## § 2.2-4306. Design-build contracts for Commonwealth authorized.

15 A. Notwithstanding any other provisions of law, the Commonwealth may enter into contracts on a 16 fixed price design-build basis or construction management basis in accordance with the provisions of 17 this section and § 2.2-1502. Procedures to implement this section and any changes to such procedures shall be adopted by the Secretary of Administration after a public hearing and reviewed by the House 18 19 Committee on Appropriations and the Senate Committee on Finance.

20 B. Procurement of construction by the design-build method shall be a two-step competitive 21 negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based 22 upon the information submitted and any other relevant information which the Commonwealth may 23 obtain, no more than five offerors deemed most suitable for the project shall be selected by the 24 Commonwealth and requested to submit proposals.

25 C. Design-build contracts may be used by the Commonwealth only for those types of construction 26 projects designated in the procedures adopted by the Secretary of Administration to implement this 27 section.

§ 2.2-4307. Fixed-price or not-to-exceed-price design-build and construction management 28 29 contracts for juvenile correctional facilities authorized.

30 Notwithstanding the provisions of § 2.2-4306, but subject to § 2.2-4308.01 and the procedures adopted by the Secretary of Administration to implement the provisions of that section §§ 2.2-4306 and 31 32 2.2-4308.01, the Commonwealth may enter into contracts for juvenile correctional facilities on a fixed-price or not-to-exceed-price design-build basis or construction management basis, including related 33 34 leases, lease/purchase contracts, agreements relating to the sale of securities to finance such facilities, 35 and similar financing agreements.

#### 36 § 2.2-4308. Design-build or construction management contracts for public bodies other than the 37 Commonwealth; eligibility requirements; award of contract; records to be kept.

38 A. While the competitive sealed bid process remains the preferred method of construction 39 procurement for public bodies in the Commonwealth, any public body other than the Commonwealth 40 may enter into a contract for construction on a fixed price or not-to-exceed price design-build or 41 construction management basis, provided *that* the public body complies with the requirements of this 42 section and § 2.2-4308.01 and has implemented procedures consistent with the procedures adopted by 43 the Secretary of Administration for utilizing design-build or construction management contracts.

44 Prior to making a determination as to the use of design-build or construction management for a specific construction project, the public body shall have in its employ or under contract a licensed 45 architect or engineer with professional competence appropriate to the project who shall advise the public 46 body regarding the use of design-build or construction management for that project and who shall assist 47 **48** the public body with the preparation of the Request for Proposal and the evaluation of such proposals.

49 Prior to issuing a Request for Proposal for any design-build or construction management contract for 50 a specific construction project, the public body shall:

51 1. Have adopted, by ordinance or resolution, written procedures governing the selection, evaluation and award of design-build and construction management contracts. Such procedures shall be consistent 52 53 with those described in this chapter for the procurement of nonprofessional services through competitive 54 negotiation. Such procedures shall also require Requests for Proposals to include and define the criteria of such construction project in areas such as site plans; floor plans; exterior elevations; basic building 55 envelope materials; fire protection information plans; structural, mechanical (HVAC), and electrical 56 57 systems; and special telecommunications; and may define such other requirements as the public body determines appropriate for that particular construction project. Such procedures for: 58

a. Design-build construction projects shall include a two-step competitive negotiation process 59

14

11/28/22 17:21

60 consistent with the standards established by the Division of Engineering and Buildings of the 61 Department of General Services for state agencies.

62 b. Construction management projects shall include selection procedures and required construction 63 management contract terms consistent with § 2.2-4308.01 and the procedures as adopted by the 64 Secretary of Administration.

65 2. Have documented in writing that for a specific construction project (i) a design-build or 66 construction management contract is more advantageous than a competitive sealed bid construction contract; (ii) there is a benefit to the public body by using a design-build or construction management 67 68 contract; and (iii) competitive sealed bidding is not practical or fiscally advantageous.

B. The contract shall be awarded to the fully qualified offeror who submits an acceptable proposal 69 determined to be the best value in response to the Request for Proposal. 70 71

§ 2.2-4308.01. Requirements for use of construction management contracts. A. For the purposes of this section, "public body" shall include without limitation (i) public 72 institutions of higher education that have executed a valid management agreement under the 73 74 Restructured Higher Education Financial and Administrative Operations Act of 2005 (§ 23-38.88 et seq.) 75 and (ii) any public body that has implemented the provisions of this chapter pursuant to subdivisions A 76 9, 10, and 11 of § 2.2-4343.

