2017 SESSION

INTRODUCED

HB963

16103827D HOUSE BILL NO. 963 1 2 Offered January 13, 2016 3 Prefiled January 12, 2016 4 5 6 A BILL to amend the Code of Virginia by adding in Chapter 4 of Title 18.2 an article numbered 10, consisting of sections numbered 18.2-76.3 through 18.2-76.10, relating to the Pain-Capable Unborn Child Protection Act; penalty. 7 Patrons-LaRock, Anderson, Bell, Richard P., Byron, Campbell, Cline, Cole, Collins, Fariss, Freitas, Gilbert, Hugo, Landes, Leftwich, Lingamfelter, Marshall, R.G., Massie, Miller, Morris, Orrock, Peace, Poindexter, Wilt and Wright; Senators: Black, Carrico, Chase, Garrett, Hanger, Reeves, Ruff, Stanley, Suetterlein and Vogel 8 9 Referred to Committee for Courts of Justice 10 Be it enacted by the General Assembly of Virginia: 11 1. That the Code of Virginia is amended by adding in Chapter 4 of Title 18.2 an article numbered 12 10, consisting of sections numbered 18.2-76.3 through 18.2-76.10, as follows: 13 14 Article 10. 15 Pain-Capable Unborn Child Protection Act. 16 § 18.2-76.3. Definitions. For purposes of this article, unless the context requires a different meaning: 17 18 "Abortion" means the use or prescription of any instrument, medicine, drug, or any other substance 19 or device to terminate the pregnancy of a woman known to be pregnant with an intention other than to 20 increase the probability of a live birth, to preserve the life or health of the child after live birth, or to 21 remove a dead unborn child who died as the result of natural causes in utero, accidental trauma, or a 22 criminal assault on the pregnant woman or her unborn child and which causes the premature 23 termination of the pregnancy. 24 "Attempt to perform or induce an abortion" means an act, or an omission of a statutorily required 25 act, that, under the circumstances as the actor believes them to be, constitutes a substantial step in a 26 course of conduct planned to culminate in the performance or induction of an abortion in the 27 Commonwealth, in violation of this article. "Department" means the Department of Health. "Fertilization" means the fusion of a human spermatozoon with a human ovum. 28 29 30 "Medical emergency" means a condition that, in reasonable medical judgment, so complicates the 31 medical condition of the pregnant woman that it necessitates the immediate abortion of her pregnancy without first determining postfertilization age to avert her death or for which the delay necessary to 32 33 determine postfertilization age will create serious risk of substantial and irreversible physical 34 impairment of a major bodily function, not including psychological or emotional conditions. No 35 condition shall be deemed a medical emergency if based on a claim or diagnosis that the woman will 36 engage in conduct that she intends to result in her death or in substantial and irreversible physical 37 impairment of a major bodily function. 38 "Physician" means any person licensed to practice medicine or osteopathic medicine in the 39 Commonwealth pursuant to Chapter 29 (§ 54.1-2900 et seq.) of Title 54.1. 40 "Postfertilization age" means the age of the unborn child as calculated from the fusion of a human spermatozoon with a human ovum. 41 "Probable postfertilization age of the unborn child" means what, in reasonable medical judgment, 42 43 will with reasonable probability be the postfertilization age of the unborn child at the time the abortion 44 is planned to be performed or induced. 45 "Reasonable medical judgment" means a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the 46 47 medical conditions involved. 48 "Unborn child" or "fetus" means an individual organism of the species Homo sapiens from 49 fertilization until live birth. 50 "Woman" means a female human being whether or not she has reached the age of majority. 51 § 18.2-76.4. Determination of postfertilization age. 52 A. Except in the case of a medical emergency, no abortion shall be performed or induced or be 53 attempted to be performed or induced unless the physician performing or inducing it has first made a determination of the probable postfertilization age of the unborn child or relied upon such a 54

determination made by another physician. In making such a determination, the physician shall make

55

62

such inquiries of the woman and perform or cause to be performed such medical examinations and tests 56

57 as a reasonably prudent physician, knowledgeable about the case and the medical conditions involved, 58 would consider necessary to perform in making an accurate diagnosis with respect to postfertilization 59 age.

60 B. Failure by any physician to conform to any requirement of this section constitutes unprofessional 61 conduct.

§ 18.2-76.5. Abortion of unborn child of 20 or more weeks postfertilization age prohibited.

A. No person shall perform or induce or attempt to perform or induce an abortion upon a woman 63 64 when it has been determined by the physician performing or inducing or attempting to perform or induce the abortion or by another physician upon whose determination that physician relies that the 65 probable postfertilization age of the woman's unborn child is 20 or more weeks, unless, in reasonable 66 medical judgment, she has a condition that so complicates her medical condition as to necessitate the 67 68 abortion of her pregnancy to avert her death or to avert serious risk of substantial and irreversible 69 physical impairment of a major bodily function, not including psychological or emotional conditions. No such greater risk shall be deemed to exist if it is based on a claim or diagnosis that the woman will 70 71 engage in conduct that she intends to result in her death or in substantial and irreversible physical 72 impairment of a major bodily function.

