

17101364D

HOUSE BILL NO. 2095

House Amendments in [] — February 6, 2017

A *BILL to amend and reenact §§ 37.2-203, 37.2-304, 54.1-2400.1, 54.1-2400.6, 54.1-3500, 54.1-3505, and 54.1-3506.1 of the Code of Virginia, relating to registration of peer recovery specialists and qualified mental health professionals.*

Patron Prior to Engrossment—Delegate Price

Referred to Committee on Health, Welfare and Institutions

Be it enacted by the General Assembly of Virginia:

1. That §§ 37.2-203, 37.2-304, 54.1-2400.1, 54.1-2400.6, 54.1-3500, 54.1-3505, and 54.1-3506.1 of the Code of Virginia are amended and reenacted as follows:

§ 37.2-203. Powers and duties of Board.

The Board shall have the following powers and duties:

1. To develop and establish programmatic and fiscal policies governing the operation of state hospitals, training centers, community services boards, and behavioral health authorities;

2. To ensure the development of long-range programs and plans for mental health, developmental, and substance abuse services provided by the Department, community services boards, and behavioral health authorities;

3. To review and comment on all budgets and requests for appropriations for the Department prior to their submission to the Governor and on all applications for federal funds;

4. To monitor the activities of the Department and its effectiveness in implementing the policies of the Board;

5. To advise the Governor, Commissioner, and General Assembly on matters relating to mental health, developmental, and substance abuse services;

6. To adopt regulations that may be necessary to carry out the provisions of this title and other laws of the Commonwealth administered by the Commissioner or the Department;

7. To ensure the development of programs to educate citizens about and elicit public support for the activities of the Department, community services boards, and behavioral health authorities;

8. To ensure that the Department assumes the responsibility for providing for education and training of school-age individuals receiving services in state facilities, pursuant to § 37.2-312; ~~and~~

9. To change the names of state facilities; *and*

10. *To adopt regulations that establish the qualifications, education, and experience for registration of peer recovery specialists by the Board of Counseling.*

Prior to the adoption, amendment, or repeal of any regulation regarding substance abuse services, the Board shall, in addition to the procedures set forth in the Administrative Process Act (§ 2.2-4000 et seq.), present the proposed regulation to the Substance Abuse Services Council, established pursuant to § 2.2-2696, at least 30 days prior to the Board's action for the Council's review and comment.

§ 37.2-304. Duties of Commissioner.

The Commissioner shall be the chief executive officer of the Department and shall have the following duties and powers:

1. To supervise and manage the Department and its state facilities.

2. To employ the personnel required to carry out the purposes of this title.

3. To make and enter into all contracts and agreements necessary or incidental to the performance of the Department's duties and the execution of its powers under this title, including contracts with the United States, other states, and agencies and governmental subdivisions of the Commonwealth, consistent with policies and regulations of the Board and applicable federal and state statutes and regulations.

4. To accept, hold, and enjoy gifts, donations, and bequests on behalf of the Department from the United States government, agencies and instrumentalities thereof, and any other source, subject to the approval of the Governor. To these ends, the Commissioner shall have the power to comply with conditions and execute agreements that may be necessary, convenient, or desirable, consistent with policies and regulations of the Board.

5. To accept, execute, and administer any trust in which the Department may have an interest, under the terms of the instruments creating the trust, subject to the approval of the Governor.

6. To transfer between state hospitals and training centers school-age individuals who have been identified as appropriate to be placed in public school programs and to negotiate with other school divisions for placements in order to ameliorate the impact on those school divisions located in a

ENGROSSED

HB2095E

59 jurisdiction in which a state hospital or training center is located.

60 7. To provide to the Director of the Commonwealth's designated protection and advocacy system,
61 established pursuant to § 51.5-39.13, a written report setting forth the known facts of critical incidents or
62 deaths of individuals receiving services in facilities within 15 working days of the critical incident or
63 death.