77 B. While the competitive sealed bid process remains the preferred method of construction 78 procurement for public bodies in the Commonwealth:

79 1. For projects with a total project cost expected to be \$35 million or more, any public body may 80 use competitive negotiation to procure construction on a construction management basis, provided that:

a. The public body makes a determination in advance and sets forth in writing that competitive 81 sealed bidding is neither practicable nor fiscally advantageous to the public, which writing shall 82 83 document the basis for the determination. Such written determination shall be included in the request for 84 qualifications; 85

b. The contract is entered into prior to the schematic phase of design;

86 c. Prior alternative procurement method experience, including previous construction management 87 experience or previous Virginia Bureau of Capital Outlay Management contract work shall not be 88 required as a prerequisite for award of a contract. However, in the selection of a contractor, the public 89 body may consider the experience of each contractor on comparable projects; and 90

d. Price is the critical basis for award of the contract.

91 2. For projects with a total project cost expected to be less than \$35 million, any public body may 92 use competitive negotiation to procure construction on a construction management basis, provided that: 93

a. The requirements of subdivisions B 1 a through d are met;

94 b. The project is (i) of substantial historical value or interest or (ii) significantly unique or extremely 95 complex in nature; and

96 c. Any such finding shall be on a per project basis;

103 (2) In the case of a public institution of higher education that has been designated as a Tier 3 pursuant to the Restructured Higher Education Financial and Administrative Operations Act of 2005 104 (§ 23-38.88 et seq.) as of January 1, 2016, prior to any solicitation for such project such public body 105 notifies its board of visitors in writing of its intent to procure construction on a construction management basis and the board of visitors makes a written finding that such public institution of 106 107 108 higher education is in compliance with the requirements of this subsection. Any such finding shall be on 109 a per project basis; or

110 (3) In the case of a local public body, prior to any solicitation for such project, the public body 111 notifies its governing body in writing of its intent to procure construction on a construction management 112 basis and the governing body makes a written finding that the local public body is in compliance with the requirements of this subsection. Any such finding shall be on a per project basis. 113

114 D. Combining multiple construction projects for the purpose of exceeding the \$35 million threshold is prohibited, unless the projects are contiguous or directly related to each other. However, a Tier 3 115 public institution of higher education may waive this restriction if its board of visitors approves the 116 117 waiver

118 E. The public body shall make available to the public, after award, all prequalification score sheets, 119 award score sheets, and selection information for each project covered by this section.

359 b. The Secretary of Finance and the Secretary of Administration, in consultation with the Virginia Retirement System and the affected institutions, shall establish procedures for determining any amounts to be paid by each institution and a mechanism for transferring the appropriate amounts directly and solely to the programs whose costs have been affected.

In developing management agreements, public institutions of higher education shall give
consideration to potential future impacts of tuition increases on the Virginia College Savings Plan
(§ 23-38.75) and shall discuss such potential impacts with parties participating in development of such agreements. The chief executive officer of the Virginia College Savings Plan shall provide to the institution and such parties the Plan's assumptions underlying the contract pricing of the program; and

d. Before executing a management agreement with the Commonwealth that affects insurance or
benefit programs administered by the Virginia Retirement System, the Governor shall transmit a draft of
the relevant provisions to the Board of Trustees of the Virginia Retirement System, which shall review
the relevant provisions in order to ensure compliance with the applicable provisions of Title 51.1,
administrative policies and procedures and federal regulations governing retirement plans. The Board
shall advise the Governor and appropriate Cabinet Secretaries of any conflicts.

383 3. Each initial management agreement with an institution shall remain in effect for a period of three
384 years. Subsequent management agreements with the institution shall remain in effect for a period of five
385 years.

If an existing agreement is not renewed or a new agreement executed prior to the expiration of the three-year or five-year term, as applicable, the existing agreement shall remain in effect on a provisional basis for a period not to exceed one year. If, after the expiration of the provisional one-year period, the management agreement has not been renewed or a new agreement executed, the institution shall no longer be granted any of the financial or operational authority set forth in Article 3 (§ 23-38.91 et seq.), unless and until such time as a new management agreement is entered into between the institution and the Commonwealth.

393 The Joint Legislative Audit and Review Commission, in cooperation with the Auditor of Public 394 Accounts, shall conduct a review relating to the initial management agreement with each public 395 institution of higher education. The review shall cover a period of at least the first 24 months from the 396 effective date of the management agreement. The review shall include, but shall not be limited to, the 397 degree of compliance with the expressed terms of the management agreement, the degree to which the 398 institution has demonstrated its ability to manage successfully the administrative and financial operations 399 of the institution without jeopardizing the financial integrity and stability of the institution, the degree to 400 which the institution is meeting the objectives described in subsection B, and any related impact on 401 students and employees of the institution from execution of the management agreement. The Joint 402 Legislative Audit and Review Commission shall make a written report of its review no later than June 403 30 of the third year of the management agreement. The Joint Legislative Audit and Review Commission 404 is authorized, but not required, to conduct a similar review of any management agreement entered into 405 subsequent to the initial agreement.

