penalty against the holder of such permit in a sum not to exceed \$10,000, after a hearing for which proper notice has been given to the permit holder, in any case where it has reason to believe that any provision of this chapter or any regulation, order, or condition of the Board has not been complied with or has been violated. The Board may revoke or suspend such service permit, after such hearing, if it finds that facts not known by it at the time it was considering the application indicate that such permit should not have been issued.