64 8. To work with the appropriate state and federal entities to ensure that any individual who has
65 received services in a state facility for more than one year has possession of or receives prior to
66 discharge any of the following documents, when they are needed to obtain the services contained in his
67 discharge plan: a Department of Motor Vehicles approved identification card that will expire 90 days
68 from issuance, a copy of his birth certificate if the individual was born in the Commonwealth, or a
69 social security card from the Social Security Administration. State facility directors, as part of their
70 responsibilities pursuant to § 37.2-837, shall implement this provision when discharging individuals.

71 9. To work with the Department of Veterans Services and the Department for Aging and
72 Rehabilitative Services to establish a program for mental health and rehabilitative services for Virginia
73 veterans and members of the Virginia National Guard and Virginia residents in the Armed Forces
74 Reserves not in active federal service and their family members pursuant to § 2.2-2001.1.

75 10. To establish and maintain a pharmaceutical and therapeutics committee composed of
76 representatives of the Department of Medical Assistance Services, state facilities operated by the
77 Department, community services boards, at least one health insurance plan, and at least one individual
78 receiving services to develop a drug formulary for use at all community services boards, state facilities
79 operated by the Department, and providers licensed by the Department.

80 11. ~~To certify individuals as peer providers in accordance with regulations adopted by the Board.~~

81 ~~12. To establish and maintain the Commonwealth Mental Health First Aid Program pursuant to~~
82 ~~§ 37.2-312.2.~~

83 ~~13. 12. To submit a report for the preceding fiscal year by December 1 of each year to the Governor~~
84 ~~and the Chairmen of the House Appropriations and Senate Finances Committees that provides~~
85 ~~information on the operation of Virginia's publicly funded behavioral health and developmental services~~
86 ~~system. The report shall include a brief narrative and data on the number of individuals receiving state~~
87 ~~facility services or community services board services, including purchased inpatient psychiatric services;~~
88 ~~the types and amounts of services received by these individuals; and state facility and community~~
89 ~~services board service capacities, staffing, revenues, and expenditures. The annual report shall describe~~
90 ~~major new initiatives implemented during the past year and shall provide information on the~~
91 ~~accomplishment of systemic outcome and performance measures during the year.~~

92 Unless specifically authorized by the Governor to accept or undertake activities for compensation, the
93 Commissioner shall devote his entire time to his duties.

94 **§ 54.1-2400.1. Mental health service providers; duty to protect third parties; immunity.**

95 A. As used in this section:

96 "Certified substance abuse counselor" means a person certified to provide substance abuse counseling
97 in a state-approved public or private substance abuse program or facility.

98 "Client" or "patient" means any person who is voluntarily or involuntarily receiving mental health
99 services or substance abuse services from any mental health service provider.

100 "Clinical psychologist" means a person who practices clinical psychology as defined in § 54.1-3600.

101 "Clinical social worker" means a person who practices social work as defined in § 54.1-3700.

102 "Licensed practical nurse" means a person licensed to practice practical nursing as defined in
103 § 54.1-3000.

104 "Licensed substance abuse treatment practitioner" means any person licensed to engage in the
105 practice of substance abuse treatment as defined in § 54.1-3500.

106 "Marriage and family therapist" means a person licensed to engage in the practice of marriage and
107 family therapy as defined in § 54.1-3500.

108 "Mental health professional" means a person who by education and experience is professionally
109 qualified and licensed in Virginia to provide counseling interventions designed to facilitate an
110 individual's achievement of human development goals and remediate mental, emotional, or behavioral
111 disorders and associated distresses which interfere with mental health and development.

112 "Mental health service provider" or "provider" refers to any of the following: (i) a person who
113 provides professional services as a certified substance abuse counselor, clinical psychologist, clinical
114 social worker, licensed substance abuse treatment practitioner, licensed practical nurse, marriage and
115 family therapist, mental health professional, physician, professional counselor, psychologist, *qualified*
116 *mental health professional*, registered nurse, *registered peer recovery specialist*, school psychologist, or
117 social worker; (ii) a professional corporation, all of whose shareholders or members are so licensed; or
118 (iii) a partnership, all of whose partners are so licensed.

119 "Professional counselor" means a person who practices counseling as defined in § 54.1-3500.

120 "Psychologist" means a person who practices psychology as defined in § 54.1-3600.

