b. Three thousand dollars for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) for taxable years beginning on and after January 1, 2005; provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return. future taxable years until the purchase price or college savings trust contribution has been fully deducted; however, except as provided in subdivision 7 c, in no event shall the amount deducted in any taxable year exceed \$4,000 per contract or college savings trust account.