406 4. The right and power by the Governor to void a management agreement shall be expressly included 407 in each management agreement. The management agreement shall provide that if the Governor makes a 408 written determination that a public institution of higher education that has entered into a management 409 agreement with the Commonwealth is not in substantial compliance with the terms of the agreement or 410 with the requirements of this chapter in general, (i) the Governor shall provide a copy of that written 411 determination to the chairmen of the Board of Visitors or other governing body of the public institution 412 of higher education and to the members of the General Assembly, and (ii) the institution shall develop 413 and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into 414 substantial compliance with the terms of the management agreement and with the requirements of this 415 chapter, as soon as practicable, and shall provide a copy of such corrective action plan to the members 416 of the General Assembly. If after a reasonable period of time after the corrective action plan has been 417 implemented by the institution, the Governor determines that the institution is not yet in substantial 418 compliance with the management agreement or the requirements of this chapter, the Governor may void 419 the management agreement. Upon the Governor voiding a management agreement, the affected public 420 institution of higher education shall not be allowed to exercise any restructured financial or operational 421 authority pursuant to the provisions of Article 3 (§ 23-38.91 et seq.) unless and until the institution 422 enters into a subsequent management agreement with the Secretary or Secretaries designated by the 423 Governor or the void management agreement is reinstated by the General Assembly.

424 5. A management agreement with a public institution of higher education shall not grant any of the
425 restructured financial or operational authority set forth in Article 3 (§ 23-38.91 et seq.) to the Virginia
426 Cooperative Extension and Agricultural Experiment Station, the University of Virginia College at Wise,
427 or the Virginia Institute of Marine Sciences or to an affiliated entity of the institution unless such intent,
428 as well as the degree of the restructured financial or operational authority to be granted, is expressly

**429** included in the management agreement.

430 6. Following the execution of each management agreement with a public institution of higher 431 education and submission of that management agreement to the Chairmen of the House Committee on 432 Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate 433 Committee on Education and Health pursuant to § 23-38.97, the Governor shall include a 434 recommendation for approval of the management agreement in "The Budget Bill" submitted pursuant to 435 subsection A of § 2.2-1509 or in his gubernatorial amendments submitted pursuant to subsection E of 436 § 2.2-1509 due by the December 20 that immediately follows the date of submission of the management 437 agreement to such Committees. Following the General Assembly's consideration of whether to approve 438 or disapprove the management agreement as recommended, if the management agreement is approved as 439 part of the general appropriation act, it shall become effective on the effective date of such general 440 appropriation act. However, no management agreement shall be entered into by a public institution of 441 higher education and the Secretary or Secretaries designated by the Governor after November 15 of a 442 calendar year.

E. A covered institution and the members of its governing body, officers, directors, employees, and
agents shall be entitled to the same sovereign immunity to which they would be entitled if the institution
were not governed by this chapter; provided further, that the Virginia Tort Claims Act (§ 8.01-195.1 et
seq.) and its limitations on recoveries shall remain applicable with respect to institutions governed by
this chapter.

448 2. That the fourth and fifth enactments of Chapters 760 and 776 of the Acts of Assembly of 2015 449 are repealed.

450 3. That all state public bodies, including public institutions of higher education governed under 451 Chapters 933 and 943 of the Acts of Assembly of 2006, Chapters 594 and 616 of the Acts of 452 Assembly of 2008, and Chapters 675 and 685 of the Acts of Assembly of 2009 and such institutions 453 operating on November 1 of each year, shall report, at a minimum, the following on completed 454 capital projects beginning with those authorized for construction under Chapter 665 of the Acts of 455 Assembly of 2015 to the Director of the Department of General Services: (i) the procurement 456 method, (ii) the project budget, (iii) the actual project cost, (iv) the expedited timeline, (v) the actual time for completion, and (vi) any post-completion issues. The Department of General 457 458 Services shall consolidate the data in each such report and submit the consolidated data no later 459 than December 1 of each year to the Governor and the Chairmen of the House Committee on 460 Appropriations and the Senate Committee on Finance.

461 4. That local public bodies shall submit to their respective governing body for review and approval 462 requests to use construction procurement methods, including construction management and 463 design-build, but excluding construction using competitive sealed bidding.

464 5. That the Auditor of Public Accounts, as part of his annual audit plan, shall determine whether 465 public institutions of higher education governed under Chapters 933 and 943 of the Acts of 466 Assembly of 2006, Chapters 594 and 616 of the Acts of Assembly of 2008, and Chapters 675 and 467 685 of the Acts of Assembly of 2009, and those operating under a memorandum of understanding 468 pursuant to § 23-38.90 of the Code of Virginia, have complied with their internal review process in

469 the selection of procurement method for construction.

6. 475 projects and approved procurement methods for construction at least 30 days prior to soliciting

476 for design services for such construction projects.