121 "Qualified mental health professional" means a person who by education and experience is
122 professionally qualified and registered by the Board of Counseling to provide collaborative mental
123 health services for adults or children. A qualified mental health professional shall provide such services
124 as an employee or independent contractor of [a mental health service the Department of Behavioral
125 Health and Developmental Services or a] provider licensed by the Department of Behavioral Health
126 and Developmental Services.

127 "Registered nurse" means a person licensed to practice professional nursing as defined in
128 § 54.1-3000.

129 "Registered peer recovery specialist" means a person who by education and experience is
130 professionally qualified and registered by the Board of Counseling to provide collaborative services to
131 assist individuals in achieving sustained recovery from the effects of addiction or mental illness, or both.
132 A registered peer recovery specialist shall provide such services as an employee or independent
133 contractor of the Department of Behavioral Health and Developmental Services, a [mental health
134 service] provider licensed by the Department of Behavioral Health and Developmental Services, a
135 practitioner licensed by or holding a permit issued from the Department of Health Professions, or a
136 facility licensed by the Department of Health.

137 "School psychologist" means a person who practices school psychology as defined in § 54.1-3600.

138 "Social worker" means a person who practices social work as defined in § 54.1-3700.

139 B. A mental health service provider has a duty to take precautions to protect third parties from
140 violent behavior or other serious harm only when the client has orally, in writing, or via sign language,
141 communicated to the provider a specific and immediate threat to cause serious bodily injury or death to
142 an identified or readily identifiable person or persons, if the provider reasonably believes, or should
143 believe according to the standards of his profession, that the client has the intent and ability to carry out
144 that threat immediately or imminently. If the third party is a child, in addition to taking precautions to
145 protect the child from the behaviors in the above types of threats, the provider also has a duty to take
146 precautions to protect the child if the client threatens to engage in behaviors that would constitute
147 physical abuse or sexual abuse as defined in § 18.2-67.10. The duty to protect does not attach unless the
148 threat has been communicated to the provider by the threatening client while the provider is engaged in
149 his professional duties.

150 C. The duty set forth in subsection B is discharged by a mental health service provider who takes
151 one or more of the following actions:

152 1. Seeks involuntary admission of the client under Article 16 (§ 16.1-335 et seq.) of Chapter 11 of
153 Title 16.1 or Chapter 8 (§ 37.2-800 et seq.) of Title 37.2.

154 2. Makes reasonable attempts to warn the potential victims or the parent or guardian of the potential
155 victim if the potential victim is under the age of 18.

156 3. Makes reasonable efforts to notify a law-enforcement official having jurisdiction in the client's or
157 potential victim's place of residence or place of work, or place of work of the parent or guardian if the
158 potential victim is under age 18, or both.

159 4. Takes steps reasonably available to the provider to prevent the client from using physical violence
160 or other means of harm to others until the appropriate law-enforcement agency can be summoned and
161 takes custody of the client.

162 5. Provides therapy or counseling to the client or patient in the session in which the threat has been
163 communicated until the mental health service provider reasonably believes that the client no longer has
164 the intent or the ability to carry out the threat.

165 6. In the case of a registered peer recovery specialist [or a qualified mental health professional who
166 is not otherwise licensed by a health regulatory board at the Department of Health Professions] ,
167 reports immediately to a licensed mental health service provider to take one or more of the actions set
168 forth in this subsection.

169 D. A mental health service provider shall not be held civilly liable to any person for:

170 1. Breaching confidentiality with the limited purpose of protecting third parties by communicating the
171 threats described in subsection B made by his clients to potential third party victims or law-enforcement
172 agencies or by taking any of the actions specified in subsection C.

173 2. Failing to predict, in the absence of a threat described in subsection B, that the client would cause
174 the third party serious physical harm.

175 3. Failing to take precautions other than those enumerated in subsection C to protect a potential third
176 party victim from the client's violent behavior.

