made available by the Department of Small Business and Supplier Diversity, which list shall include all companies and organizations certified by the Department.

B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of small businesses, businesses owned by women, minorities, and service disabled veterans, and employment services organizations in procurement transactions. The programs established shall be in writing and shall comply with the provisions of any enhancement or remedial measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of a local governing body pursuant to § 15.2-965.1, and shall include specific plans to achieve any goals established therein. State agencies shall submit annual progress reports on (i) small, women-owned, and minority-owned business procurement, (ii) service disabled veteran-owned business procurement, and (iii) employment services organization procurement to the Department of Small Business and Supplier Diversity in a form specified by the Department of Small Business and Supplier Diversity. Contracts and subcontracts awarded to employment services organizations shall be credited toward a contractor's small business, women-owned, and minority-owned business contracting and subcontracting goals. The Department of Small Business and Supplier Diversity shall make information on service disabled veteran-owned procurement available to the Department of Veterans Services upon request.

C. Whenever there exists (i) a rational basis for small business or employment services organization enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women-owned and minority-owned businesses, the Governor is authorized and encouraged to require state agencies to implement appropriate enhancement or remedial measures consistent with prevailing law. *Any enhancement or remedial measure authorized by the Governor pursuant to this subsection for state public bodies may allow for small businesses certified by the Department of Small Business and Supplier Diversity or a subcategory of small businesses established as a part of the enhancement program to have a price preference over noncertified businesses competing for the same contract award on designated procurements, provided that the bid of the certified small business or the business in such subcategory of small businesses established as a part of an enhancement program does not exceed the low bid by more than five percent.*

D. In awarding a contract for services to a small, women-owned, or minority-owned business that is certified in accordance with § 2.2-1606, or to a business identified by a public body as a service disabled veteran-owned business where the award is being made pursuant to an enhancement or remedial program as provided in subsection C, the public body shall include in every such contract of more than $10,000 the following:

"If the contractor intends to subcontract work as part of its performance under this contract, the contractor shall include in the proposal a plan to subcontract to small, women-owned, minority-owned, and service disabled veteran-owned businesses."

E. In the solicitation or awarding of contracts, no state agency, department or institution shall discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state agency, department or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest.