73 B. When an abortion upon a woman whose unborn child has been determined to have a probable 74 postfertilization age of 20 or more weeks is not prohibited by subsection A, and if the woman elects to 75 have an abortion, the physician shall be allowed to terminate the pregnancy but shall do so in the manner that in reasonable medical judgment provides the best opportunity for the unborn child to 76 survive, unless, in reasonable medical judgment, termination of the pregnancy in that manner would 77 pose a greater risk either of the death of the pregnant woman or of the substantial and irreversible 78 79 physical impairment of a major bodily function, not including psychological or emotional conditions, of 80 the woman than would other available methods. No such greater risk shall be deemed to exist if it is 81 based on a claim or diagnosis that the woman will engage in conduct that she intends to result in her 82 death or in substantial and irreversible physical impairment of a major bodily function. 83

§ 18.2-76.6. Reporting.

84 A. Any physician who performs or induces or attempts to perform or induce an abortion shall report 85 to the Department, on a schedule and in accordance with forms and regulations adopted and 86 promulgated by the Board of Health, that include: 87

1. Postfertilization age:

88 a. If a determination of probable postfertilization age was made, whether an ultrasound was 89 employed in making the determination, and the week of probable postfertilization age determined; or

b. If a determination of probable postfertilization age was not made, the basis of the determination 90 91 that a medical emergency existed. 92

2. Method of abortion used:

a. Medication abortion, including but not limited to abortion accomplished with 93 94 *mifepristone/misoprostol or methotrexate/misoprostol;* 95

- b. Manual vacuum aspiration;
- 96 c. Electrical vacuum aspiration;
- 97 d. Dilation and evacuation:

98 e. Combined induction abortion and dilation and evacuation:

- 99 f. Induction abortion with prostaglandins;
- g. Induction abortion with intra-amniotic instillation, such as, but not limited to, saline or urea; 100
- 101 *h. Induction abortion, other;*
- 102 i. Intact dilation and extraction (partial birth); or
- 103 j. Method not listed (specify).
- 104 3. Whether an intrafetal injection was used in an attempt to induce fetal demise including, but not 105 limited to, intrafetal potassium chloride or digoxin. 106
 - 4. Age and race of the patient.

5. If the probable postfertilization age was determined to be 20 or more weeks, the basis of the 107 108 determination that the pregnant woman had a condition that so complicated her medical condition as to 109 necessitate the abortion of her pregnancy to avert her death or to avert serious risk of substantial and 110 irreversible physical impairment of a major bodily function, not including psychological or emotional 111 conditions.

112 6. If the probable postfertilization age was determined to be 20 or more weeks, whether or not the 113 method of abortion used was one that, in reasonable medical judgment, provided the best opportunity for the unborn child to survive and, if such a method was not used, the basis of the determination that 114 115 termination of the pregnancy in that manner would pose a greater risk either of the death of the 116 pregnant woman or of the substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions, of the woman than would other available methods. 117

118 B. Reports required by subsection A shall not contain the name or the address of the patient whose 119 pregnancy was terminated, nor shall the report contain any other information identifying the patient, 120 except that each report shall contain a unique medical record identifying number to enable matching the 121 report to the patient's medical records. Such reports shall be maintained in strict confidence by the 122 Department, shall not be available for public inspection, and shall not be made available except to the 123 attorney for the Commonwealth with appropriate jurisdiction pursuant to a criminal investigation, or in the event a civil action is instituted under subsection B of § 18.2-76.8 or pursuant to court order in an 124 125 action under § 18.2-76.8.

126 C. By June 30 of each year, the Department shall issue a public report providing statistics for the 127 previous calendar year compiled from all of the reports covering that year submitted in accordance with 128 this section for each of the items listed in subsection A. Each such report shall also provide the 129 statistics for all previous calendar years during which this section was in effect, adjusted to reflect any 130 additional information from late or corrected reports. The Department shall take care to ensure that 131 none of the information included in the public reports could reasonably lead to the identification of any 132 pregnant woman upon whom an abortion was performed, induced, or attempted.

133 D. Any physician who fails to submit a report by the end of 30 days following the due date shall be 134 subject to a late fee of \$1,000 for each additional 30-day period or portion of a 30-day period the 135 report is overdue. Any physician required to report in accordance with this article who has not 136 submitted a report, or has submitted only an incomplete report, more than six months following the due 137 date, may, in an action brought by the Board of Medicine, be directed by a court of competent 138 jurisdiction to submit a complete report within a period stated by court order or be subject to civil 139 contempt. Intentional or reckless failure by any physician to conform to any requirement of this section, **140** other than late filing of a report, constitutes unprofessional conduct. Intentional or reckless failure by 141 any physician to submit a complete report in accordance with a court order constitutes unprofessional 142 conduct. Intentional or reckless falsification of any report required under this section is a Class 1 143 misdemeanor.