177 **§ 54.1-2400.6. Hospitals, other health care institutions, home health and hospice organizations,**
178 **and assisted living facilities required to report disciplinary actions against and certain disorders of**
179 **health professionals; immunity from liability; failure to report.**

180 A. The chief executive officer and the chief of staff of every hospital or other health care institution
181 in the Commonwealth, the director of every licensed home health or hospice organization, the director

182 of every accredited home health organization exempt from licensure, ~~and~~ the administrator of every
183 licensed assisted living facility, *and the administrator of every provider licensed by the Department of*
184 *Behavioral Health and Developmental Services* in the Commonwealth shall report within 30 days, except
185 as provided in subsection B, to the Director of the Department of Health Professions, or in the case of a
186 director of a home health or hospice organization, to the Office of Licensure and Certification at the
187 Department of Health (the Office), the following information regarding any person (i) licensed, certified,
188 or registered by a health regulatory board or (ii) holding a multistate licensure privilege to practice
189 nursing or an applicant for licensure, certification or registration unless exempted under subsection E:

190 1. Any information of which he may become aware in his official capacity indicating that such a
191 health professional is in need of treatment or has been committed or admitted as a patient, either at his
192 institution or any other health care institution, for treatment of substance abuse or a psychiatric illness
193 that may render the health professional a danger to himself, the public or his patients.

194 2. Any information of which he may become aware in his official capacity indicating, after
195 reasonable investigation and consultation as needed with the appropriate internal boards or committees
196 authorized to impose disciplinary action on a health professional, that there is a reasonable probability
197 that such health professional may have engaged in unethical, fraudulent or unprofessional conduct as
198 defined by the pertinent licensing statutes and regulations. The report required under this subdivision
199 shall be submitted within 30 days of the date that the chief executive officer, chief of staff, director, or
200 administrator determines that a reasonable probability exists.

201 3. Any disciplinary proceeding begun by the institution, organization, ~~or~~ facility, *or provider* as a
202 result of conduct involving (i) intentional or negligent conduct that causes or is likely to cause injury to
203 a patient or patients, (ii) professional ethics, (iii) professional incompetence, (iv) moral turpitude, or (v)
204 substance abuse. The report required under this subdivision shall be submitted within 30 days of the
205 date of written communication to the health professional notifying him of the initiation of a disciplinary
206 proceeding.

207 4. Any disciplinary action taken during or at the conclusion of disciplinary proceedings or while
208 under investigation, including but not limited to denial or termination of employment, denial or
209 termination of privileges or restriction of privileges that results from conduct involving (i) intentional or
210 negligent conduct that causes or is likely to cause injury to a patient or patients, (ii) professional ethics,
211 (iii) professional incompetence, (iv) moral turpitude, or (v) substance abuse. The report required under
212 this subdivision shall be submitted within 30 days of the date of written communication to the health
213 professional notifying him of any disciplinary action.

214 5. The voluntary resignation from the staff of the health care institution, home health or hospice
215 organization, ~~or~~ assisted living facility, *or provider*, or voluntary restriction or expiration of privileges at
216 the institution, organization, ~~or~~ facility, *or provider*, of any health professional while such health
217 professional is under investigation or is the subject of disciplinary proceedings taken or begun by the
218 institution, organization, ~~or~~ facility, *or provider* or a committee thereof for any reason related to possible
219 intentional or negligent conduct that causes or is likely to cause injury to a patient or patients, medical
220 incompetence, unprofessional conduct, moral turpitude, mental or physical impairment, or substance
221 abuse.

222 Any report required by this section shall be in writing directed to the Director of the Department of
223 Health Professions or to the Director of the Office of Licensure and Certification at the Department of
224 Health, shall give the name and address of the person who is the subject of the report and shall fully
225 describe the circumstances surrounding the facts required to be reported. The report shall include the
226 names and contact information of individuals with knowledge about the facts required to be reported and
227 the names and contact information of individuals from whom the hospital or health care institution,
228 organization, ~~or~~ facility, *or provider* sought information to substantiate the facts required to be reported.
229 All relevant medical records shall be attached to the report if patient care or the health professional's
230 health status is at issue. The reporting hospital, health care institution, home health or hospice
231 organization, ~~or~~ assisted living facility, *or provider* shall also provide notice to the Department or the
232 Office that it has submitted a report to the National Practitioner Data Bank under the Health Care
233 Quality Improvement Act (42 U.S.C. § 11101 et seq.). The reporting hospital, health care institution,
234 home health or hospice organization, ~~or~~ assisted living facility, *or provider* shall give the health
235 professional who is the subject of the report an opportunity to review the report. The health professional
236 may submit a separate report if he disagrees with the substance of the report.

237 This section shall not be construed to require the hospital, health care institution, home health or
238 hospice organization, ~~or~~ assisted living facility, *or provider* to submit any proceedings, minutes, records,
239 or reports that are privileged under § 8.01-581.17, except that the provisions of § 8.01-581.17 shall not
240 bar (i) any report required by this section or (ii) any requested medical records that are necessary to
241 investigate unprofessional conduct reported pursuant to this subtitle or unprofessional conduct that
242 should have been reported pursuant to this subtitle. Under no circumstances shall compliance with this
243 section be construed to waive or limit the privilege provided in § 8.01-581.17. No person or entity shall

244 be obligated to report any matter to the Department or the Office if the person or entity has actual
245 notice that the same matter has already been reported to the Department or the Office.

246 B. Any report required by this section concerning the commitment or admission of such health
247 professional as a patient shall be made within five days of when the chief executive officer, chief of
248 staff, director, or administrator learns of such commitment or admission.

249 C. The State Health Commissioner ~~or the~~ Commissioner of ~~the Department of~~ Social Services, *and*
250 *Commissioner of Behavioral Health and Developmental Services* shall report to the Department any
251 information of which their agencies may become aware in the course of their duties that a health
252 professional may be guilty of fraudulent, unethical, or unprofessional conduct as defined by the pertinent
253 licensing statutes and regulations. However, the State Health Commissioner shall not be required to
254 report information reported to the Director of the Office of Licensure and Certification pursuant to this
255 section to the Department of Health Professions.

256 D. Any person making a report by this section, providing information pursuant to an investigation or
257 testifying in a judicial or administrative proceeding as a result of such report shall be immune from any
258 civil liability alleged to have resulted therefrom unless such person acted in bad faith or with malicious
259 intent.

260 E. Medical records or information learned or maintained in connection with an alcohol or drug
261 prevention function that is conducted, regulated, or directly or indirectly assisted by any department or
262 agency of the United States shall be exempt from the reporting requirements of this section to the extent
263 that such reporting is in violation of 42 U.S.C. § 290dd-2 or regulations adopted thereunder.

264 F. Any person who fails to make a report to the Department as required by this section shall be
265 subject to a civil penalty not to exceed \$25,000 assessed by the Director. The Director shall report the
266 assessment of such civil penalty to the Commissioner of Health ~~or the~~ Commissioner of Social Services,
267 *or Commissioner of Behavioral Health and Developmental Services*, as appropriate. Any person assessed
268 a civil penalty pursuant to this section shall not receive a license or certification or renewal of such
269 unless such penalty has been paid pursuant to § 32.1-125.01. The Medical College of Virginia Hospitals
270 and the University of Virginia Hospitals shall not receive certification pursuant to § 32.1-137 or Article
271 1.1 (§ 32.1-102.1 et seq.) of Chapter 4 of Title 32.1 unless such penalty has been paid.

272 **§ 54.1-3500. Definitions.**

273 As used in this chapter, unless the context requires a different meaning:

274 "Appraisal activities" means the exercise of professional judgment based on observations and
275 objective assessments of a client's behavior to evaluate current functioning, diagnose, and select
276 appropriate treatment required to remediate identified problems or to make appropriate referrals.

277 "Board" means the Board of Counseling.

278 "Certified substance abuse counseling assistant" means a person certified by the Board to practice in
279 accordance with the provisions of § 54.1-3507.2.

280 "Certified substance abuse counselor" means a person certified by the Board to practice in
281 accordance with the provisions of § 54.1-3507.1.

282 "Counseling" means the application of principles, standards, and methods of the counseling
283 profession in (i) conducting assessments and diagnoses for the purpose of establishing treatment goals
284 and objectives and (ii) planning, implementing, and evaluating treatment plans using treatment
285 interventions to facilitate human development and to identify and remediate mental, emotional, or
286 behavioral disorders and associated distresses that interfere with mental health.