144 E. Within 90 days of the effective date of this article, the Board of Health shall adopt and 145 promulgate forms and regulations to assist in compliance with this section. Subsection A shall take 146 effect so as to require reports regarding all abortions performed or induced on and after the first day of the first calendar month following the effective date of such rules. 147 148

§ 18.2-76.7. Criminal penalties.

149 Any person who intentionally or recklessly performs or induces or attempts to perform or induce an 150 abortion in violation of this article is guilty of a Class 4 felony. No penalty may be assessed against the 151 woman upon whom the abortion is performed or induced or attempted to be performed or induced. 152

§ 18.2-76.8. Civil remedies.

153 A. Any woman upon whom an abortion has been performed or induced in violation of this article, or 154 the father of the unborn child who was the subject of such an abortion, may maintain an action against 155 the person who performed or induced the abortion in intentional or reckless violation of this article for 156 actual and punitive damages. Any woman upon whom an abortion has been attempted in violation of 157 this article may maintain an action against the person who attempted to perform or induce the abortion 158 in an intentional or reckless violation of this article for actual and punitive damages.

159 B. A cause of action for injunctive relief against any person who has intentionally or recklessly 160 violated this article may be maintained by the woman upon whom an abortion was performed or 161 induced or attempted to be performed or induced in violation of this article; by any person who is the 162 spouse, parent, sibling, or guardian of, or a current or former licensed health care provider of, the 163 woman upon whom an abortion has been performed or induced or attempted to be performed or 164 induced in violation of this article; by a county or city attorney with appropriate jurisdiction or by the Attorney General. The injunction shall prevent the abortion provider from performing or inducing or 165 attempting to perform or induce further abortions in violation of this article in the Commonwealth. 166

C. If judgment is rendered in favor of the plaintiff in an action described in this section, the court 167 168 shall also render judgment for a reasonable attorney fee in favor of the plaintiff against the defendant.

169 D. If judgment is rendered in favor of the defendant and the court finds that the plaintiff's suit was 170 frivolous and brought in bad faith, the court shall also render judgment for a reasonable attorney fee in 171 favor of the defendant against the plaintiff.

172 E. No damages or attorney fees may be assessed against the woman upon whom an abortion was 173 performed or induced or attempted to be performed or induced except in accordance with subsection D. 174 § 18.2-76.9. Protection of privacy in court proceedings.

175 In every civil or criminal proceeding or action brought under this article, the court shall rule 176 whether the anonymity of any woman upon whom an abortion has been performed or induced or 177 attempted to be performed or induced shall be preserved from public disclosure if she does not give her 178 consent to such disclosure. The court, upon motion by a party or upon its own motion, shall make such

179 a ruling and, upon determining that her anonymity should be preserved, shall issue orders to the parties, witnesses, and counsel and shall direct the sealing of the record and exclusion of individuals 180 181 from courtrooms or hearing rooms to the extent necessary to safeguard her identity from public 182 disclosure. Each such order shall be accompanied by specific written findings explaining why the 183 anonymity of the woman should be preserved from public disclosure, why the order is essential to that 184 end, how the order is narrowly tailored to serve that interest, and why no reasonable less restrictive 185 alternative exists. In the absence of written consent of the woman upon whom an abortion has been performed or induced or attempted to be performed or induced, anyone, other than a public official, 186 who brings an action under subsection A or B of § 18.2-76.8 shall do so under a pseudonym. This 187 188 section may not be construed to conceal the identity of the plaintiff or of witnesses from the defendant 189 or from attorneys for the defendant. 190

§ 18.2-76.10. Construction.

191 This article shall not be construed to repeal, by implication or otherwise, any other provision of 192 Article 9 (§ 18.2-71 et seq.) of Chapter 4 of Title 18.2 or any otherwise applicable provision of law 193 regulating or restricting abortion. An abortion that complies with this article but violates any other 194 provision of Article 9 of Chapter 4 of Title 18.2 or any otherwise applicable provision of law shall be 195 deemed unlawful as provided in such provision. An abortion that complies with the provisions of Article 9 of Chapter 4 of Title 18.2 or any otherwise applicable provision of law regulating or restricting 196 197 abortion but violates this article shall be deemed unlawful as provided in this article. If some or all of 198 the provisions of this article are ever temporarily or permanently restrained or enjoined by judicial 199 order, all other provisions of law regulating or restricting abortion shall be enforced as though such restrained or enjoined provisions had not been adopted; provided, however, that whenever such 200 temporary or permanent restraining order of injunction is stayed or dissolved, or otherwise ceases to 201 have effect, such provisions shall have full force and effect. 202

2. That the provisions of this act may result in a net increase in periods of imprisonment or 203 204 commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot 205 be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 665 of the Acts of Assembly of 2015 requires the Virginia Criminal Sentencing Commission to 206 assign a minimum fiscal impact of \$50,000. Pursuant to § 30-19.1:4, the estimated amount of the 207 208 necessary appropriation is \$0 for periods of commitment to the custody of the Department of 209 Juvenile Justice.