287 "Licensed substance abuse treatment practitioner" means a person who: (i) is trained in and engages
288 in the practice of substance abuse treatment with individuals or groups of individuals suffering from the
289 effects of substance abuse or dependence, and in the prevention of substance abuse or dependence; and
290 (ii) is licensed to provide advanced substance abuse treatment and independent, direct, and unsupervised
291 treatment to such individuals or groups of individuals, and to plan, evaluate, supervise, and direct
292 substance abuse treatment provided by others.

293 "Marriage and family therapist" means a person trained in the assessment and treatment of cognitive,
294 affective, or behavioral mental and emotional disorders within the context of marriage and family
295 systems through the application of therapeutic and family systems theories and techniques.

296 "Marriage and family therapy" means the assessment and treatment of cognitive, affective, or
297 behavioral mental and emotional disorders within the context of marriage and family systems through
298 the application of therapeutic and family systems theories and techniques and delivery of services to
299 individuals, couples, and families, singularly or in groups, for the purpose of treating such disorders.

300 "Practice of counseling" means rendering or offering to render to individuals, groups, organizations,
301 or the general public any service involving the application of principles, standards, and methods of the
302 counseling profession, which shall include appraisal, counseling, and referral activities.

303 "Practice of marriage and family therapy" means the assessment and treatment of cognitive, affective,
304 or behavioral mental and emotional disorders within the context of marriage and family systems through

305 the application of therapeutic and family systems theories and techniques, which shall include
 306 assessment, treatment, and referral activities.

307 "Practice of substance abuse treatment" means rendering or offering to render substance abuse
 308 treatment to individuals, groups, organizations, or the general public.

309 "Professional counselor" means a person trained in the application of principles, standards, and
 310 methods of the counseling profession, including counseling interventions designed to facilitate an
 311 individual's achievement of human development goals and remediating mental, emotional, or behavioral
 312 disorders and associated distresses that interfere with mental health and development.

313 "*Qualified mental health professional*" means a person who by education and experience is
 314 professionally qualified and registered by the Board to provide collaborative mental health services for
 315 adults or children. A qualified mental health professional shall provide such services as an employee or
 316 independent contractor of [~~a mental health service~~ the Department of Behavioral Health and
 317 Developmental Services or a] provider [~~;~~ as defined in § 54.1-2400.1,] licensed by the Department of
 318 Behavioral Health and Developmental Services.

319 "Referral activities" means the evaluation of data to identify problems and to determine advisability
 320 of referral to other specialists.

321 "*Registered peer recovery specialist*" means a person who by education and experience is
 322 professionally qualified and registered by the Board to provide collaborative services to assist
 323 individuals in achieving sustained recovery from the effects of addiction or mental illness, or both. A
 324 registered peer recovery specialist shall provide such services as an employee or independent contractor
 325 of the Department of Behavioral Health and Developmental Services, a [~~mental health service~~]
 326 provider [~~;~~ as defined in § 54.1-2400.1,] licensed by the Department of Behavioral Health and
 327 Developmental Services, a practitioner licensed by or holding a permit issued from the Department of
 328 Health Professions, or a facility licensed by the Department of Health.

329 "Residency" means a post-internship supervised clinical experience registered with the Board.

330 "Resident" means an individual who has submitted a supervisory contract to the Board and has
 331 received Board approval to provide clinical services in professional counseling under supervision.

332 "Substance abuse" and "substance dependence" mean a maladaptive pattern of substance use leading
 333 to clinically significant impairment or distress.

334 "Substance abuse treatment" means (i) the application of specific knowledge, skills, substance abuse
 335 treatment theory, and substance abuse treatment techniques to define goals and develop a treatment plan
 336 of action regarding substance abuse or dependence prevention, education, or treatment in the substance
 337 abuse or dependence recovery process and (ii) referrals to medical, social services, psychological,
 338 psychiatric, or legal resources when such referrals are indicated.

339 "Supervision" means the ongoing process, performed by a supervisor, of monitoring the performance
 340 of the person supervised and providing regular, documented individual or group consultation, guidance,
 341 and instruction with respect to the clinical skills and competencies of the person supervised.

342 **§ 54.1-3505. Specific powers and duties of the Board.**

343 In addition to the powers granted in § 54.1-2400, the Board shall have the following specific powers
 344 and duties:

345 1. To cooperate with and maintain a close liaison with other professional boards and the community
 346 to ensure that regulatory systems stay abreast of community and professional needs.

347 2. To conduct inspections to ensure that licensees conduct their practices in a competent manner and
 348 in conformance with the relevant regulations.

349 3. To designate specialties within the profession.

350 4. To administer the certification of rehabilitation providers pursuant to Article 2 (§ 54.1-3510 et
 351 seq.) of this chapter, including prescribing fees for application processing, examinations, certification and
 352 certification renewal.

353 5. [Expired.]

354 6. To promulgate regulations for the qualifications, education, and experience for licensure of
 355 marriage and family therapists. The requirements for clinical membership in the American Association
 356 for Marriage and Family Therapy (AAMFT), and the professional examination service's national
 357 marriage and family therapy examination may be considered by the Board in the promulgation of these
 358 regulations. The educational credit hour, clinical experience hour, and clinical supervision hour
 359 requirements for marriage and family therapists shall not be less than the educational credit hour,
 360 clinical experience hour, and clinical supervision hour requirements for professional counselors.

361 7. To promulgate, subject to the requirements of Article 1.1 (§ 54.1-3507 et seq.) of this chapter,
 362 regulations for the qualifications, education, and experience for licensure of licensed substance abuse
 363 treatment practitioners and certification of certified substance abuse counselors and certified substance
 364 abuse counseling assistants. The requirements for membership in NAADAC: the Association for
 365 Addiction Professionals and its national examination may be considered by the Board in the
 366 promulgation of these regulations. The Board also may provide for the consideration and use of the

367 accreditation and examination services offered by the Substance Abuse Certification Alliance of Virginia.
368 The educational credit hour, clinical experience hour, and clinical supervision hour requirements for
369 licensed substance abuse treatment practitioners shall not be less than the educational credit hour,
370 clinical experience hour, and clinical supervision hour requirements for licensed professional counselors.
371 Such regulations also shall establish standards and protocols for the clinical supervision of certified
372 substance abuse counselors and the supervision or direction of certified substance abuse counseling
373 assistants, and reasonable access to the persons providing that supervision or direction in settings other
374 than a licensed facility.

375 8. To maintain a registry of persons who meet the requirements for supervision of residents. The
376 Board shall make the registry of approved supervisors available to persons seeking residence status.

377 9. *To promulgate regulations for the registration of qualified mental health professionals, including*
378 *qualifications, education, and experience necessary for such registration.*

379 10. *To promulgate regulations for the registration of peer recovery specialists who meet the*
380 *qualifications, education, and experience requirements established by regulations of the Board of*
381 *Behavioral Health and Developmental Services pursuant to § 37.2-203.*

382 **§ 54.1-3506.1. Client notification.**

383 Any person licensed, *certified, or registered* by the Board and operating in a nonhospital setting shall
384 post a copy of his license, *certification, or registration* in a conspicuous place. The posting shall also
385 provide clients with (i) the number of the toll-free complaint line at the Department of Health
386 Professions, (ii) the website address of the Department for the purposes of accessing the licensee's,
387 *certificate holder's, or registrant's* record, and (iii) notice of the client's right to report to the Department
388 if he believes the licensee, *certificate holder, or registrant* may have engaged in unethical, fraudulent, or
389 unprofessional conduct. *If the licensee, certificate holder, or registrant does not operate in a central*
390 *location at which clients visit, he [or his employer] shall provide such information on a disclosure*
391 *form signed by the client and maintained in the client's record.*

392 **2. That the Board of Behavioral Health and Developmental Services and the Board of Counseling**
393 **shall promulgate regulations to implement the provisions of this act to be effective within 280 days**
394 **of its enactment.**
